ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

Acknowledgements

In 2012, we entered into the third year of our partnership with the Graphic Communications class at South Central College in North Mankato, MN. Led by instructor Gale Bigbee, the 2012 ISC Guide project gives students the opportunity to collect real-world experience, especially with the design competition for the cover. Again this year we received several outstanding submissions, making our job very difficult to choose the cover, but we ultimately went with the version you see designed by Amanda Mundt. From all of us in the ISC, our sincerest thanks to Gale and her hard-working class for their efforts on our behalf!

This year we welcome back Bob Otto as a contributor to the ISC Guide. Bob wrote the championship article featuring Don Scott on page 12.

We also want to take the opportunity to acknowledge the work of statisticians Gary Baughman and Hank DeWild. Gary, for ISC, and Hank, for ISC II, prepare all of the linescores in these pages, as well as the records sections. In addition, Gary maintains the running list of ISC All World players.

As always, we thank the photographers who brighten the ISC Guide with their work and capture all of those special moments. This year we feature photos by Maddy Flanagan and Jamie Grems Clark with additional photography provided by Magic Photos.

Lastly, it is with great sadness that we bid farewell to Ken Hackmeister, who retires after 12 years as ISC Executive Director. Ken has been intimately involved in the production of the Guide, among his many, many other duties, and we will miss his guidance and wisdom, but most of all his friendship.

About The Cover

Ben Enoka was named MVP of the 2011 ISC World Tournament, leading the Jarvis Travelers to a second consecutive ISC Championship.

Don Scott was the winner of the Most Outstanding Pitcher Award in 2011, running the table with a perfect 6-0 record for Jarvis.

Kris Waverick, of the Bakersfield Silverhawks, tied for the RBI lead with nine.

Thank you, Quad Cities

Our return to the Quad Cities in 2011 was a resounding success as Lynn Hunt, Amie Stahler and their team at the Quad Cities Convention and Visitors Bureau rolled out the red carpet for the teams, players and fans of the ISC.

Starting with a wonderful Hall of Fame breakfast on Sunday morning to hosting more than 150 games with it all coming down to a nail-biting conclusion on Saturday evening, the 2011 ISC World Tournament was one to remember.

Lynn and team took to heart many of the suggestions they were provided after their inaugural turn as tournament host back in 2009 and made significant improvements in several areas.

- Keeping all of the games at one facility rather than utilizing two
- Vastly improved food and beverage services in the central building
- Creating a food and souvenir midway that was very popular with fans and players

The weather cooperated in 2011 as well. Rather than the biblical storms of 2009 that brought several inches of rain and required many hours of overtime by the grounds crew to get and keep the fields in playing condition, we had plenty of sunshine and blue skies and a tournament that was on schedule all week.

Congratulations to Lynn, Amie and team on a job very well done. We look forward to the ISC World Tournament returning to the Quad Cities in 2013 and seeing even more improvements!

Go-to guy leads Jarvis Travelers to ISC World Tournament Title

Don Scott went from supporting pitcher to the “go-to guy” in the 2011 ISC World Tournament.

By Bob Otto
East Moline, Illinois

Being counted on as the “go-to guy,” the pitcher who carries his team to an ISC World Tournament championship hasn’t appeared on Don Scott’s pitching resume.

For the past five world tournaments, Scott has found himself in a supporting role, backing up the likes of Todd Martin and Adam Folkard – two of the greatest pitchers in ISC history.

Scott gives no argument that Martin and Folkard deserve top billing. Trailing those two on the depth chart is certainly no embarrassment. And besides, teaming up with Martin and the Kitchener Rivershark Twins, got him two championship rings in 2008 and 2009.

Oh sure, he’s gotten some work: In 2006 he was 1-1 with 20 innings; in ’07, 1-0 with 8 innings; in ’08, 1-0 in 5 innings; and 2-1 with 13 innings in ’09. You get the picture. Scott wasn’t exactly carrying a big workload.

Until this year when he signed with the Jarvis Travelers.

Initially, Scott found himself in a familiar role supporting Folkard, the 2010 World Tournament Outstanding Pitcher who led the Travelers to the title.

However, a few weeks before the start of the 2011 World Tournament, Folkard was sidelined with a shoulder injury. Scott stepped in and performed brilliantly. The right-hander with an explosive rise ball pitched Jarvis to the championship.

Scott, who had never been named to an ISC All-World team, was selected as the LeRoy Zimmerman Outstanding Pitcher for his 6-0 record, 34 innings, 52 strikeouts and 1.65 ERA.

