MEET YOUR COACH

Michelle Cross

Michelle is a certified career coach, certified MBTI® practitioner, and woman veteran dedicated to helping individuals navigate career transitions, professional growth, and new opportunities with clarity and purpose. Drawing on her business education, professional experience, coaching training, and military background, Michelle brings a practical, personalized approach to every client relationship.

Her goal is simple: to help you find your direction, create a plan, and move forward with confidence. She'll bring the map, the compass, and a healthy sense of humor. You just need to be ready for the journey.

Expertise | Certifications | Past Performance

U.S. Army Veteran | NBC/ CBRN Spc. | B.S. in Business | Entrepreneurship & Small Business Management Certificate | MBTI® Certified Practitioner | MJSC-Certified Career Coach

Michelle brings military experience, higher education administration, veteran benefits expertise, and professional career coaching to help individuals navigate career transitions, strengthen their professional positioning, and pursue meaningful employment opportunities. Her experience includes supporting veterans, young adults entering the workforce, and experienced professionals exploring their next career chapter.

Through Career Solutions by Michelle, LLC, she provides personalized career

development services to veterans and civilian populations alike, helping clients identify their strengths, build career strategies, and move forward with purpose.

Services

- **Veteran Career Transition:** Leveraging military experience for civilian success.
- **Career Counseling:** Personalized guidance for all career stages.
- **Resume and Cover Letter Optimization:** Crafting compelling application materials.
- **Interview Preparation:** Building confidence and honing essential skills.
- **College and Career Path Exploration:** Discovering your ideal academic and professional journey.
- **MBTI® Assessments:** Unlocking self-awareness for career alignment.

We are dedicated to helping you achieve your professional goals with clarity and confidence.
