Grace Notes

"Dearly Beloved!"

How are we the "dearly Beloved" for our Sunday service? We have the gifts of music and hymns, and the gift of hearing powerful scripture that's endured across many generations, often with candles lit and colorful banners in the sanctuary. For us Lutherans, time to listen to the proclamation from our minister of the Word who has lived with particular scripture through the week when many of us were busy trying to care-fully manage our lives and our families. Our breathing might slow down and our minds see a new view, as prayers and the offering invite us to be nourished in Holy Communion, being the Body of Christ.

Dearly Beloved indeed! Blessed for whatever will meet us as we leave our sanctuary and enter the world that seems never to stop. Named like the babies baptized last Sunday, we are Jesus' Beloved friends, called to care for God's so loved world!

Next "Immanuel Discussion Session"

Sunday Oct 11, 2026

After 9 AM church service - downstairs in the fellowship area

As part of transition team efforts to help capture history, dreams, and hopes of Immanuel as we go forward to seek new pastoral leadership, we are gathering in small groups. We have held two discussion sessions so far and we've had a wonderful time getting to know each other a little better. Our next opportunity will be on Sunday October 11, right after church, in hopes that it will be convenient for more people. Contribute to the conversation as much or as little as you want to. Expect food, coffee and great conversation. Hope to see you there!

(Vikes don't play until noon, Bears/Packers not until 3:25)
