

HEALTH, SAFETY & ENVIRONMENTAL POLICY STATEMENT

Taut Solutions Limited is committed to continuously safeguarding and promoting personal health and safety, asset integrity and environmental sustainability.

To meet this objective, the company shall strive to:

- a) Comply with all regulatory, company and customer requirements relevant to health and safety;
- b) Adopt, observe and promote health, safety and environmental best practices in the day-to-day operations;
- c) Continually identify, assess, evaluate and mitigate hazards and risks to personal health and safety, asset integrity and environmental sustainability;
- d) Investigate and analyze any incidents, identify their root causes and implement effective corrective and preventive actions; and
- e) Overall, cultivate a strong culture of safety and environmental sustainability internally and externally.

Safety and protection of the environment shall remain a top priority at all times.
