

GILMAN VILLAGE REVITALIZATION PLAN

POTENTIAL PROJECTS PUBLIC FORUM

TUESDAY, OCTOBER 27, 2026

Lunenburg is in the midst of an exciting planning initiative **focused on creating an inviting, user-friendly Gilman Village with a vibrant economy** that serves both residents and visitors.

Goals include:

- + A safer, more connected Village
- + Recreation for all
- + An integrated wayfinding strategy
- + Stormwater management improvements
- + Building reuse and housing options
- + Strategies for managing rail concerns and opportunities
- + An economy that balances land use with conservation

On October 27th, we will share exciting project proposals. You'll have the opportunity to **share your thoughts and ideas**, which will become part of the final actionable recommendations included in the Gilman Village Revitalization Plan, to be released in early 2027.

Your feedback is vital to shaping the future of Gilman Village. We hope to see you!
