Lutheran World Relief Personal Care Kit Project

During Lent the youth and congregation will be creating Personal Care Kits for Lutheran World Relief. Each week during Lent we will be collecting one of the five items needed to make up a health kit. If you are able to bring an item each week this would help us in creating as many health kits as possible and give hope to people in need. There will be baskets in the back of the sanctuary where you can put the items. On Wednesday, April 1st the youth will be putting the health kits together and doing a special prayer service before we send them off.

All Around Jerusalem With Jesus

For this year's Lenten season our younger youth will be looking at the events of Jesus as he entered Jerusalem just before Passover. We will be making a model of Jerusalem to help us better understand how it happened. As we travel through the city of Jerusalem with Jesus, we will be adding people to the places where Jesus went on our model. We are asking that people join our Faith Adventures time on Wed. Feb. 25th from 3-5 PM, to help our youth assemble our model and decorate the wooden peg people that will be added to our display throughout Lent and our journey with Jesus. We will be displaying the model at church, so please watch as Jesus' story comes alive for our youth.
