These prices effective March 1st 2026, but are subject to change without notice. Life To Celebrate Funeral Solutions is committed to providing our community with thoughtful and creative service and maintaining the highest standards of ethical conduct and environmental stewardship. It is our honor to serve the families of Southern California with selections and services that speak to the sensibilities of our community.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Prior to drafting any contract for goods or services, the responsible party or decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in possession of the funeral establishment that has been signed and paid for in full or part, by, or on behalf of the decedent.

Life To Celebrate Funeral Solutions believes in the transparency of pricing and the simplicity of arranging services. The itemized prices are used to create all our service packages as well as services and merchandise that are available to your family in the arrangement process. Because we're in the profession of honoring lives lived, we aim to create customized services for your family, so if there is something you want that you don't see, please just ask.

Basic Services of the funeral director, staff, and overhead: \$695

This fee for our basic services will be added to the total cost of the funeral arrangements you select. The fee is already included in our charge for direct cremations, immediate burials, and forwarding or receiving remains. This fee includes:

- Personnel available 24 hours a day, 365 days a year to respond to the initial call.
- Arrangement conference.
- Coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased.
- Clerical assistance in the completion of various forms and permits associated with a funeral.
- Overhead, included facility maintenance, equipment and inventory costs, insurance, and administrative expenses, and governmental compliance.

Minimum Services

Minimum services are a “direct cremation” or “immediate burial.” These are reduced-cost services without a ceremony. The price ranges are the minimum services plus the cost of a casket selected from our casket price list.

Direct Cremation Services Included: \$1,255

- Initial transport of the body from an Orange County location to our licensed refrigerated holding facility in Anaheim, CA.
- Caring for the body prior to cremation.
- Preparing the death certificate.
- One (1) Disposition Burial / Cremation permit (Health Department Fee).
- California State regulatory fee.
- Coordinating with the local medical examiner / coroner if required.

About Return Home

Return Home transforms human remains into rich, fertile soil through a service called Terramation. They help gently return our deceased to the earth so that new life may be created just as nature intended. Terramation is an earth friendly natural alternative to environmentally damaging burial and cremation methods. Terramation reduces environmental contamination, nourishes the soil, preserves and restores land, and reduces relative carbon emissions. Return Home is a mission-driven company with absolute commitment to sustainability, respect, simplicity, and affordability. We exist to serve those who care about the future of our planet and seek a natural ending for themselves - a return to the earth from which they came.
