

Cheshire

Canyon (Ocean)

Smart Comfort, Stylish Design.

The Cheshire is a contemporary lift and recline chair designed for maximum comfort and independence. Its dual-action mechanism allows infinite positioning with independent backrest and leg rest adjustment, while the zero-gravity function transforms your seating position for a truly weightless experience.

- Zero gravity pre-set positioning
- Integrated lift and recline functions
- Seat and backrest heating
- All-day battery backup
- USB backlit hand control
