

FOR IMMEDIATE RELEASE
Multitude Take Away Supports Lunenburg-Gilman Recreation & Trails Task Force Following Octobervest and Trail Ribbon-Cutting

LUNENBURG, VT — Gilman Village culinary favorite Multitude Take Away donated $300 to the Town of Lunenburg's Recreation, Trails, and Tourism (RTT) Task Force. The contribution follows the successful, inaugural Lunenburg Octobervest hosted at Fox Field and Forest on Baptist Hill Road in Gilman, which marked a major historic milestone for the town's outdoor spaces.

The festival served as the official backdrop for the ribbon-cutting ceremony of the first-ever accessible trail loop in the Town of Lunenburg. Encircling the athletic fields at Fox Field and Forest, the new pathway will be officially named Hartley's Track. The name honors Hartley, the co-owner and chef at Multitude Take Away. Hartley's dedicated footprints in the grass around the fields over the last nine years while training for marathons served as direct inspiration for the new track.

The $300 donation from Multitude Take Away will fund the next stages of improvements at Fox Field and Forest, ensuring the continued expansion and

maintenance of accessible outdoor spaces for all community members and visitors to the Northeast Kingdom.

"We are incredibly grateful to everyone who came out to celebrate the inaugural Lunenburg Octobervest and the opening of this trail," said Hartley. "To see years of training footprints turn into an accessible track for the entire community is deeply humbling. Being able to turn a day of celebration into funding for the next stages of improvements at Fox Field and Forest is exactly why we love doing business here. We look forward to seeing everyone out on the track, and at Octobervest 2027."
