Grace Notes

Community & Communion

Sunday October 18th was the Affirmation of Baptism for the confirmands from Immanuel and Sabylund Lutheran churches. Our churches have combined confirmation instruction at Immanuel each Wednesday, along with the Faith Adventures program for younger kids.

There were 7 teenagers confirmed at this service. Pastor Paul from Sabylund led the service and recognized the confirmation guides from both churches and Angie Vetsch from Immanuel for their contributions to the Christian education of these beloved children. The church was full of families who took time out of a beautiful fall Sunday afternoon to be part of this event; showing their love and commitment. It was inspiring.

Also on Sunday, after the 9 am service, Immanuel held an event to discuss together in small groups, thoughts and dreams about our church family and future pastoral leadership. There was a good turnout enjoying great food and warm conversation. The group that I sat with discussed how to engage more young people in our congregation. This is a common concern among Lutheran parishes, especially in small towns and I'm sure many of the small groups had similar discussions.

I'd like to encourage us to give thanks for and build on what we already have as we look toward the future with Good Courage.
