The Road Less Traveled

I took 90-94 last Friday afternoon to visit friends in Madison; I was drawn tight into my lane, white-knuckling the steering wheel, and doing my best to keep it under 80 mph.

I searched for a different route home on Sunday – one where I wasn't rushed while replaying the events of the weekend and could recognize the beauty of the things along the way: like glimpsing the "rough road ahead" sign in my rearview mirror, and finally catching on to my parents' fondness for every-Sunday-afternoon drives.

While I missed being at church, the slow ride home helped me rediscover how grateful I am that at Immanuel we have this graceful way of pulling alongside and meeting each other where we are—with a sincere hug, a gentle squeeze of the hand or a kind nod—on our way to communion.

VBS Operation Kid-to-Kid Mission Project

Our offering this year went to World Vision. The mission project is to help provide fruit tree saplings to families in Central America. Nine dollars provides a family with a fruit tree sapling and support for caring for the trees. We collected \$1,395, enough money to give 155 fruit tree saplings to families. This year we had an anonymous donor match our funds up to \$500. We matched this amount! Great job everyone!!
