# All Around Jerusalem With Jesus

For this year's Lenten season our younger youth will be looking at the events of Jesus as he entered Jerusalem just before Passover. We will be making a model of Jerusalem to help us better understand how it happened. As we travel through the city of Jerusalem with Jesus, we will be adding people to the places where Jesus went on our model. We are asking that people join our Faith Adventures time on Wed. Feb. 25<sup>th</sup> from 3-5 PM, to help our youth assemble our model and decorate the wooden peg people that will be added to our display throughout Lent and our journey with Jesus. We will be displaying the model at church, so please watch as Jesus' story comes alive for our youth.

You can pick up your copy of the printed directory in the Narthex on the stand at the base of the steps leading to the Sanctuary
