Tuesday 27th MNHN tells itself

h. 18,00 – 18,30: Kalinga and the early peopling of the Philippines - Thomas Ingicco

h. 18,30 – 19,00: The Earlier Stone Age prehistoric sites of Benguela, Angola – Isis Mesfin

h. 19,00 – 19,30: Franco-Brazilian Archaeological Program on prehistoric human settlements of South Brazil – Antoine Lourdeau

Wednesday 28th IPT tells itself

h. 18,00 – 18,30: Gruta do Escoural and First Art project – Sara Garcês

h. 18,30 – 19,00: Prehistory of Médio Tejo and Turarq project – Hugo Gomes

h. 19,00 – 19,30: Abrigo da Buraca da Moira and EcoPlis project – Telmo Pereira

Thursday 29th URV tells itself

h. 16,00 – 16,30: Evolution of Early and Middle Pleistocene human settlement in Eastern Morocco - Robert Sala Ramos

h. 16,30 – 17,00: "SCAVENGERS: human-carnivore interactions during Pleistocene - Jordi Rosell/Ruth Blasco

h. 17,00 – 17,30: Abric Romani: Middle Paleolithic site and the Neanderthal behavior - M. Gema Chacón

EXAM: The exact date of the exam will be communicated at the end of the course. The exam will be scheduled after Isernia's workshop. It will be a written exam; students will have to answer multiple-choice questions about topics discussed during the 4 days of conferences.

March 3th-8th

IN PRESENCE – CERP ISERNIA – PRACTICAL WORK

Objective – organisation of a mini-congress on “**Applied methodologies for Quaternary's studies**” managed and organized by the students (practical organization, presentation, ecc). The students (divided in groups) will have to prepare and present a communication during the congress.

Sunday March 3th

Arrival of the participants

h. 20,30 – Dinner & welcome party

Monday March 4th

h. 09,00 – 10,00: Gabriele Berruti, Sara Daffara, David Pleurdeau, Trishia Falconit – LESSON: Experimental approach to functional analysis.

ipt
Instituto
Politécnico
de Tomar

h. 10,00 – 12,30: *Gabriele Berruti, Sara Daffara, David Pleurdeau, Trishia Palconit* – LAB: **Experimental approach to functional analysis.**

h. 12,30 – 14,00: Lunch

h. 14,00 – 16,00: *Julie Arnaud, Marta Arzarello, Dominique Grimaud-Hervé* – LAB: **Photogrammetry for cultural heritage, from objects to landscapes.**

h. 16,00 – 17,30: work on the congress organization (supervised by the prof.)

h. 18,00 – 19,00: CONFERENCE – open to the public – *Robert Sala Ramos* - The Early Pleistocene of Iberian Peninsula: the Orce and Atapuerca archaeological sites.

Tuesday March 5th

h. 09,00 – 10,30: *Anne Marie Sémah, Chafika Falguères* – LESSON: **Archaeobotany and Prehistory**

h. 10,45 -12,30: *Hugo Gomes* – LAB: **Experimental archaeology and rock art archaeometric studies?**

h. 12,30 – 14,00: Lunch

h. 14,00 – 16,00: *Carlo Peretto, Annarosa Dinucci* - **Visit to the Isernia la Pineta site and the Museum**

h. 17,00 – 18,30: work on the congress organization (supervised by the prof.)

h. 18,00 – 19,00: CONFERENCE – open to the public – *Carlo Peretto* – Isernia La Pineta: ieri, oggi... ed oltre.

Wednesday March 6th

h. 09,00 – 12,30 *Marco Revelli, Léo Consonni, Paul Labroue, François Sémah, David Pleurdeau* – LAB: **Heritaware: a serious game for cultural heritage**

h. 12,30 – 14,00: Lunch

h. 14,00 – 15,30: *Carlos Lorenzo* – LESSON: New methodologies applied to Paleoanthropology

h. 15,30 – 17,30: work on the congress organization (supervised by the prof.)

h. 18,00: *Rinfresco culturale*

Thursday March 7th

h. 09,00 – 12,30 Congress

h. 12,30 – 14,00: Lunch

h. 14,00 – 16,00 Congress

h. 16,30 – 18,00 Feedback and closing remarks

Friday March 8th

Departure of participants

EVALUATION: the students will be evaluated based on their involvement in the congress organization and on the preparation/presentation of their communications.

PRACTICAL INFORMATION - ISERNIA

ARRIVAL: You can **reach Isernia** by car or by train. If you arrive by train, we will come to pick you up at Isernia train station. Please communicate by email to the organizers (Marta & Julie) your exact arrival time in Isernia at least the day before.

ACCOMMODATION: You will be **hosted at the CERP** from Sunday (arrival) to Friday (departure), please bring sleeping bags and blanket sheets and the necessary for the bathroom.

LUNCH & DINNER: we will go **grocery shopping** to prepare lunches and dinners which we will cook all together in the CERP. If you wish to prepare a typical dinner, please inform us before about the ingredients you need. If you have specific needs, please let us know as soon as possible (before Friday, March 1st).

INTERNET: there is **no Wi-Fi** connection in the CERP, however, you can use your cell phone as a hot-spot (the line is good).

TEACHING LANGUAGE: all lessons will be only in **English**.

NB: the electricity plugs in Italy are different (type L), be sure to bring an adaptor.

WHAT TO BRING? Please bring furniture for drawings (pencil), your PC and your cheerfulness 😊

SEE YOU IN ISERNIA!!!!