Jarvis manager Steve Kooser was undoubtedly pleased with Scott’s performance over the seven-day tournament that ran from Aug. 14 to 20 in the Quad Cities of Iowa and Illinois.

“He did a great job,” Kooser said. “We couldn’t have done it without him. He was a warrior.”

In the championship game, Scott turned in a gutsy performance in a 5-4 win over the Chicago/NY Gremlins of New York City. Winning a World Tournament championship game was also a milestone for the right-hander, who finished by allowing eight hits and striking out nine.

Scott was all smiles during the post-game awards ceremony. His teammates embraced him, slapped his back and shook his hand.

“There was a lot of congratulations,” Scott said. “They told me that I finally got the recognition I deserved.”

“He carried the team,” said Freddy Terkelsen, who was 2 for 3 in the title game with a two-run double and scored the winning run. “He did an amazing job.”

During the awards ceremony, Scott was presented his Outstanding Pitcher award.

“This is hard to describe,” said Scott, from Sebringville, Ontario. “It’s something I’ve never been involved in, but it’s one of the best feelings I’ve ever had.”

Scott said that with Folkard hurt, he figured his innings would increase.

“I knew when Adam went down, I would pretty much have the ball the majority of the time,” he said. “I liked the responsibility of having the ball and taking over more.”

But let’s back up a bit – back to the 2010 World Tournament. There’s a bit of *déjà vu* and an interesting twist to this tale.

Don Scott, Jarvis Travelers

2011 ISC World Champions Jarvis Travelers

continued from previous page

Last year, a similar scenario played out. Scott, then with the Twins, was thrust into the No. 1 role when an injury sidelined Martin.

"Basically, I was the second pitcher behind (Martin)," Scott said. "When he got hurt, I had to take over more."

Scott stepped in, won two ball games, and finished with a 2-1 record with 22 innings under his belt. But he lost a disappointing 4-1 decision in the title game to these same Travelers he joined this season.

"I was on the losing end last year and I'll tell you, this feels a whole lot better," Scott said, adding that pitching for the Travelers – the ISC's No. 1 ranked team has its benefits.

"You can give up a couple of runs and not have to worry about it," he said. "You know you don't have to shut everybody out."

However, it got dicey in the fourth inning of the championship game. The Travelers seemed to have the game in control, leading 5-0. But the Gremlins jumped on Scott for two runs and were threatening for more.

Kooser called time out. He walked out to the circle for a chat. Was Scott expecting the hook? After all, Andrew Phibbs was warming up in a serious manner.

"They would have had to drag me off the diamond," Scott said. "I don't know if I would have left. I would have tried to talk him out of it. Steve told me, 'Relax, we still have the lead, we're still good.'" Then Kooser showed his confidence in Scott by leaving and letting him pitch his way out of trouble.

"They got a bit of momentum," Scott said. "It was mostly mentally refocusing and hitting my spots. I had confidence in my players that we would get out of it and come out on top."

Chicago/NY did score twice more in the sixth, but Scott finished off a strong seventh with two strikeouts to nail down the win.

The Twins folded after the 2010 season, the reason Jarvis signed Scott – possibly the most fortuitous acquisition in the history of the franchise. It turned out to be great timing for Scott as well.

"These are all-world caliber players," he said of Jarvis. "They are the best from New Zealand, Australia, Canada and Denmark. Being on the best team, you expect to be there (in the championship game) at the end."

The end.

Scott's been thinking about that of late. At age 37, he figures he's got one or two years left. He started pitching as a six-year-old, wanting to be just like his older brother Rob. It's been a rewarding 32-year career, but one he feels is nearing the finish line.

"I'm hoping for another year or two, then retire," he said. "It's been a long run."

However, there's one possibility that would definitely prolong that run: a spot on Team Canada in the 2013 International Softball Federation (ISF) World Championship in New Zealand.

"That would be a deciding factor," Scott said. "Putting on the Canadian uniform instills a lot of pride. That would be something pretty special for me."

An ISC World Championship. An ISC Outstanding Pitcher award. And possibly a spot on Team Canada, competing for an ISF World Championship. All so well deserved for the supporting pitcher who became the "go-to guy."

