Greetings!

The American Dental Society of Anesthesiology (ADSA) and the International Federation of Dental Anesthesiology Societies (IFDAS) is set to hold its tri-annual Annual Session on March 14-16, 2024 at the Aria Resort & Casino, Las Vegas, NV, United States of America.

Each day of this 3-day international conference will begin at 8:00 am and go on until 5:00 pm, and it aims to address the following –

- Address the obstacles that are hindering global progress in dental anesthesia and sedation,
- Offer participants key research insights from the latest studies so that they may be able to implement them in their own work,
- Facilitate the sort of networking and collaboration that is so crucial for dentistry to forge ahead,
- Put in place learning, experimentation, and knowledge-sharing mechanisms in place that will promote the trickling down of all the knowledge that is shared in this conference.

It is my immense pleasure to extend to you a warm invitation to take part in the Annual Session.

Whether you’re a registrant who is eligible to travel to the United States of America through a Visa Waiver program (provided you are from one of the nations that are on the United States Federal Government’s list of nations partnering in the Visa Waiver initiative) or someone who requires a U.S. Visa in order to take part in this conference, our entire team is available to extend any help you may need with your visa application formalities.

Get in touch with us anytime at adsa@adsahome.org or +1.312.664.8270.

We look forward to seeing you at the event!

Kind Regards,

Jason Brady, DMD
