

MARK NEWTON LOWRY, Ph.D.

PACIFIC ECONOMICS GROUP RESEARCH, LLC

mnlowry@pacificeconomicsgroup.com
44 E. Mifflin St., Suite 601, Madison, WI 53703
(608) 257-1522 Ext. 23

Education

Ph.D.: Applied Economics, University of Wisconsin-Madison
BA: Ibero-American Studies, University of Wisconsin-Madison
High School: Hawken School, Gates Mills, Ohio

Relevant Work Experience, Primary Positions

Present Position President, Pacific Economics Group Research, LLC, Madison, WI

Chief executive and proprietor of a consulting firm in the field of utility economics. The practice is internationally recognized for its work on multiyear rate plans and statistical research. Leads internationally recognized practice performance-based regulation and utility performance research. Other research specialties include: utility industry restructuring, codes of competitive conduct, markets for oil and gas, and commodity storage. Duties include project management and expert witness testimony.

October 1998-February 2009 Partner, Pacific Economics Group, Madison, WI

Managed PEG's Madison office. Developed internationally recognized practice in the field of statistical cost research for energy utility benchmarking and Altreg. Principal investigator and expert witness on numerous projects.

January 1993-October 1998 Vice President

January 1989-December 1992 Senior Economist, Christensen Associates, Madison, WI

Directed the company's Regulatory Strategy group. Participated in all Christensen Associates testimony on energy utility Altreg and benchmarking.

Aug. 1984-Dec. 1988 Assistant Professor, Department of Mineral Economics, The Pennsylvania State University, University Park, PA

Responsibilities included research and graduate and undergraduate teaching and advising. Courses taught: Min Ec 387 (Introduction to Mineral Economics); 390 (Mineral Market Modeling); 484 (Political Economy of Energy and the Environment) and 506 (Applied Econometrics). Research specialty: role of storage in commodity markets.

August 1983-July 1984 Instructor, Department of Mineral Economics, The Pennsylvania State University, University Park, PA

Taught courses in Mineral Economics (noted above) while completing Ph.D. thesis.

April 1982-August 1983 Research Assistant to Dr. Peter Helmberger, Department of Agricultural and Resource Economics, University of Wisconsin-Madison

Dissertation research on the role of speculative storage in markets for field crops. Work included the development of a quarterly econometric model of the U.S. soybean market.

March 1981-March 1982 Natural Gas Industry Analyst, Madison Consulting Group, Madison, Wisconsin

Research under Dr. Charles Cicchetti in two areas:

- Impact of the Natural Gas Policy Act on the production and average wellhead price of natural gas in the United States. An original model was developed for forecasting these variables through 1985.
- Research supporting litigation testimony in an antitrust suit involving natural gas producers and pipelines in the San Juan Basin of New Mexico.

Relevant Work Experience, Visiting Positions:

May-August 1985 Professeur Visiteur, Centre for International Business Studies, Ecole des Hautes Etudes Commerciales, Montréal, Québec.

Research on the behavior of inventories in metal markets.

Major Consulting Projects

1. Research and Report on Power Distributor Cost Benchmarking and Productivity for a Canadian consumer advocate, ongoing.
2. Research and Testimony on Power Distributor Cost Benchmarking, Productivity Trends, and PBR Plan Design in Response to Elexicon Energy's evidence, Ontario Energy Board, ongoing.
3. Research and Testimony on Hydroelectric Generator Cost Benchmarking, Productivity Trends, and PBR Plan Design, Ontario Energy Board, ongoing.
4. Research and Testimony on Power Distributor Cost Benchmarking, Productivity Trends, and PBR Plan Design in response to Alectra Utilities' Evidence, Ontario Energy Board, ongoing.
5. PBR Plan Design Research for a Vertically-Integrated US Electric Utility, Client Name Withheld, ongoing.
6. Presentation on Alternative Regulation and PBR for the Oregon Public Utilities Commission, Lawrence Berkeley National Laboratory, 2025.
7. Research and Testimony on Input Price Forecasts for a Rate Case and Multiyear Rate Plan for a Vertically-Integrated US Electric Utility and a US Gas Utility, Client Name Withheld, ongoing.
8. Research and Report on Power Distributor Spending Patterns during Multiyear Rate Plans and Capitalization Policy Changes for the Ontario Energy Board, ongoing.
9. Research and Report on Power Distributor Productivity Trends, Cost Benchmarking, and Transnational Cost Benchmarking for the Ontario Energy Board, ongoing.
10. Research and Report on Performance-based Ratemaking for Vertically-Integrated Electric Utilities, Clean Virginia, 2024.
11. Consultation on Performance Incentive Mechanisms for Power Distributors, Avangrid, 2024.
12. Research and Testimony on Gas Utility Cost Benchmarking and Productivity Trends, Ontario Energy Board, 2023-2024.

