MY FINANCIAL
EXPERT®

Get help achieving financial wellness sooner with unique insights

Our Elite benefits plan features Digital Financial Manager—providing you tools to help manage your finances and credit profile in a single experience.

Digital Financial Manager

360° financial views

Link all your accounts to stay on top of your daily spending with recommended budgets powered by AI and machine learning of past transactional behavior.

Exclusive credit insights

50+ unique recommendations to help achieve financial goals sooner including activity, spending, budgeting, and VantageScore®* improvements.

Features to help you with:

Budgeting

Spending

Cash flow

Net worth

*Calculated on the VantageScore 3.0 model. Your VantageScore 3.0 from Experian® indicates your credit risk level and is not used by all lenders, your lender may use a score that's different from your VantageScore 3.0. [Click here to learn more.](#)

Identity protection for the whole family

As identity theft continues to increase, an evolving suite of identity products helps you monitor any potential threats to your identity and alerts you if there are any areas of concern. You will also have access to proactive digital privacy tools that can help you keep passwords and other personal information private and secure while surfing the web.

An evolving suite of identity products to help you guard against the rising threat of fraud.

Identity Restoration

Help getting back on track with support from an expert restoration agent that will walk you through the process of reclaiming what's rightfully yours.

Over 30%

of U.S. consumers ages 18-44 **reported experiencing identity theft in 2022**

— U.S. Identity Theft: Adapting and Evolving, Ait-Novarica Group, July 2022

Dark Web Monitoring

If we detect any threats on the thousands of websites and millions of data points we scan, we'll alert you so you can keep your family's personal information safe.

Experian® CreditLock

Block fraudsters from using your information to get new credit and act quickly to help prevent identity theft. Unlock it when you want to apply for credit.

Data Broker Removal

Automatically reclaim exposed personal information from dangerous people finder sites to reduce your risk of identity theft and potential fraud.

Secure VPN

Helps to prevent people and companies from seeing and collecting your data.

Password Manager

Safely store and protect your logins and payment information in one place.

Safe Browser

Get alerted of unsafe websites, block ads and help prevent tracking of your data.
