Immanuel's Backpack Ministry

Our backpack ministry isn't readily visible. Yet every school week, volunteers assemble a package of weekend food - a couple of meals, fruit, snacks, and treats - for any child whose family signs up. It isn't dependent upon need! Anyone can sign up! and this removes any stigma that might interfere with a child's ability to quietly pick up a sack of nourishment at school on Friday, and stuff it into their backpack.

This ministry is connected with our Immanuel Food Bank, and it's been going on for about 13 years. If there's something volunteers can't get from Feed My People, the food bank can get it. Usually the pack weighs 3.5 - 4# - more on long weekends.

When members and friends are asked what is important about us, community care and presence pops up all the time. Our church is alive in the heart of this community! By being "church" together, we get to share in ministries that bless people in real, touchable (and tastable) ways. What a gift.

Next "Immanuel Discussion Session"

Sunday Oct 11, 2026

After 9 AM church service - downstairs in the fellowship area

As part of transition team efforts to help capture history, dreams, and hopes of Immanuel as we go forward to seek new pastoral leadership, we are gathering in small groups. We have held two discussion sessions so far and we've had a wonderful time getting to know each other a little better. Our next opportunity will be on Sunday October 11, right after church, in hopes that it will be convenient for more people. Contribute to the conversation as much or as little as you want to. Expect food, coffee and great conversation. Hope to see you there!

(Vikes don't play until noon, Bears/Packers not until 3:25)
