Photo Guidelines:	<div><div>1. Photo quality is very important - Image size: minimum 300dpi at A5 size</div><div>A photo of high quality gives a professional appearance in the publication and it is strongly recommended the use of a professional photographer.</div><div>If using a digital camera, set at the maximum, and the least amount of compression - no less than 6 mega pixels.</div></div>	<div><div>2. Things to consider when taking the photo:</div><div><div>a) Check the background, lighting, shadows, etc</div><div>b) Position of the horse with the near side facing the photographer</div><div>c) Ensure the entire horse is in the picture (hooves, ears, tail are included plus allow extra background (can be cropped if necessary)</div></div></div>