SCC Tribute Page

This is the third year the Graphic Communications students and faculty at South Central College in North Mankato, MN, performed the page layout of the 2012 ISC Guide. Students enrolled in the Graphic Communications program perform design and layout of projects as well as producing a final finished product. The merging of layout and design, and production enhances the learning of the students so they experience the production issues that arise from their layouts. This guide is just one of the projects that students gain real-world experience in the production of publications. All of us at SCC hope you enjoy the 2012 International Softball Congress Guide.

THE PINNACLE OF PERFORMANCE

REDEFINING SPORTS PROTECTION

Vented micro-mesh finger slots add flexibility and breathability.

A.I.C. protection on the outside of the hand & wrist provides additional protection for the vulnerable small bones not protected by any other glove.

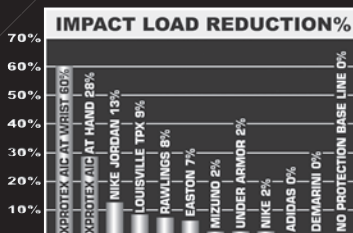

Power mesh laminated to neo-rubber knuckle and thumb protection.

Perforated Cabretta leather & Pittards quartz digital leather palm.

XProTeX Raykr. Specifically designed pair for either right or left handed batters.

Used & endorsed by 100+ Professional Softball & MLB Players.

XPROTEX®

Cal St University testing shows the impact load at the wrist generated by a direct hit from a 100 MPH ball is reduced to the equivalent of being struck with a 40 MPH ball.

Carrol Forbes Foundation Scholarship Award Winner

Zach Lach, of South Lyon, MI, is the 2011 Carrol Forbes Foundation Scholarship Award Winner, receiving \$500 in funding towards his education at Western Michigan University where he is studying special education.

A participant in the ISC youth league in Michigan, Zach pitched with Up to Date Log Homes (Frankenmuth, MI) in 2011, and also played in the ISC U19 Youth Tournament in 2009 and 2010 with Richville, MI.

After completing his degree, Zach's plan is to teach special education while being a coach at the high school level and has dreams of being a head softball coach at a university. "Softball has had a big impact on my life. Being around softball makes me happy. I haven't worked on anything harder in my life than softball. I want to be able to share that kind of passion with future players of the game."

*2011 Carrol Forbes Foundation Scholarship Award
Winner Zach Lach*

Now 19, Zach has played in the ISC U19 Youth Tournament since he was 15. "In 2009, I was also a part of the ISC Special Olympics game in Quad Cities and that game made me start thinking about going into the field of special education," he says. And, expect to see Zach helping to organize the ISC Special Olympics game in 2012 when the ISC returns to Midland.

The ISC congratulates Zach Lach on his CFF Award. Good luck in your studies and your future in the game!

2012 HALL OF FAME INDUCTEES AMONG BEST EVER

By John Thompson

PAUL ALGAR, Lexington IL

Originally from New Zealand, Paul Algar made his ISC debut in 1982 as a 17-year-old pitcher with Hubbard Construction and carved a sterling career spanning 25 ISC World Tournaments. Paul was named ISC All-World on five occasions, four as a member of The Farm Tavern, as he led his teammates to two world championships in 1997 and 1999. Paul is among the top 10 in all-time ISC wins with 38. He has pitched five no-hitters including a pair of perfect games in 1999 and 2003.

TODD BUDKE, Lancaster CA

Todd Budke made a successful transition from baseball to fastball in California after growing up in Iowa. His first taste of ISC competition was in 1994 as a member of the Long Beach Painters. Following a one-year stint with Heflin Builders in 1999, Todd joined Rod Peterson's Farm

Tavern in 2000, where he became a fixture for seven seasons. Todd was selected ISC All-World five times and captained Team USA to a gold medal in the 2002 Pan-Am games qualifying tournament in Guatemala.

SHAWN RYCHCIK, North Andover, MA

Shawn Rychcik was first introduced to fastball in 1985 in Salamanca NY as a 16-year-old and joined New Martinsville for his ISC debut in 1989. In the ensuing 18 consecutive seasons of ISC competition, Shawn was named ISC All-World 10 times, equally at home patrolling the outfield as well as providing defensive efficiency in the infield. His two-way proficiencies helped lead his teams to five ISC World Championships with titles in Green Bay, Tampa, Decatur and his last two in back-to-back seasons with County Materials in 2005-06. Among Shawn's

achievements are 21 career home runs, tied for 4th in ISC history.

