Why Husqvarna?

The Husqvarna difference comes from our unwavering commitment to our core principles in everything we do, from product design through manufacturing.

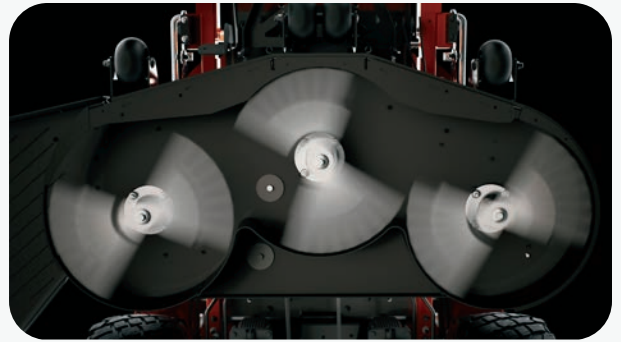

Comfort. We keep you comfortable no matter how long the job takes, with best-in-class seats, arm rests, and more.

Innovation. We've been committed to innovation for over 300 years, creating multiple industry-first technologies.

Versatility. We offer a wide variety of machines for large and small yards alike, including attachment-capable options for increased flexibility.

Ease. Designed with you in mind, our products easy to start, use and maintain.

Quality. Our rugged and reliable products have been tested to perform season after season.

Power. Experience power without compromising performance, for products that are truly built to last.

Experience the ultimate cutting machine.

Designed from the ground up to offer the optimal mowing experience, with a truly comfortable ride and performance you can count on.

ALL Xcite™ ZERO-TURN MOWERS FEATURE:

Best-in-Class Suspension*

SmoothRide™ system features adjustable springs with 10 comfort settings and a 4-bar link system.

Premium Kohler engines

High-back 18" seats

Rugged all-terrain tires

ALSO FEATURING

- Cutting height selector knob for simple adjustment
- Removable foot plate for easy deck access
- LED headlights

*When compared to other consumer zero-turn mowers. Only mower in its class to feature a 4-bar link suspension system and 10 adjustment settings.

MZ SERIES ZERO-TURN MOWERS

Take performance and comfort to a new level.

Mulching and collection capable, these versatile mowers are built to last. And our foldable Roll Over Protection System (ROPS)* gives you protection when you need it and functionality when you don't.

FEATURES

- Fabricated decks
- Durable, premium tires
- Pedal-assisted cutting deck lift system
- Premium, 18" high-back seat
- Easy-access service points
- Removable foot pans
- Rollover Protection System*

Heavy-Duty Kawasaki Engine

Smooth, quiet and reliable power with heavy-duty components for a long life.

Roll Over Protection System (ROPS)*

ROPS bars help protect you in the event of a roll over and can be folded for low-hanging branches.

Comfortable, Supportive Seat

Deep cushions and generous bolsters offer superior comfort and reduced vibrations.
