<b>Management Controls</b>  Refer to the hierarchy of control in procedure PCP(P)006, page 3	<ul style="list-style-type: none"> <li>• Use only in accordance with directions on the label.</li> <li>• All containers are inspected for damage or leakage on delivery.</li> <li>• Store in a cool, dry, well-ventilated area on dry racking. Product not to be stored outside of the original container unless a statutory warning label is attached. Not to be stored in any amounts and in any area other than PCP/BUs stores or service vehicles.</li> <li>• Product only to be transported in PCP/BUs vehicles fitted with bulkhead separating product from passengers and driver. If no bulkhead is in the vehicle, then the product must be kept in a leak-resistant plastic container. The product must be secured to avoid spillage.</li> <li>• Appropriate PPE must always be used when handling the product.</li> <li>• Do not smoke, eat, or drink when handling this product. Wash hands and exposed skin after use.</li> <li>• Product must be stored in the original labelled container, tightly closed in a safe place under lock and key.</li> <li>• Dispose of unwanted product and empty packaging in accordance with local regulations and PCP waste procedure / approved contractor G4G. Telephone: 03300229045 email: <a href="mailto:bookings@go4greener.co.uk">bookings@go4greener.co.uk</a> Do not re-use the container for any other purpose.</li> </ul>																																		

<b>Are the control measures adequate?</b>	Yes
<b>Is health surveillance required?</b>  (Consult your local SHEQ Advisor)	No
<b>Are there any specific emergency procedures necessary related to the use or storage of any of the substances?</b>	<p><b>Suitable extinguishing media:</b> Water spray. Dry powder. Foam. Carbon dioxide.</p> <p><b>Fire hazard:</b> In case of fire and/or explosion do not breathe fumes.</p> <p><b>Reactivity in case of fire:</b> Product is not explosive.</p> <p><b>Hazardous decomposition products in case of fire:</b> Carbon monoxide. Nitrogen oxides. Carbon dioxide. Toxic fumes may be released.</p> <p><b>Precautionary measures fire:</b> Keep container tightly closed and away from heat, sparks and flame. Keep away from combustible materials.</p> <p><b>Firefighting instructions:</b> Appropriate self-contained breathing apparatus may be required. Get the package away from the fire if this can be done without risk. Prevent firefighting water from entering the environment.</p> <p><b>Protection during firefighting:</b> Wear fire/flame resistant/retardant clothing. Do not enter fire area without proper protective equipment, including respiratory protection.</p> <p><b>Other information:</b> Do not allow material to contaminate surface water system.</p>
<b>Are there any specific requirements related to the disposal of any of the substances in use?</b>	Dispose of product in accordance with current regulations using PCP/BUs Preferred waste Contractor G4G. Telephone: 03300229045 email: <a href="mailto:bookings@go4greener.co.uk">bookings@go4greener.co.uk</a>
<b>What information, instruction and training are required for operatives using the substance or carrying out the process?</b>	<ul style="list-style-type: none"> <li>• All operatives are required to complete a Health &amp; Safety induction (including training on correct use of PPE, storage, and transport of pest control products), training, and receive instruction and assessment in the use of substance before being deemed competent to carry out the process.</li> <li>• Operatives instructed to follow CoSHH and Risk Assessment in the transport, storage, and application of substance.</li> <li>• Risk Assessment on insecticide use available on Smart Phone / SharePoint and in site folder (if applicable).</li> <li>• CoSHH Assessment for product available on Smart Phone / SharePoint and in site folder (if applicable).</li> <li>• Manufacturer's Safety Data Sheet available from: <ol style="list-style-type: none"> <li>1. Log on to PCP/BUs SharePoint System/Smart Phones</li> <li>2. Contact PCP/BUs by e-mail: <a href="mailto:pcpsheq@pestcp.com">pcpsheq@pestcp.com</a></li> <li>3. Contact supplier by telephone: <a href="tel:01384404242">01384 404242</a></li> </ol> </li> </ul>