ADAM SMITH, Hagersville, ON

Starting in 1987, Adam Smith provided solid defensive skills while waggling a lethal bat that resulted in his playing 109 ISC games and being recognized as an ISC All-World player on five occasions between 1994 and 2003. In 1995, he was the RBI leader with 11, and was the tournament's leading hitter in 2001, batting .583. During his career, teams that benefitted from Adam's two-way prowess finished in the top three eight times, including World Championships in 1993 and 1995 with the renowned Toronto Gators.

ADMINISTRATOR

DICK MASON, Littleton CO – Past President

Dick Mason started playing fastball in the early 1970s, which led to an outstanding career as a coach, manager and administrator in men's and boys' teams and programs. In the mid 1990's, Dick assisted in coaching the U.S.A. Olympic Festival gold medal team, and followed with assistance to the 1996 U19 and 1998 Men's

selection camps. In 1996, Dick was appointed as ISC Commissioner for the Colorado/Kansas area, advanced to the executive role of Treasurer in 1999 and was elected President of the ISC in 2001, a position he held for six years.

RECOGNITION OF SERVICE

BOB WELBY MEMORIAL AWARD

JOHN MILLER, Green Bay WI - Sponsor

Wisconsin loves John Miller. More specifically Wisconsin fastball teams, players and fans really love John Miller. His resources, generosity and passion for the sport have made indelible marks on cheese state teams for close to half a century, including the Denmark Dukes, Denmark Circle Tap, and the myriad of "Bar" teams. The Carroll Forbes Foundation, established in 1995 in memory of ISC Founder Carroll Forbes (1909-1982) will commence providing funding in 2006 for youth development programs to "invest in the future" of this great sport of fastball.

FUNDING AVAILABLE—In August, 2005, the ISC Board of Directors supported a recommendation from the CFF Committee that for the immediate future, half of the annual earned income will be available the following year, to fund various projects designated for youth development. Eligible programs include local clinics fostering the aims and objectives of fastball for youth, the inaugural ISC Scholarship Program, and other projects that fall within the criteria. Eligible applicants include all organizations that are affiliated with or have a relationship with the ISC.

The CFF will annually award one (1) \$500 college scholarship. High School seniors may apply but these recipients will not receive their funding until the student has successfully completed one semester of college.

For application form, please contact Charlie Smith, CFF Chair or John Thompson, CFF Co-coordinator (addresses below). Applications accepted January-June, or until available funding is depleted.

ISC Quilt Raffle-Benefits Special Olympics

The above quilt sample is similar to the two to be raffled in Midland at the ISC World Tournament.

ISC Treasurer Charlie Smith gathers various fastball T-shirts during the year, and his daughter Susan makes them into these type quilts. The ISC wives group then arranges for raffle tickets to be sold during the tournament. All proceeds from the quilt raffle will be given to the Quad Cities Special Olympics organization to assist funding their activities. Our thanks to Charlie, Susan and the ISC wives for their part in this very worthwhile project.

Two ex-El Paso Ducks players want to wish great success to the International Softball Congress in 2012.

You may see us at one of your tournaments because we really like to watch fastpitch softball.

2011 Special Olympics/ISC Game

Tuesday, August 23, 2011 - Moline, IL

By Kyle Beane

For the fourth year in a row, the ISC hosted a group of local Special Olympics softball players in an exhibition game, and I would like to take this opportunity to say how proud I am of my ISC peers for their continued support and involvement. The generosity and effort that has been shown to this event is a testament to the types of people that are part of the sport.

All of us who have been part of the game in the past know that the outcome isn't that important at all, but rather the sharing of a common love of our sport, regardless of ability. A chance to bring the game down to its simple details: playing catch with your friends, hitting a ball, trying your hardest, having fun, meeting new people. These are the things that I hope everyone who participates, and those who haven't yet, see in this game.

Each year, something new is added to the experience for the Special Olympics participants – this year it was a group photo that was given to each player that was paid for by donations from within the ISC family. The Special Olympics team members each received a new jersey, compliments of the ISC Umpires, and a new hat, courtesy of the Maccabi USA team. And as happens every year, many teams and players stepped up to donate a team hat, t-shirt, or other souvenir that was given to the players at the end of the game.

For all the items that the Special Olympics players receive, none are as important as the game itself. Without the ISC players who take time out of their schedule to play in this game, it wouldn't make near the impact on the Special Olympics players as it does. Some of the players have been part of the game each year, and some were brand new in 2011, but I know they'll be back for future games. This year, the following teams were represented at the game: Mitchell Mets, Quad City Sox, Chicago/NY Gremlins, Wellington Sox, Pueblo Bandits, Pennsylvania Power, Midland Explorers, Toronto Gators and California A's. Of course, the ISC Umpires provided tremendous support with comic relief, liberal interpretation of the rules, and a great sense of humor and involvement.

