

Sheffield

Canyon (Walnut)

5-Motor Zero Gravity Recline Chair

The Sheffield 5-Motor Recliner is a contemporary, feature-rich chair engineered for personalised comfort and therapeutic support. Powered by five independent motors, it allows separate adjustment of the backrest, leg rest, lumbar support, headrest, and tilt-in-space positioning for true zero-gravity comfort—helping promote relaxation, support circulation, and assist with fluid management.

- Back recline, leg recline, lumbar and headrest
- Integrated wireless phone charger
- Integrated lift and recline functions
- Seat and backrest heating
- Genuine shiatsu roller massage
- Memory pre-set positioning
