Fall Schedule and Program Planning

The Executive Board reviewed upcoming schedules, planned absences, and program needs as CAT5 Aquatics prepares for the fall season.

The team will observe a scheduled break from **July 27 through August 9**.

The Board also reviewed operational needs associated with championship competition and the return to regular practices beginning in August.

Practice Locations

The Board discussed anticipated programming and coverage across CAT5 Aquatics practice locations.

Mosley

The Board reviewed plans for the resumption of practices following the scheduled team break.

Frank Brown

The Board discussed fall programming and training needs at Frank Brown Aquatic Center.

Gulf Coast

Gulf Coast was not expected to reopen until approximately **August 27**.

The anticipated practice time at Gulf Coast was **7:00–8:00 PM**.

The Board discussed ensuring that appropriate staffing and resources are in place before programming resumes at that location.

Coaching and Program Structure

The Executive Board reviewed the overall coaching and program structure for the upcoming season.

Discussion focused on maintaining:

- Appropriate coverage across practice locations
- Consistency for swimmers and training groups
- Clear coaching responsibilities
- Effective use of available pool space
- Stability as the team transitions into the fall schedule

Specific personnel discussions have been omitted from the public version of these minutes.

Program Operations

The Board discussed several operational considerations related to the upcoming season, including scheduling, staff responsibilities, program needs, and the coordination of training groups across multiple facilities.

Additional planning will continue as fall schedules and facility availability are finalized.

Communication with Families

The Board discussed the importance of clear and timely communication with swimmers and families regarding upcoming schedule and program changes.

Appropriate updates will be provided as plans are finalized.

Continued Priorities

The Executive Board identified several areas for continued work:

- Finalize fall practice schedules
- Ensure appropriate coverage across all training locations
- Prepare for the anticipated reopening of Gulf Coast
- Clarify program responsibilities and operational needs
- Coordinate training groups across available facilities
- Communicate finalized schedule and program information to families

Adjournment

The meeting adjourned at **7:30 PM**.
