

# IMMANUEL

Broken & Loved, Saved by Jesus, Freed to Live

When we see a problem that needs to be fixed, it is easy for us to think we know the answer. Depending on the problem at hand, though, the solution can be far more complex. Jesus in Luke 13, choosing to heal on the Sabbath, addresses the problem at hand in the only way he can: breaking conventions. It is the Sabbath!

Followers of the Jewish faith tradition are supposed to keep it holy! The leaders of the synagogue think they have the solution: wait a day. Jesus doesn't wait. Jesus challenges and expands on the entire idea of the Sabbath. May we consider problems, challenges, and worries we face as individuals and as a congregation with this perspective.
