

Election—Jesus style! Conversation after worship: June 28, 2026

We'll listen to Bishop Shelly Bryan Wee's sermon based on John 15:16: "***You did not choose me, but I chose you and appointed you so that you might go and...***"

We'll celebrate ordinations--'elections' (that's beyond the priesthood of all believers but...).

We'll also enjoy other promises which expand—rather than contract—God's love for *all* the world. [I Peter 2:9ff and so many more]