13. Research and Testimony on Power Distributor Cost Benchmarking, Productivity Trends, and IR Plan Design, Ontario Energy Board, 2024.
14. Research and Testimony on Input Price Forecasts for a Rate Case and Multiyear Rate Plan, Puget Sound Energy, 2023-2024.
15. Survey of Gas and Electric Alternative Regulation Precedents, Edison Electric Institute, published February 2024.
16. Research on the Design of Targeted Performance Incentive Mechanisms for a Vertically-Integrated US Electric Utility, Duke Energy, 2023.
17. PBR Plan Design, Power Distributor Productivity, and Power and Gas Distributor Benchmarking Research and Testimony for an Alberta Intervenor, Consumers' Coalition of Alberta, 2022-2023.
18. Consultation on Multiyear Rate Plans for a Vertically-Integrated US Electric Utility, Public Service of New Mexico, 2022.
19. Assistance with a White Paper on PBR. National Conference of State Legislatures, 2022.
20. Research and Testimony on Targeted Performance Incentive Mechanisms for a Vertically-Integrated US Electric Utility and Gas Distributor, Puget Sound Energy, 2021-2022.
21. Research on Operation and Maintenance Revenue Escalators and Input Price Inflation Adjustment Mechanism Research for a Vertically-Integrated US Electric Utility and Gas Distributor, Puget Sound Energy, 2021-2022.
22. Testimony on Multiyear Rate Plan Ratemaking Rules for a Vertically-Integrated Electric Utility, Duke Energy, 2021-2022.
23. Research and Testimony on Power Transmission and Distribution Productivity, Benchmarking, and PBR Plan Design, Ontario Energy Board, 2021-2022.
24. Benchmarking of Granular Power Distributor Costs for a Canadian Regulator, Ontario Energy Board, 2018-2021.
25. Consultation and Report on Performance-Based Ratemaking for a Vertically-Integrated Electric Utility, Public Service of New Mexico, 2021-2022.
26. Research and Testimony on Power Transmission Productivity and Cost Benchmarking, Association Québécoise des Consommateurs Industriels d'Electricité, 2020-2021.
27. White Paper and Workshop on PBR for a Vertically-Integrated Electric Utility, British Columbia Utilities Commission 2020-2021.
28. Research and Testimony on Productivity and PBR Plan Design for a Vertically-Integrated Electric Utility, Hawaiian Electric, 2018-2020.
29. Research and Testimony on Power Distributor Cost Benchmarking and PBR Plan Design, Ontario Energy Board, 2020.
30. Research and Testimony on Gas Distributor Productivity, Cost Benchmarking, and PBR Plan Design, Massachusetts Attorney General's Office, 2020.
31. Research and Testimony on Power Transmitter Productivity, Cost Benchmarking, and PBR Plan Design, Ontario Energy Board, 2019.
32. Research and Testimony on Power Transmitter Productivity, Cost Benchmarking, and PBR Plan Design, Ontario Energy Board, 2018-2019.
33. Testimony on PBR for Power Transmission and Distribution Utilities, Association Québécoise des Consommateurs Industriels d'Electricité, 2017-2019.
34. Research and Testimony on Power Distributor Productivity, Massachusetts Attorney General's Office, 2019.
35. Research and Testimony on Power Distributor Cost Benchmarking and PBR Plan Design for a Canadian Regulator, Ontario Energy Board, 2018-2019.

36. Briefing on Trends in Alternative Regulation, Duke Energy, 2018.
37. Testimony on PBR for a Vertically-Integrated Electric Utility, Northern States Power (MN), 2017.
38. Research and Testimony on Gas Utility Productivity for a Canadian Regulator, Ontario Energy Board, 2017-2018.
39. Research and Testimony on Power Distributor Productivity, Cost Performance and PBR Plan Design for a Canadian Regulator, Ontario Energy Board, 2017-2018.
40. White Paper on Multiyear Rate Plans and U.S. Power Distributor Productivity Trends, Lawrence Berkeley National Laboratory, 2017.
41. Benchmarking Study and Altreg Consultation for a Northeastern Power Distributor, Green Mountain Power, 2017.
42. Statistical Benchmarking and Multiyear Rate Plan Research and Testimony for a Western Electric Utility, Public Service of Colorado, 2017-2018.
43. Presentation on PBR and Distribution System Planning for a U.S. Government Workshop, Lawrence Berkeley National Laboratory, 2017.
44. Transnational Benchmarking of Power Distribution Cost, Productivity and Rates for a Canadian Consumer Group, Alberta Utilities Consumer Advocate, 2017-2018.
45. Statistical Benchmarking and Multiyear Rate Plan Research and Testimony for a Western Gas Utility, Public Service of Colorado, 2017.
46. Consultation on Altreg Trends for a Vertically Electric Integrated Utility, Duke Energy, 2016.
47. Workshop on PBR for Regulators in Vermont, Lawrence Berkeley National Laboratory, 2016.
48. Research and Testimony on Hydroelectric Generation and Multiyear Rate Plan for a Canadian Regulator, Ontario Energy Board, 2016.
49. Development of a Revenue Decoupling Mechanism and Supporting Testimony for a Midwestern U.S. Environmental Advocate, Fresh Energy, 2016.
50. Research and Testimony on Multiyear Rate Plan Design and U.S. Power Distribution Productivity Trends, Consumers' Coalition of Alberta, 2016.
51. Testimony on Revenue Decoupling for Pennsylvania Energy Distributors, National Resources Defense Council, March 2016.
52. White Paper on Performance Metrics for the Utility of the Future, Edison Electric Institute and a consortium of U.S. electric utilities, 2016.
53. White Paper on PBR for Electric Utilities in a High Distributed Energy Resources Future, Lawrence Berkeley National Laboratory, January 2016.
54. White Paper on Multiyear Rate Plans for U.S. Electric Utilities, Edison Electric Institute and a consortium of U.S. electric utilities, 2015.
55. Survey of Gas and Electric Alternative Regulation Precedents, Edison Electric Institute, 2015.
56. Research and Development of Regulatory Frameworks for the Utility of the Future, Powering Tomorrow, 2015.
57. White Paper on PBR for a Vertically-Integrated Electric Utility, Xcel Energy, 2015.
58. Research and Testimony on Merger of Two Energy Utility Holding Companies, Great Lakes Utilities, 2014-2015.
59. Assessment of Statistical Benchmarking for Three Australian Power Distributors, Networks New South Wales, 2014-2015.
60. Research and Testimony on Statistical Benchmarking and O&M Cost Escalation for an Ontario Power Distributor, Oshawa PUC Networks, 2014-2015.
61. Transnational Benchmarking of Power Distributor O&M Expenses, Australian Energy Regulator, 2014.

