

Welcome!

Rush Union Update

Fall is in full swing across Rush Union, and there is plenty happening across all of our locations. With practices and games underway, it's been great to see the continued energy around the club and the growth of our programs. There is still plenty of soccer to come this fall, and we're excited about what lies ahead.

You'll also see a few tournament successes highlighted in this newsletter that weren't included in our September update. Several of those events took place right at the end of August, so they fell just outside the timing of our last newsletter. It's always great to see our teams competing, representing Rush Union, and having success at tournaments across the region.

September and October also provided an important opportunity to be part of the broader conversation around the future of soccer in the United States. I attended the US Youth Soccer Annual General Meeting and Grassroots Symposium, connecting with leaders from across the country and sharing ideas around the continued growth and development of the game. I was also there for an important and historic vote by State Associations, which was a meaningful moment to be part of as the soccer landscape continues to evolve. These opportunities are valuable not only for understanding what is happening nationally, but also for bringing new ideas and perspectives back to Rush Union and continuing to find better ways to serve our players and families.

Looking ahead, registration for our winter programs is opening soon. We have a variety of opportunities planned across our locations, giving players the chance to stay active, continue developing, and get additional touches during the winter months. We encourage families to keep an eye out for registration information and find the programs that best fit their players. Please check out our website for more information: [Rush Union](https://www.rushunionsoccer.org)

Our Play it Forward program is also continuing to gain momentum. The initiative was created to help provide greater access to recreational soccer and create opportunities for more children to participate in the game. We are excited about the early impact of the program and the potential it has to reach even more families in our communities. For more information on our Play it Forward Campaign please visit this link: <https://www.rushunionsoccer.org/donate>

Our Just Ball initiative is also making a real impact. Nearly 200 players have already participated, providing an opportunity for young people to simply come together and play. There is no complicated structure — just players, a ball, and the opportunity to enjoy the game. We're excited to continue building this program and will also be participating in the Unity Cup on October 10. Programs like Just Ball are an important part of our effort to connect with local communities and schools and create more opportunities for players aged 12 and older to stay involved in soccer.

We're also looking forward to Atlanta United Night on November 1. Tickets are now available, and we hope to see a great turnout from our Rush Union families as we come together to enjoy a night of professional soccer.

Behind the scenes, preparations are well underway for our annual Rush Union Fall Cup. This year's event is shaping up to be another tremendous weekend, and we're excited to welcome teams from across the region. We're particularly looking forward to introducing recreational divisions to the event for the first time, giving our recreational players the opportunity to experience a tournament environment and celebrate the game with their teammates and families. For information on our Fall Rush Cup please visit our tournament website: [Event Details - Rush Union Cup](#)

Thank you to everyone who continues to contribute to the Rush Union community. From our coaches and referees to our administrators, volunteers, players, and families, it takes all of us to create the environment we want for our players. We're looking forward to the rest of the fall season and everything still to come.

Thank you for being part of our Rush Union family. We look forward to seeing you on the field soon.
