Conversation & Drinks

"This morning, the sun endures past dawn. I realize that it is August: the summer's last stand."

"August is the month of endings and beginnings."

"Embrace the sunshine and fill your days with bright possibilities."

"August is a time of growing up, of forgotten forever's, full of the sweetest intent."

"August is the slow, gentle month that stretches out the longest across the span of a year. It yawns and lingers on with the light in its palms."