62. Research and Testimony on Statistical Benchmarking and O&M Expense Escalation for a Western Electric Utility, PS Colorado, 2014.
63. Research and Testimony on Productivity Trends of Vertically Integrated Electric Utilities, Client Name Withheld, 2014.
64. Research and Testimony on Productivity Trends of Gas and Electric Power Distributors for a Canadian Consumer Group, Commercial Energy Consumers of BC, 2013-2014.
65. Research on the Design of Multiyear Rate Plans for a Southeast Electric Utility, (client name withheld). 2013-2014.
66. Research on the Design of Multiyear Rate Plans for a Midwest Electric & Gas Distributor, (client name withheld). 2013-2014.
67. Research on Drivers of O&M expenses for a Canadian Gas Utility, Gaz Metro. 2013.
68. Consultation on Regulatory Strategy for a California Electric and Gas Utility, San Diego Gas & Electric. 2013.
69. Research and Testimony on the Design of an Attrition Relief Mechanism for a Northeast U.S. Electric Utility, Fitchburg Gas & Electric. 2013.
70. Consultation on an Altreg Strategy for a Midwestern Electric Utility, Oklahoma Gas & Electric. 2013.
71. Consultation on an Altreg Strategy for a Southeast Electric Utility (client name withheld). 2013.
72. Research and Testimony on Issues in PBR Plan Implementation for a Canadian Consumer Group, Consumers' Coalition of Alberta. 2013.
73. Research and Testimony on the Design of an Attrition Relief Mechanism for a Northeast Electric Utility, Central Maine Power. 2012-2013.
74. Survey of Gas and Electric Altreg Precedents. Edison Electric Institute. 2012-2013.
75. Testimony for US Coal Shippers on the Treatment of Cross Traffic in US Surface Transportation Board Stand Alone Cost Tests. 2012
76. Productivity and Plan Design Research and Testimony in Support of a PBR plan for Canadian Gas Distributor, Gaz Metro. 2012-2013.
77. Research and Testimony on Projected Attrition for a Western Electric Utility, Avista. 2011-2012.
78. Research and Testimony on Remedies for Regulatory Lag for 2 Northeastern Power Distributors, Atlantic City Electric & Delmarva Power & Light. 2011-2012.
79. Research and Testimony on the Design of a Attrition Relief Mechanisms for power and gas distributors on behalf of a Canadian Consumer Group, Consumers' Coalition of Alberta. 2011-2012.
80. Assistance with an Alternative Regulation Settlement Conference for a Northeastern Power Distributor, Delmarva Power & Light. 2011.
81. Research and Testimony on Approaches to Reduce Regulatory Lag for a Northeastern Power Distributor, Potomac Electric Power. 2011.
82. Benchmarking Research and Report on the Performance of a Midwestern Electric Utility, Oklahoma Gas & Electric, 2011.
83. White Paper on Alternative Regulation Precedents for Electric Utilities. Edison Electric Institute. 2010-2011.
84. Research and Report on the Design of an Incentivized Formula Rate for a Canadian Gas Distributor. Gaz Metro Task Force. 2010-2011.
85. Research and Testimony in Support of Revenue Decoupling for a Power Distributor. Commonwealth Edison, 2010-2011.
86. Research and Testimony in Support of a Forward Test Year Rate Filing by a Western Gas Distributor. Xcel Energy, 2010.

