Grace Notes

"To Everything There is a Season"

This week Daylight Savings Time ended. Lots of our summer bird friends have flown away to warmer climates and the colored leaves we've been enjoying are flying away too, leaving a very different landscape.
Birds that stay here (and squirrels) are feathering and fixing their nests to make them cozy sanctuaries for the winter.
We at Immanuel have the gift and responsibility of our Parish House.
A long standing tradition in rural areas has been to designate"Storm Homes" where school children can go if a winter storm prevents them from getting out to their farm homes.
Our hope and prayer for this house is that it will be a "storm home" of hospitality...a restingplace for a pastor and/or guest speaker and a place for classes and small groups to meet.
Thank you to Steve & Annette Pomahatch and a crew of helpers for the wonderful structural and remodeling changes they have made there and for the much needed new windows.
As Helen Keller said "alone we can do so little. Together we can do so much".
If you want to be a part of this ministry you are most welcome to join the Gratitude, Stewardship and Outreach Committee.
Onward we go together.....with God's Gracious love.
