

Lunenburg Girl Scout Isabella Simonds is working on her Gold Award and part of that work is supporting the Increase Community Events, Social Engagement and Community Recreation Task Force, and what better way to do so than have a community wide yard sale! Set up at your home, Gilman Band Stand or on the Lunenburg Common. To participate, send an email to [lunenburggilman@gmail.com](mailto:lunenburggilman@gmail.com) or call 603-631-3123 with your name, address and what you'll be selling. A master list of those participating will be available to the public.