87. Statistical Cost Benchmarking for a Midwestern Electric Utility, Oklahoma Gas & Electric, 2010.
88. White Paper on Alternative Regulation Precedents for Electric Utilities. Client Name Withheld. 2010-2011.
89. Research and Report on the Effectiveness of Decoupling for a Western Gas Distributor. Client Name Withheld, 2009-2010.
90. Research and Report on the Performance of a Western Electric Utility. Portland General Electric, 2009-2010.
91. Research and Report on Revenue Decoupling for Ontario Gas and Electric Utilities. Ontario Energy Board, 2009-2010.
92. Research and Report on PBR Designed to Incent Long Term Performance Gains. Client Name Withheld, 2009-2010.
93. Research and Testimony on PBR for Western Gas and Electric Utilities Operating under Decoupling. San Diego Gas & Electric and Southern California Gas, 2009-2010.
94. Research and Report on the Importance of Forward Test Years for U.S. Electric Utilities. Edison Electric Institute, 2009-2010.
95. Research and Testimony in Support of a Forward Test Year Rate Filing by a Vertically Integrated Western Electric Utility. Xcel Energy, 2009.
96. Consultation and Testimony on Revenue Decoupling for a New England DSM Advisory Council. Rhode Island Energy Efficiency and Resource Management Council, 2009.
97. Benchmarking Research and Testimony for a Midwestern Electric Utility. Oklahoma Gas & Electric, 2009.
98. Research and Testimony on Revenue Decoupling for 3 US Electric Utilities. Hawaiian Electric, 2008-2009.
99. Statistical Cost Benchmarking of Canadian Power Distributors. Ontario Energy Board. 2007-2009.
100. White Paper: Use of Statistical Benchmarking in Regulation. Canadian Electricity Association. 2005-2009.
101. Research and Draft Testimony in Support of a Revenue Decoupling Mechanism for a Large Midwestern Gas Utility. NICOR Gas, 2008.
102. Consultation on Alternative Regulation for a Midwestern Electric Utility. Xcel Energy. 2008.
103. Research and Testimony in Support of a Revenue Adjustment Mechanism for Central Vermont Public Service. 2008.
104. Testimony on Tax Issues for a Canadian Regulator. Ontario Energy Board. 2008.
105. Gas Distribution Productivity Research and Testimony in Support of Decoupling and Other PBR Plans for a Canadian Regulator. Ontario Energy Board. 2007.
106. Consultation on Revenue Decoupling and Revenue Adjustment Mechanisms for a Consortium of Massachusetts Electric and Gas Utilities. National Grid. 2007.
107. Consultation on Alternative Regulation for a Western Electric & Gas Distributor Operating under Decoupling. Pacific Gas & Electric. 2007.
108. Report and Testimony on Role of Power Distribution Benchmarking in Regulation. Fortis Alberta, 2006.
109. Productivity Research and Testimony on PBR Plan for Central Maine Power, 2007.
110. Consultation on a Canadian Trade Association's Benchmarking Program. Canadian Electricity Association. 2007.
111. Consultation on a PBR Strategy for Power Transmission. BC Transmission. 2006.

112. White Paper on Power Distribution Benchmarking for a Canadian Trade Association. Canadian Electricity Association. 2006.
113. Workshop on Alternative Regulation of Major Plant Additions. EEI. 2006.
114. Statistical Benchmarking of A&G Expenses. Michigan Public Service Commission. 2006.
115. Consultation on Price Cap Regulation for Provincial Power Distributors. Ontario Energy Board. 2006.
116. White Paper on Alternative Regulation for Major Plant Additions for a U.S. Trade Association. EEI. 2006.
117. Research and Testimony on the Cost Performance of a New England Power Distributor, Central Vermont Public Service, 2006.
118. Benchmarking and Productivity Research and Testimony for Western Gas and Electric Utilities Operating under Decoupling. San Diego Gas & Electric and Southern California Gas. 2006.
119. Power Distribution Benchmarking Research and Testimony. Central Vermont Public Service. 2006.
120. Power Transmission PBR and Benchmarking Support and Testimony. Trans-Energie. 2005.
121. Explaining Recent Rate Requests of U.S. Electric Utilities: Results from Input Price and Productivity Research. Edison Electric Institute. 2005.
122. Statistical Benchmarking of a California Nuclear Plant. San Diego Gas & Electric. 2005.
123. Statistical Benchmarking for a Southeastern U.S. Bundled Power Service Utility. Progress Energy Florida. 2005.
124. Testimony on Statistical Benchmarking of Power Distribution. Hydro One Networks. 2005.
125. Statistical Benchmarking of O&M Expenses for an Australian Power Distributor. SPI Networks. 2004.
126. Research on the Cost Performance of Three English Power Distributors, EDF, 2004.
127. Power Transmission and Distribution PBR and Benchmarking Research for a Canadian Utility. Hydro One Networks, 2001-2003.
128. Indexation of O&M Expenses for an Australian Power Distributor. SPI Networks. 2004.
129. Benchmarking Testimony for Three Ontario Power Distributors. Hydro One, Toronto Hydro, and Enersource Hydro Mississauga. 2004.
130. Statistical Benchmarking Research for Three British Power Distributors. EDF Eastern, EDF London, and EDF Seaboard. 2004.
131. Statistical Benchmarking Research for a British Power Distributor. United Utilities. 2004.
132. White Paper on Unbundled Storage and the Chicago Gas Market for a Midwestern Gas Distributor. Nicor Gas. 2004.
133. Advice on Benchmarking Strategy for a Canadian Trade Association. Canadian Electricity Association. 2004.
134. Workshop on Service Quality Regulation for Regulators. Canadian Electricity Association. 2004.
135. Advice on Productivity for Two British Power Distributors. Northern Electric and Yorkshire Electricity Distribution. 2004.
136. Research and Testimony on Power and Natural Gas Distribution Productivity and Benchmarking for a U.S. Utility Operating under Decoupling. Sempra Energy. 2004.
137. Research and Advice on PBR for a Western Gas Distributor. Questar Gas. 2004.
138. Research, Testimony, and Settlement Support on the Cost Efficiency of O&M Expenses for a Canadian Gas Distributor. Enbridge Gas Distribution. 2004.
139. Testimony on Distributor Cost Benchmarking. Hydro One Networks. 2004.
140. Advice on Statistical Benchmarking for Two British Power Distributors. Northern Electric and Yorkshire Electricity Distribution, 2003.

