Do any of the substances produce a significant risk to health?

Hazard statements:

H302 Harmful if swallowed.

H332 Harmful if inhaled.

H410 Very toxic to aquatic life with long lasting effects.

H400 Very toxic to aquatic life.

Hazard class and hazard category Code Description:

Acute Tox. 4 3.1/4/Inhalation.

Acute toxicity (inhalation), Category 4.

Acute Tox. 4 3.1/4/Oral Acute toxicity (oral), category 4.

Aquatic Acute 1 4.1/A1 Acute aquatic hazard, category 1.

Aquatic Chronic 1 4.1/C1 Chronic (long term) aquatic hazard, category 1.

Precautionary statement:

P273 Avoid release to the environment.

P280 Wear protective gloves/protective clothing/eye protection/face protection. Precautionary statements -

Can any of the substances be replaced with less hazardous substances?

No

What measures are provided to control the risk?

Ventilation

General

PPE – state the type.

Tick the PPE Required:

								
Face Visor	Goggles	Safety Glasses	Safety Shoes	Overall/Uniform	Apron (coveralls)	Dust Mask	Fume/Vapour Half face Mask	Protective Gloves