Even though he was pulled from last year's game after failing to get an out in the first inning, Chi/NY pitcher Bill Hillhouse was on the mound again this year - with similar results. "For the first time in my career, I didn't mind giving up 42 runs in a single game," quipped Billy.

Pueblo outfielder Jason Shea has been part of the game since 2008. This year, he brought along a new teammate, which is a great way to get others involved. "The game is something I look forward to during the week of the ISC. The best part is to see the smiles and laughter on the faces of the Special Olympic players. They remind us that it is still a game you play for fun!"

Let's make the 2012 Special Olympics/ISC game the biggest and best yet!

Carrol Forbes Memorial World Champion Trophy

For over 30 years, the ISC awarded its annual World Champion team with a 6' tall trophy.

For a variety of reasons, a 6' trophy is no longer practical and presents a significant challenge to transport it from the World Tournament site to the winning team's hometown. It is also a trophy style popular in the 70s but no longer preferred.

In 2006, in Kitchener, the ISC World Champions were presented with the pictured trophy which was genuinely endorsed by the champion County Materials team.

The ISC feels this new style trophy provides a look of quality and distinction, reflective of the prestige of being ISC World Champs.

In addition to the new style, the trophy includes the names of all prior ISC World Champion teams from 1947 to the present.

Trophies for the runner-up, 3rd and 4th place teams were changed to a more compact yet prestigious and quality design.

The ISC extends thanks to Rick Bellefeuille of Twin City Trophies in Waterloo, ON, for his work in having the new trophies designed and manufactured. We are assured of a continuation of the Carrol Forbes Memorial Championship Trophy design for future World Tournaments and hope to also continue the look of the other team trophies, regardless of our World Tournament location.

2011 ISC II TOURNAMENT OF CHAMPIONS

CHAMPIONSHIP ELIMINATION PLAYOFF

QUAD CITIES- AUGUST 14-20, 2011

Finally, for Stock Pack

By Blair Setford, ISC II Commissioner

After years of getting close in the Tournament of Champions, Ashland Stock Pack finally got to hoist the ISC II Championship trophy with a 4-0 win over Topeka Toros.

"We are, without question, proud to have been able to battle through early tournament adversity and come home with the ISC II championship," said Stock Pack sponsor, manager and first baseman Chad Honaker. "One of the best things I can say about our team is that as we entered the ISC II (portion of the) tournament, with nine players and just one pitcher, not a single player on our team gave up. It would have been very easy to not try as hard or to simply give up, but no one on our team did that, (and) it ended up being one of the best weeks any of us have had playing softball and brought our team infinitely closer."

After a rough start to the week, Stock Pack found their game against Bar of Appleton Athletics as Sean Kelly tossed a two-hit shut-out, leading them into a quarter-final match-up with the defending ISC II champion Wellington Sox. Kelly scattered five hits for a 5-3 win to ensure there would be a new ISC II winner in 2011.

In their semi-final, Ashland scored single runs in the fifth and sixth, including a home run by Honaker, to put away the Sweaburg Crush 3-1. After allowing two hits and a run in the top of the first, Kelly would settle down and give up only two Crush hits the rest of the way.

Kelly's record of 4-2 on the week, with 51 strikeouts in 42 innings pitched and a 2.00 ERA, earned him the Top Pitcher Award.

"It was tough to drop our first game and ultimately get knocked into the ISC II tournament," said Kelly. "I didn't know it at the time but my rotator cuff was torn and it was difficult to pitch. I just tried to locate the ball and rely on my defence. After preparing all year to make a run in the ISC World Tournament, we were a little disappointed to get knocked out but hopefully our strong finish in the II will lead to bigger things next year. We have a great group of guys and it was nice to come away with a trophy and beat some pretty good teams along the way."

Topeka was making their ISC debut and rode the young right arm of Zane "Panda" Siolo to the final. The 18-year-old Kiwi rang up a 3-1 record during the week including a convincing 8-2 win over Halifax Blackburn Pepperjacks in the quarter-final and a marathon 10-inning 4-3 win as Topeka slipped by Toronto Gators in their semi-final to make the ISC II championship game.