141. Statistical Benchmarking, Productivity, and Incentive Power Research for a Combined Gas and Electric Company. Baltimore Gas and Electric, 2003.
142. Statistical Benchmarking of Power Transmission. Central Research Institute for the Electric Power Industry (Japan), 2003.
143. Statistical Benchmarking and PBR Plan for Four Bolivian Power Distributors. Superintendencia de Electricidad, 2003.
144. General consultation on PBR Initiative. Union Gas, 2003.
145. Workshop on PBR for Canadian Regulators. Canadian Electricity Association, 2003.
146. Advice on Performance Goals for a U.S. Transmission Company. American Transmission, 2003.
147. Research, Testimony, and Settlement Support on the Cost Efficiency of O&M Expenses. Enbridge Gas Distribution, 2003.
148. Workshop on PBR for Louisiana's Public Service Commission. Entergy Services, February 2003.
149. Workshop on Recent Trends in PBR. Entergy Services, 2003.
150. Research on the Incentive Power of Alternative Regulatory Systems. Hydro One Networks, 2002.
151. Future of T&D Regulation, Southern California Edison. October 2002.
152. Benchmarking and Productivity Research and Testimony for a Western Gas and Electric Power Distributor operating under Decoupling. Sempra Energy, 2002.
153. Research on Power Distribution Productivity and Inflation Trends. NSTAR, 2002.
154. Research and Testimony on Benchmarking for Bundled Power Service. AmerenUE, 2002.
155. Statistical Benchmarking for Electric Power Transmission. Transend, 2002.
156. Statistical Benchmarking for three Australian Gas Utilities. Client name confidential, 2001.
157. Research and Testimony on Productivity and PBR Plan Design for a Power Distributor. Bangor Hydro Electric, 2001.
158. Competition Policy in the Power Market of Western Australia, Western Power, 2001.
159. PBR Presentation to Governor Bush Energy 2000 Commission. Edison Electric Institute, 2001.
160. Productivity Research and PBR Plan Design. Hydro One Networks, 2001.
161. Statistical Benchmarking for Power Distribution, Queensland Competition Authority, 2001.
162. E-Forum on PBR for Power Procurement. Edison Electric Institute, 2001.
163. Research on TFP and Benchmarking for Gas and Electric Power Distribution. Sempra Energy, 2000.
164. PBR Plan Design for a Natural Gas Distributor Operating under Decoupling. BC Gas, 2000.
165. Research on the Cost Performance of a New England Power Distributor. Central Maine Power, 2000.
166. Power and Natural Gas Procurement PBR. Western Resources, 2000.
167. Service Quality PBR Plan Design and Testimony. Gas and electric power distributors of Massachusetts, 2000.
168. Research and Testimony on Economies of Scale in Local Power Delivery, Metering, and Billing. Electric distributors of Massachusetts, 2000.
169. Economies of Scale and Scope in an Isolated Electric System. Western Power, 2000.
170. Workshop on PBR for Gas and Electric Distribution. Public Service Electric and Gas, 2000.
171. Testimony on PBR for Power Distribution. TXU Electric, 2000.
172. Statistical Benchmarking for Power Transmission. Powerlink Queensland, 2000.
173. Critique of a Commission-Sponsored Benchmarking Study. CitiPower, Powercor, and United Energy, 2000.
174. Unit Cost of Power Distribution. AGL, 2000.

