LUXE LITE

At LuxeLite, we help homeowners bring their outdoor spaces to life through expertly designed landscape lighting and permanent holiday accent lighting. Our focus is on clean design, quality craftsmanship, and systems that look exceptional in every season.

We work closely with our clients to create lighting that enhances architectural details, improves visibility and safety, and adds a refined atmosphere to outdoor living areas. Our permanent holiday lighting solutions provide the flexibility to celebrate any occasion while maintaining a discreet, polished look the rest of the year.

LuxeLite was built on the belief that outdoor lighting should be both beautiful and practical—delivering long-term value with minimal maintenance.

LUXE LITE

Services

Residential & Commercial Landscape Lighting

Our landscape lighting service transforms your garden, courtyard or outdoor space into a true night-time sanctuary.

We use weather-resistant, energy-efficient fixtures to ensure maximum durability and minimum power consumption.

Whether you want to illuminate a walkway for safety or create a warm atmosphere for outdoor entertaining, our team will design and install landscape lighting that will enhance your space.

Residential Soffit Permanent Lighting

Our residential lighting service transforms your living space into a warm and welcoming place. Whether you want to enhance the architecture of your home, create a special atmosphere for your evenings out or improve outdoor security, we have the right solutions for you. We use advanced technologies and innovative designs to offer you personalized lighting that combines functionality and aesthetics.

LUXE LITE

The M & V

Mission 001

At LuxeLite, our mission is to enhance homes and outdoor spaces through expertly designed landscape lighting and permanent outdoor accent lighting. We are committed to delivering high-quality, reliable, and thoughtfully installed lighting solutions that elevate beauty, improve safety, and provide year-round enjoyment with minimal maintenance.

Vision 002

Our vision is to become a trusted leader in outdoor lighting solutions, known for timeless design, exceptional craftsmanship, and innovative permanent lighting systems. We aim to redefine how homeowners experience their properties after dark—creating elegant, functional, and customizable lighting that adds lasting value and effortless sophistication to every space we touch.

Meet the People Behind LuxeLite

Jenn McMillan has a love for **all things lighting and sales**. She loves helping people see the possibilities for their home or business and finding the perfect lighting solution to bring their vision to life. If it lights up, chances are Jenn is already excited about it!

Kris Lafontaine brings his passion for **music, lighting, creativity and entertaining people** to LuxeLite. After years of putting smiles on faces through music, Kris loves doing the same thing in a whole new way — transforming spaces with lighting that makes people stop and say, **“WOW!”**

Together, Jenn & Kris are especially passionate about **helping commercial properties improve the face of their businesses through professional architectural lighting solutions** — enhancing curb appeal, showcasing brand colours and helping businesses stand out after dark.

From homes and cottages to storefronts and commercial properties, they're excited to help **Kingston, Napanee, Belleville & Trenton shine brighter — one property at a time.**

Great lighting. Great people. Lots of smiles.
LuxeLite — Light Better Together.

LUXE LITE

REVIEW

Top notch Professionals! Received a free estimate from LuxeLite within 10 min. of request on a Wednesday evening! I received fast, efficient and quality service from Kris & Jenn. Kris arrived early for install. He was very easy to communicate with and kept me updated during the installation process. He even provided me with a quick tutorial on how to use the app once installation was complete! My lights were up and running within 3 hrs! His attention to detail surpassed my expectations. My lights work flawlessly and are beautiful! Absolutely no regrets! Let LuxeLite be your next solution to Permanent, SMART, Customizable LED Lights!

TO A SMARTER and SAFER TOMORROW! 🍷
