

The Darien Nature Center is located in the heart of Darien's Cherry Lawn Park. We inspire passion and respect for the natural world through nature education, hands-on experiences with nature, and environmental action and stewardship. Built by generous supporters, the Nature Center is open daily to the public, who visit our 22 species of animals and hike the trails. This summer we will be running seven weeks of on-site camp sessions that will include all the usual summer fun – outdoor exploration, nature discoveries, animal encounters, games, crafts, stories, songs, water play, science experiments, and more!

Summer Camp 2026 SENIOR COUNSELOR JOB DESCRIPTION - AGE 18+

Responsibilities:

- Lead activities based on curriculum: Activities may include animal encounters, waterplay, science experiments, crafts and hiking
- Know and follow all safety protocols
- Convey love and respect for the natural world
- Be willing to get dirty, handle animals, and engage deeply in nature
- Set up and break down tents and supplies each day
- Have positive interactions with parents and staff
- Supervise and interact with children at all times
- Get to know your campers and provide a positive, supportive, and welcoming environment
- Review lesson plan and gather supplies prior to teaching the lesson
- Work as a team with your lead teacher and co-counselors
- Report any concerns to Camp Director in a timely manner

Requirements:

- Appreciation and respect towards animals and nature
- Patient, understanding and kind to young children 3 - 10 years of age