After the Toros left a pair of runners aboard in the top of the first, ISC II MVP Trevor Kelly followed up an RBI single in the bottom of the first with a two-run home run

in the third to give brother Sean some breathing room. Trevor would come around to score on a Jason Whitley RBI single in the sixth to salt things away for Ashland.

"Only playing with nine made things a lot more interesting," said Trevor Kelly. "This was a pretty good group of guys that enjoyed playing together all summer and we were able to have fun. I know that trophy means a lot to Chad so it was nice to make the most out of a tough week."

"It may have come in a different manner than how we intended a few years ago, but that certainly does not diminish the pride that we all feel today," said Honaker. "As a player on the team, the coach and the sponsor, I'm not sure I could have possibly been more proud to be a part of the Stock Pack family."

The leading hitter in the ISC II division was Toronto's Mathieu Roy, batting a very heady .632. The Gators' Donnelly Archibald was the RBI leader with an impressive 15 in eight games played.

▲ Ashland Stock Pack - 2011 ISC II Champions

Minnesota Angels, with ace Juan Potoolicchio, led the pack of former ISC II teams placing among the leaders in the World Tournament, finishing 4th. Pennsylvania Power and Pete's Blues tied for 7th and Kitchener-Waterloo Cubs finished tied for 9th.

Alvinston Indians and Shakespeare Falcons both finished in the top 16 while the Mitchell Mets and Wyevale Tribe garnered a tie for 17th.

The ISC II staff congratulates Toronto Gators DP Donnelly Archibald, who earned the Kevin Herlihy ISC Newcomer of the Year Award. Donnelly had 11 RBIs in five games in the ISC bracket and was also named to the ISC II All-Tournament team. Former ISC II players making the ISC All-World teams included Jeremy Tracy with Bakersfield Silverhawks, Josh Martin with Pennsylvania Power and Bob Gillow with KW Cubs.

INTERNATIONAL SOFTBALL CONGRESS

Progressive Fastpitch Administration

1947 - 2011

The ISC, as we know it today, began as the National Softball Congress in 1947.

HISTORICAL NOTE: The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials (NSC). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. (HOF) indicates Hall of Fame player. (**) Designates a 2nd team All-World Selection

3. No player shall be permitted to receive any award other than a trophy, charm or any other appropriate honor award in keeping with his achievement.
4. No player becoming ineligible in any region will be permitted to play with any other region holding membership in the International Softball Congress until he has been cleared by the Regional Vice President where the violation occurred.
5. No one shall be permitted to participate in the program of the ISC who has misused any funds, owes the ISC fees or has property in their possession belonging to the ISC or any of its team sponsors.

6. No player shall be eligible to participate in ISC sanctioned events if under suspension from any other national amateur softball association.
7. The ISC Executive Committee determines a given team's base of operations or home city.
8. All leagues which are granted ISC Travel League status must extend the privilege of attendance, with voice, at all meetings of that organization to the ISC-appointed Regional Commissioner or Vice President.
9. Each ISC team is required to participate in invitational (or Qualifier) tournaments in both June and July.

OFFICIAL RULES

All games played in the ISC shall be played according to the Official Softball Playing Rules published annually by the Amateur Softball Assn (ASA). ASA rule books may be obtained from any ASA commissioner or from www.softball.org.

PLAYING RULES

- All games shall start at rainout point in case of delay, regardless of time.
- Tournament rosters shall not be changed for any reason after they have been turned in at a time to be designated by the official in charge.
- Only starting players may re-enter a game.
- Any forfeit games will be recorded with a 2-0 final score.
- The ISC mercy rule is 7-run lead after 5 innings, 12 runs after 4 innings or 15 runs after 3 innings.
- The double bag (orange/white) will not be used at first base in ISC play.
- All players and coaches must be dressed in full playing uniform, including caps of like style and color, for all ISC tournament games and ISC World Tournament (and ISC II) opening ceremonies. For all ISC World Tournament games, teams are required to wear contrasting uniform tops/jerseys. - The ISC uses the International Softball Federation (ISF) certified bat list. See the list at www.internationalsoftball.com.
- Courtesy runners are not allowed in ISC play.

INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE

Pitching in all ISC competition shall be governed by the current year's Official Rules of Softball published and distributed by The Amateur Softball Association of America (ASA), the national governing body for softball, WITH THE FOLLOWING EXCEPTIONS:

Section 1. Preliminary to Delivery

- A. Before starting the delivery (pitch), the pitcher must have both feet on the ground within the 24-inch length of the pitcher's plate. The shoulders shall be in a line with first and third bases. He shall take a position with the majority of his pivot foot on top of the pitcher's plate and his non-pivot foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than 10 seconds before releasing it. If the pitcher decides to pitch with the non-pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate and remain motionless at all times prior to the forward step of the non-pivot foot.

Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect: Section 1-8 any Infraction of Section 1-8 as Revised in the Illegal Pitch.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.

- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.
3. When the ball gets too dark a second time, an illegal pitch will be called and both teams will be cautioned that the next time a ball gets too dark, the pitcher and manager will be ejected from the game.
4. When the ball gets too dark a third time, an illegal pitch will be called and both the pitcher and the manager from the offending team will be ejected.

ISC COMPETITIONS

DISCLAIMER

The International Softball Congress will not assume responsibility for personal injury to personnel or any of its members, and will not be liable for property loss in connection with its program.

HOW TO ENTER ISC COMPETITIONS

Contact your Regional Commissioner or Regional Vice President. If more information is needed, contact any officer listed in the front of this book.

TRAVEL LEAGUE

All sanctioned travel leagues must play a minimum of three rounds and/or a minimum of 14 games per team per season to qualify. A one-year grace period will be granted to any region or travel league that falls below the minimum.

QUALIFYING TOURNAMENTS

All qualifying tournaments shall be under the jurisdiction of the Regional Vice President or a Regional Commissioner and must be held within the geographical boundaries of the region. The Vice President or Regional Commissioner shall determine the site, dates, format, and entry fee. Umpires in qualifying tournaments must wear official ISC umpire shirts and caps.

In locations where the VP or Regional Commissioner is involved in any way with a team, a three-man committee shall be appointed by the Executive Director to help with the conduct of the tournament.

TEAM ROSTERS

The official team roster shall be limited to 18 players.

Players participating in the Developmental Program are also eligible to play on a World Tournament team.

Team rosters are due three times per season and sent via e-mail attachment to the appropriate ISC Statisticians. Due dates are May 1 (PRAWN declaration and preliminary season roster), July 15 (deadline for rosters to appear in championship tournament programs) and the Monday preceding the start of ISC World Tournament (final and official championship roster).

ISC WORLD TOURNAMENT / ISC II CHAMPIONSHIP

ISC World Tournament shall be under the jurisdiction of the Executive Committee of the ISC.

Any team forfeiting an ISC World Tournament or ISC II Championship game may not be eligible to share in any tournament travel funds, and all players, coaches and managers may be suspended from ISC competition for one year.

Any team wanting to sell souvenir items at the World Tournament must provide such items on consignment to the souvenir chairperson for approval. Items will be offered at prevailing prices, with unsold items to be returned to the team. The items to be sold and proceeds from these items will be negotiated with the World Tournament host and the team involved.

Games in ISC World Tournament and ISC II Championship will not begin earlier than 15 minutes before scheduled game time.

Any team that does not abide by the contrasting jersey rule will automatically be declared the visiting team for the game.

ELIGIBILITY

The defending World Championship team shall have the privilege of defending its world title by invitation, providing said team has nine players on its roster from the previous year. The roster with the nine players

must be turned in to the Executive Director by July 1. The city in which the World Tournament (ISC II) takes place may be represented by a Host City entry: the team may be chosen by invitation or elimination at the discretion of the Executive Committee. With the exception of the Defending Champions, Host Team, and International teams, only participants in ISC Qualifying Tournaments and invited teams will be permitted to enter the World Tournament.

Team seeding in the World Tournament will be based on the final team rankings provided by the ISC ranking committee.

TEAM ROSTER

The official team roster shall be limited to 18 players and five replacements will be permitted. The key eligibility factor is that these replacement players must have played in at least one ISC qualifying event during the season. Players who have participated on teams or in leagues during the current year, and could not participate in the qualifying tournament and are otherwise eligible, may be selected. Rules under Rules and Procedures "Eligibility Rules" must be followed.

Teams are required to submit an e-mailed roster 3 times per season: May 1, July 15 and the Monday preceding start of World Tournament.

AWARDS

Appropriate awards shall be presented at the conclusion of the World Tournament to the following: championship team (Carroll Forbes Memorial Trophy), runner-up team (Marv Casteel Memorial Trophy), third-place team(s), team displaying best sportsmanship (Frank Porth Memorial Award), best-dressed team (selected by host committee), most valuable player (Cleo Goyette Memorial Trophy), outstanding pitcher (Leroy Zimmerman Memorial Trophy), leading hitter, player with most RBIs and the ISC newcomer of the year (Kevin Herlihy Memorial Trophy). Members of the championship team will receive individual awards. Fifteen (15) players chosen on the ISC All-World first team will receive appropriate awards. An ISC All-World second team of fifteen (15) players shall also receive awards.