175. Statistical Benchmarking for Bundled Power Services. Niagara Mohawk Power, 1999.
176. Cost Benchmarking for Power Distribution. United Energy, 1999.
177. Cost Benchmarking for Power Distribution. Powercor, 1999.
178. Cost Benchmarking for Power Distribution. CitiPower, 1999.
179. Cost Benchmarking for Power Transmission and Distribution. Southern California Edison, 1999.
180. Research and Testimony on Benchmarking and PBR Plan Design for Bundled Power Service. Oklahoma Gas & Electric, 1999.
181. Advice on PBR and Affiliate Relations. Western Resources, 1999.
182. Advice on Code of Conduct Issues for a Western Electric Utility. Public Service of Colorado, 1999.
183. Workshop on PBR for Energy Utilities. World Bank, 1998
184. Design of a Stranded Benefit Passthrough Mechanism for a Restructuring Electric Utility. Niagara Mohawk Power, 1998.
185. Testimony on Functional Separation of Power Generation and Delivery in Illinois. Edison Electric Institute, 1998.
186. Statistical Benchmarking for Power Distribution. Victorian distribution business, 1998-9.
187. PBR Plan Design, Statistical Benchmarking, and Supporting Testimony. Kentucky Utilities & Louisville Gas & Electric, 1998-99.
188. Research and Testimony on Productivity and PBR Plan Design for Bundled Power Service. Hawaiian Electric and Hawaiian Electric Light & Maui Electric, 1998-99.
189. Research and Testimony on Economies of Scale in Power Supply. Hawaiian Electric Company, 1998.
190. Testimony on Brand Names. Edison Electric Institute, 1998.
191. Cross-Subsidization Measures for Restructuring Electric Utilities. Edison Electric Institute, 1998.
192. Cost Structure of Power Distribution. Edison Electric Institute, 1998.
193. Research and Testimony on Gas and Electric Power Distribution Productivity. San Diego Gas & Electric, 1997-98.
194. White Paper and Public Appearances on PBR Options for Power Distributors in Australia. Distribution companies of Victoria, 1997-98.
195. White Paper on Price Cap Regulation (including Service Quality) for Power Distribution. Edison Electric Institute, 1997-99.
196. Productivity, Benchmarking, and PBR Plan Design Research and Testimony for a Gas Distributor. Atlanta Gas Light, 1997.
197. Inflation and Productivity Trends of U.S. Power Distributors. Niagara Mohawk Power, 1997.
198. Statistical Benchmarking and Stranded Cost Recovery. Edison Electric Institute, 1997.
199. Review of a Power Purchase Contract Dispute. City of St. Cloud, MN, 1997.
200. Statistical Benchmarking for Bundled Power Service and Testimony. Pacific Gas & Electric, 1997.
201. Generation and Power Transmission PBR for a Restructuring Canadian Electric Utility, EPCOR, 1997.
202. White Paper on Utility Brand Name Policy. Edison Electric Institute, 1997.
203. Price Cap Plan Design for Power Distribution Services. Comisión de Regulación de Energía y Gas (Colombia), 1997.
204. Productivity and PBR Plan Design Research and Testimony for a Gas Distributor under Decoupling. BC Gas, 1997.
205. Presentation on Performance-Based Regulation for a Natural Gas Distributor, Northwestern Utilities, 1996.
206. Statistical Benchmarking for Bundled Power Service. Pennsylvania Power & Light, 1996.

207. Design of Geographic Zones for Privatized Natural Gas Distributors. Comision Reguladora de Energia (Mexico), 1996.
208. PBR Plan Design for Bundled Power Services. Hawaiian Electric, 1996
209. Testimony on PBR for Power Distribution. Commonwealth Energy System, 1996.
210. Power Distribution Benchmarking for a PJM Utility. Delmarva Power, 1996.
211. Consultation on the Design and Implementation of Price Cap Plans for Natural Gas Production, Transmission, and Distribution. Comision Reguladora de Energia (Mexico), 1996.
212. Productivity and Benchmarking Research and Testimony for a Natural Gas Distributor. Boston Gas, 1996.
213. Stranded Cost Recovery and Power Distribution PBR for a Restructuring U.S. Electric Utility. Delmarva Power, 1996.
214. Development of a Price Cap Plan for a Midwest Gas Distributor. Illinois Power, 1996.
215. Speech on PBR for Electric Utilities. Hawaiian Electric, 1995.
216. Productivity Research and Testimony for a Natural Gas Distributor. NMGas, 1995.
217. Productivity and PBR Plan Design Research and Testimony for a Natural Gas Distributor Operating under Decoupling. Southern California Gas, 1995.
218. Regulatory Strategy for a Restructuring Northeast Electric Utility. Niagara Mohawk Power, 1995.
219. Incentive Regulation Support for a Japanese Electric Utility. Tokyo Electric Power, 1995.
220. Regulatory Strategy for a Restructuring Canadian Electric Utility. Alberta Power, 1995.
221. Productivity Research and PBR Plan Design for Bundled Power Service and Gas Distribution. Public Service Electric & Gas, 1995.
222. White Paper on Performance-Based Regulation. Electric Power Research Institute, 1995.
223. Statistical Benchmarking for Bundled Power Services and Testimony. Southern California Edison, 1994.
224. White Paper on Price Cap Regulation For Electric Utilities. Edison Electric Institute, 1994.
225. Productivity Research for a Natural Gas Distributor, Southern California Gas, 1994.
226. Productivity and PBR Plan Design Research and Testimony. Central Maine Power, 1994.
227. Review of the Southwest Gas Transportation Market. Arizona Electric Power Cooperative, 1993.
228. Development of PBR Options. Southern California Edison, 1993.
229. Productivity and PBR Plan Design Research and Testimony. Niagara Mohawk Power, 1993-94.
230. Design and Negotiation of a Comprehensive Benchmark Incentive Plans for Gas Distribution and Bundled Power Service. Niagara Mohawk Power, 1992.
231. Gas Transportation Strategy for an Arizona Electric Utility. AEPCO, 1992.
232. Gas Supply Cost Indexes for Incentive Regulation. Pacific Gas & Electric, 1992.
233. Benchmarking Gas Supply Services and Testimony. Niagara Mohawk Power, 1992.
234. Efficient Rate Design for Interstate Gas Transporters. AEPCO, 1991.
235. Cost Performance Indexes for Gas and Electric Utilities for Use in PBR. Niagara Mohawk Power, 1991.
236. Productivity Growth Estimates for U.S. Gas Distributors and Their Use in PBR. Southern California Gas, 1991.

