KINGDOM EAST SCHOOL DISTRICT 2026-2027 REVISED BUDGET

Upcoming Community Meetings

Kingdom East School District will be hosting three informational meetings in different locations to provide community members with an opportunity to learn more about the revised proposed budget. Each meeting will cover the same material, so residents have multiple opportunities to attend a session that best fits their schedule while receiving consistent and thorough information.

These meetings are intended to give voters a clear understanding of the updates and answer any questions before the budget revote. Community members are encouraged to attend one of the sessions to stay informed and engaged.