ISC II awards shall be identical to World Tournament except the championship team award shall be the Gord Newman Memorial Trophy, only one all-ISC II team shall be named, and no newcomer of the year award.

ALL-TOURNAMENT TEAMS

An all-tournament team shall be selected from teams participating in all tournaments under the jurisdiction of the International Softball Congress. Fifteen players shall be named: three pitchers, two catchers, five infielders, four outfielders, and a designated hitter. The ISC Statistician (ISC II Statistician) shall tabulate all ballots and announce the official All-World team at the close of the World Tournament (ISC II). Ballots shall be accepted from each member of the All-Tournament Team committee as appointed by the ISC Statistician (ISC II Statistician).

Only players having participated in four or more games shall be considered. The batting champion must have a minimum of 12 times at bat or 15 official appearances as a batter. The Most Valuable Player and Outstanding Pitcher are mandatory members of the All-World first team.

Out-of-region players may be added to a team's roster between May 2 and June 15, with the properly e-mailed commitment and will be assessed a fee of \$500 (US\$) each.

DEFINITIONS

1. RESIDENCY

a) REGION PLAYERS

All players must maintain primary residence and be available for legal employment, as of May 1, in the region governing the team with which a player competes. A temporary residence does not qualify as a primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region or travel league after May 1 of the current year and wishing to play in an ISC tournament or travel league shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region or travel league. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region or travel league. The Executive Committee shall make the decision, and in no case shall anyone play if not approved by June 15.

b) PLAYERS OUTSIDE REGION

If a player wishes to play in an ISC region and/or travel league outside of his geographic region of residence whether that region be under ISC jurisdiction or not, he must e-mail his intention with ISC headquarters by May 1 annually. A check, money order or credit card information as specified by the ISC Out-of-Region Fee Schedule, must be submitted with the Team Out of Region Recap Form by the team. Upon approval of the Out of Region request by the ISC Executive Director, the out-of-region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region or travel league until the following season.

Team rosters for all ISC play shall be restricted to the same two (2) out-of-region pitchers for the entire season. Pitcher is defined as any player on an 18-man roster who pitches in any ISC competition.

Any team having more than two Out-of-Region pitchers must declare the team's two Out-of-Region World Tournament pitchers by July 15 to the ISC Executive Director. Out-of-Region pitchers not declared for World Tournament participation may request release from the team and be made available to other teams for World Tournament play.

Approved out-of-region players are eligible to be picked up by another team entered in World Tournament.

Notification of approved out-of region players will be made to ISC commissioners by the Executive Director.

Approved out-of-region players on all ISC teams must play in at least one approved ISC Qualifying event or in invitational tournaments in both June and July, with their current year's team, to be eligible for World Tournament play.

In the case of travel league teams, approved out-of-region players must play in at least six games (exceptions must be approved by the ISC Executive Director) to be eligible for World Tournament play. Teams with predetermined berths to the ISC World Tournament (defending champions, host team and invited team) are exempt from the six-game travel league rule.

Each team will be allowed one exception to the requirement that out of region players must play in either an approved ISC qualifying event or an invitational in both June and July.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by June 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the May 1 Out-of-Region deadline, a team may apply to the appropriate Regional Commissioner or Vice President for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

If a player is within an ISC Region which does not send a team to the ISC World or ISC II Championships, the player may be picked up to play by another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form and fees.

2. PRAWN RESTRICTIONS

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent five years, including MV Player and Outstanding Pitcher. The PRAWN list will be released on AI's list by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher, regardless of which position the pitcher was named as PRAWN. Teams are still limited to two OOR pitchers for the season. All teams must name their PRAWNs to the Executive Director by May 1 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below 5.

AGE EXCEPTION FOR PRAWNS

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 41st through 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 46th birthday by providing proof of age to the Executive Director by May 1 of each year.

PRAWN Extension

A PRAWN that plays in more than one tournament for a team prior to the World Tournament, but is not included on that team's roster for the ISC World Tournament, and does not participate for any other team in the World Tournament, will have his PRAWN status extended for one additional year.

PRAWN Exception

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.
