RULES

Play as drawn. Start of each leg to be by throwing for 'nearest the bull'. In the first leg the toss of a coin to decide who throws for the bull first (see note below), with the following six legs throwing alternately for bull first. You are advised to play all seven legs, as trophies are available for highest finish. Games to start at 8:45pm.
ALL other League Rules apply.

If, when throwing for the bull, the dart of the person throwing bounces out, then another dart may be thrown until one remains in the board. If on the other hand, the person throwing knocks their opponents' dart out of the board, then that person who has just thrown will win providing their dart remains in the board. If both darts are knocked out, then both players must throw again in the same order.
