

Wells Saving Smiles Membership Plan

Simple. Affordable. Preventive-focused dental care.

At **Wells Dental**, we believe high-quality dental care should be accessible, transparent, and centered on prevention. The **Wells Saving Smiles Membership Plan** is designed for patients without insurance who want predictable costs and fair pricing—without deductibles, waiting periods, or claim denials.

Annual Payment (Best Value): \$360/year

- Lowest overall cost
- No monthly billing
- Locks in preventive care for the full year

Monthly Payment Option: \$35/month

- Total yearly cost: **\$420**
 - Offered for flexibility
 - Annual payment saves **\$45**
-

What Your Membership Includes

Membership Benefits

- ✓ 2 Cleanings per year
 - ✓ 2 Exams
 - ✓ All necessary X-rays
 - ✓ 2 Fluoride treatments (if requested)
 - ✓ Discounts on other need treatment
-

Member Treatment Discounts

Discount Structure

- ✓ **20% off most additional treatment** as a baseline member benefit

✓ For many common procedures, fees are reduced to or near AHCCCS-level pricing, resulting in **effective savings of approximately 20–70%**, depending on the procedure

✓ Discount level varies by treatment type, complexity, materials, and clinical judgment

✓ Ask about our Discount Only plan

Discounts Commonly Apply To:

- Restorative care (fillings)
- Crowns (when clinically appropriate materials are selected)
- Extractions
- Emergency visits
- Pediatric dentistry
- Special-needs care
- Minimally invasive treatment
- Silver diamine fluoride (SDF)
- Space maintainers and preventive appliances

Some specialty services, lab-intensive cases, or third-party costs may be excluded or discounted at a lower rate.

Why This Matters

Many uninsured patients are charged full retail fees that far exceed what insurers pay. Our membership allows us to:

- Align fees more closely with **AHCCCS-level reimbursement** when appropriate
- Reduce financial barriers to necessary care
- Encourage early, preventive treatment instead of emergency dentistry
- Provide honest pricing without insurance bureaucracy