29. Price Caps for Distribution Service: Do They Make Sense? (with Eric Ackerman and Lawrence Kaufmann), Edison Times, 1999.
30. The Cost Structure of Power Distribution with Implications for Public Policy (with Lawrence Kaufmann), Washington: Edison Electric Institute 1999.
31. Controlling for Cross-Subsidization in Electric Utility Regulation (with Lawrence Kaufmann), Washington: Edison Electric Institute, 1998.
32. Price Cap Regulation for Power Distribution (with Larry Kaufmann), Washington: Edison Electric Institute, 1998.
33. Branding Electric Utility Products: Analysis and Experience in Regulated Industries (with Lawrence Kaufmann), Washington: Edison Electric Institute, 1997.
34. Forecasting the Productivity Growth of Natural Gas Distributors (with Lawrence Kaufmann). AGA Forecasting Review, Vol. 5, March 1996.
35. Performance-Based Regulation of U.S. Electric Utilities: The State of the Art and Directions for Further Research (with Lawrence Kaufmann). Palo Alto: Electric Power Research Institute, December 1995.

36. The Treatment of Z Factors in Price Cap Plans (with Lawrence Kaufmann), *Applied Economics Letters* 2 1995.
37. A Price Cap Designers Handbook (with Lawrence Kaufmann). (Washington: Edison Electric Institute, 1995.)
38. TFP Trends of U.S. Electric Utilities, 1975-92 (with Herb Thompson). Proceedings of the Ninth NARUC Biennial Regulatory Information Conference, (Columbus: National Regulatory Research Institute, 1994).
39. Gas Supply Cost Incentive Plans for Local Distribution Companies. Proceedings of the Eight NARUC Biennial Regulatory Information Conference (Columbus: National Regulatory Research Institute, 1993).
40. Indexed Price Caps for U.S. Electric Utilities. *The Electricity Journal*, September-October 1991.
41. Futures Prices and Hidden Stocks of Refined Oil Products. In O. Guvanan, W.C. Labys, and J.B. Lesourd, editors, *International Commodity Market Models: Advances in Methodology and Applications* (London: Chapman and Hall, 1991).
42. Evaluating Alternative Measures of Credited Load Relief: Results From a Recent Study For New England Electric. In *Demand Side Management: Partnerships in Planning for the Next Decade* (Palo Alto: Electric Power Research Institute, 1991).
43. Competitive Speculative Storage and the Cost of Petroleum Supply. *The Energy Journal* 10 (1) 1989.
44. Theory of Pricing and Storage of Field Crops With an Application to Soybeans [with Joseph Glauber (senior author), Mario Miranda, and Peter Helmberger]. University of Wisconsin Madison College of Agricultural and Life Sciences Research Report no. R3421, 1988.
45. Speculative Stocks and Working Stocks. *Economic Letters* 28 1988.
46. Modeling the Convenience Yield from Precautionary Storage: The Case of Distillate Fuel Oil. *Energy Economics* 10 (4) 1988.
47. A Competitive Model of Primary Sector Storage of Refined Oil Products. July 1987, *Resources and Energy* 10 (2) 1988.
48. Review of Oil Prices, Market Response, and Contingency Planning, by George Horwich and David Leo Weimer, (Washington, American Enterprise Institute, 1984), *Energy Journal* 8 (3) 1988.
49. Monopoly Power, Rigid Prices, and the Management of Inventories by Metals Producers. *Materials and Society* 12 (1) 1988.
50. Storage, Monopoly Power, and Sticky Prices. *les Cahiers du CETAI* no. 87 03 March 1987.
51. Pricing and Storage of Field Crops: A Quarterly Model Applied to Soybeans (with junior authors Joseph Glauber, Mario Miranda, and Peter Helmberger). *American Journal of Agricultural Economics* 69 (4), November 1987.
52. Modeling the Convenience Yield from Precautionary Storage of Refined Oil Products (with junior author Bok Jae Lee) in John Rowse, ed. *World Energy Markets: Coping with Instability* (Calgary, AL: Friesen Printers, 1987).
53. Assessing Metals Demand in Less Developed Countries: Another Look at the Leapfrog Effect. *Materials and Society* 10 (3), 1986.
54. The Changing Role of the United States in World Mineral Trade in W.R. Bush, editor, *The Economics of Internationally Traded Minerals*. (Littleton, CO: Society of Mining Engineers, 1986).
55. Review of Energy, Foresight, and Strategy, Thomas Sargent, ed. (Baltimore: Resources for the Future, 1985). *Energy Journal* 6 (4), 1986.

56. Public vs. Private Management of Mineral Inventories: A Statement of the Issues. *Earth and Mineral Sciences* 53, (3) Spring 1984.

Conference Presentations

1. NARUC Regulatory Training Initiative course on Performance-based Regulation, (virtual), forthcoming
2. Wisconsin Public Utilities Institute, Energy Utility Basics Course, Madison WI, October 2026
3. Michigan State University, Institute of Public Utilities Fundamentals Course, (virtual), August 2026
4. NARUC Regulatory Training Initiative course on Performance-based Regulation, (virtual), November 2025
5. Wisconsin Public Utilities Institute, Energy Utility Basics Course, Madison WI, October 2025
6. Massachusetts Department of Energy Resources (DOER), Massachusetts Electric Rate Task Force, (virtual), September 2025
7. CAMPUT Connection, (virtual), January 2025
8. EUCI Advanced Rate Design Conference, (virtual), December 2024
9. NARUC Regulatory Training Initiative course on Performance-based Regulation, (virtual), October 2024
10. Wisconsin Public Utilities Institute, Energy Utility Basics Course, Madison WI, October 2024
11. NARUC-NASEO Resilience Regulatory Mechanisms Cohort, (virtual), September 2024
12. Michigan State University, Institute of Public Utilities Fundamentals Course, (virtual), August 2024
13. Society of Utility Regulatory Financial Analysts (SURFA), Richmond VA, April 2024
14. Osgoode Hall Law School of York University, Public Utility Law, (virtual), March 2024
15. EUCI Advanced Rate Design Conference, Denver CO, December 2023
16. Panelist on Rate Design at the Critical Consumer Issues Forum at the NARUC Annual Meeting in La Quinta CA, November 2023
17. Panelist on Alternative Regulation for Emerging Electric Industry Challenges at the NARUC Annual Meeting in La Quinta CA, November 2023
18. NARUC Regulatory Training Initiative course on Performance-based Regulation, (virtual), October 2023
19. Wisconsin Public Utilities Institute, Energy Utility Basics Course, Madison WI, October 2023
20. NARUC PBR State Working Group presentation on "Alternative Regulation and Incentives for Capital Efficiency," (virtual), September 2023
21. Michigan State University, Institute of Public Utilities Fundamentals Course, (virtual), August 2023
22. Edison Electric Institute, Electric Rates Course, Madison WI, July 2023
23. NARUC Staff Subcommittee on Accounting and Finance, 2023 Spring Conference, Oklahoma City OK, April 2023
24. Wisconsin Public Service Commission, Workshop for Roadmap to Zero Carbon Investigation, October 2022
25. Wisconsin Public Utilities Institute, Energy Utility Basics Course, October 2022
26. Edison Electric Institute, Rates and Regulatory Affairs Committee, Pittsburgh PA, September 2022
27. Michigan State University, Institute of Public Utilities Fundamentals Course, (virtual), August 2022
28. Edison Electric Institute, Electric Rates Course, Madison WI, July 2022
29. National Association of State Utility Consumer Advocates, 2022 Mid-year Meeting, Indianapolis IN, June 2022

30. National Conference of State Legislators' Energy Supply Task Force, Seattle WA, May 2022
31. Osgoode Hall Law School of York University, Public Utility Law, (virtual), March 2022
32. Edison Electric Institute, Transmission, Distribution, Metering & Mutual Assistance Conference, (virtual), October 2021
33. Wisconsin Public Utilities Institute, Energy Utility Basics Course, (virtual), September 2021
34. Edison Electric Institute, Electric Rates Advanced Course, (virtual), July 2021
35. NARUC PBR State Working Group, (virtual), June 2021
36. National Association of State Utility Consumer Advocates, (virtual), June 2021
37. Wisconsin Public Utilities Institute, (virtual), October 2020
38. British Columbia Utilities Commission, (virtual), September 2020
39. Wisconsin Public Utilities Institute, Madison WI, October 2019
40. Edison Electric Institute, Madison WI, July 2019
41. Pennsylvania Public Utility Law Conference, Harrisburg, PA, May 2019
42. Carilec CEOs & Leadership Conference, St. Lucia, May 2019
43. Hawaii Public Utilities Commission, Honolulu, HI, November 2018
44. Wisconsin Public Utilities Institute, Madison WI, October 2018
45. Financial Research Institute, Columbia MO, September 2018
46. Hawaii Public Utilities Commission, Honolulu, HI, July 2018
47. NARUC, St Paul MN, January 2018
48. University of Wisconsin Department of Applied Economics, October 2017
49. Wisconsin Public Utilities Institute, Madison WI, October 2017
50. New England Conference of Public Utilities Commissioners, Hallowell ME, September 2017
51. Lawrence Berkeley National Laboratory, Webinar, August 2017
52. Edison Electric Institute, Madison WI, July 2017
53. National Conference of Regulatory Attorneys, Portland OR, May 2017
54. National Regulatory Research Institute, Webinar, May 2017
55. Washington State House of Representatives, Technology and Economic Development Committee, January 2017
56. Lawrence Berkeley National Laboratory, Webinar, November 2016
57. Edison Electric Institute, Madison WI, July 2016
58. Society of Utility Regulatory Financial Analysts (SURFA), Indianapolis IN, April 2016
59. Wisconsin Public Service Commission, Madison WI, March 2016
60. Great Plains Institute, Minneapolis MN, February 2016
61. Lawrence Berkeley National Laboratory, Vermont Future of Electric Utility Regulation Workshop, January 2016
62. Edison Electric Institute, Madison WI, July 2015
63. Law Seminars, Las Vegas NV, March 2015
64. Great Plains Institute, St. Paul MN, September 2014
65. Financial Research Institute, Columbia MO, September 2014
66. Edison Electric Institute, Madison WI, July 2014
67. EUCL, Chicago IL April 2014 [Conference chair]
68. National Regulatory Research Institute, Teleseminar, August 2013
