ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

Acknowledgements

Whether you are reading your copy of the 2014 ISC World Championship Guide online or in the traditional paper format, there are many steps that must be taken to get the finished product to you.

For the last few years, Gale Bigbee has been our production editor, working from the files provided by the ISC to place the copy and photos, re-arrange the pages and ensure that everything we want to feature in the Guide fits into place. It is painstaking work and, once again, Gale has done a fantastic job in making the 2014 ISC World Championship Guide look great for you, the reader.

By day, Gale is a graphic communications instructor at the South Central College in North Mankato, MN, and one of the class projects is to submit a cover design for the ISC Guide. This year, 16 designs were provided, leaving the managing editor with the difficult job of narrowing down the options to the final choice, which was designed by first-year student Anna Haase, who was able to simply and effectively capture the defining moment of last year's ISC World Tournament.

Dan Nessler, of Powerhouse Promotions, handles the logistics of getting the Guide printed in hard-copy and shipped to ISC personnel around North America. Red Mat Media, led by Scott Standerfer, look after the electronic copy of the Guide, posting it in the reader-friendly format.

As always, we also want to thank Gary Baughman and Hank DeWild for their work compiling the statistics, which are the backbone of the Guide. Countless hours are spent on the stats and we take great pride in the work that Gary and Hank do.

Elations Photography did the team photos and provided many of the photos in this year's Guide. Additional photography comes from Rosanne Allan and Jamie Hillhouse. Thank you to all!

We hope you enjoy this year's ISC Guide and we welcome your comments whether in person at the park or via email.

About The Cover

Jamie Shields, of the Hill United Chiefs, slides home with the game-winning run in the bottom of the 10th inning in the 2013 ISC World Championship Game. It was controversial then and people haven't stopped talking about it since. You make the call: safe or out? Photo by Elations Photography. Adam Folkard was simply dominant in 2013, setting a new record for most consecutive perfect innings at 19 1/3, including a perfect game in the winner's bracket final followed by 7 1/3 perfect innings in the championship game. Quad Cities exceeds all expectations

With the ISC back in the Quad Cities in 2013 for the third time in five years, the challenge facing Lynn Hunt, Amie Stahler and their team at the Quad Cities Convention and Visitors Bureau was to make the familiar seem brand new again.

They started with a wonderful Hall of Fame breakfast on Sunday morning before moving on to spectacular Opening Ceremonies featuring a local drum corp and The Star Spangled Banner played on a solo electric guitar, along with the parade of teams and the introduction of the 2013 ISC Hall of Fame inductees.

Over the course of the week, more than 150 games were played across the six fields

The weather cooperated as well, with plenty of sunshine and warm weather to make our stay most enjoyable.

at the Green Valley Sports Complex with it all coming down to a nail-biting conclusion on Saturday evening on Milt Hand Field featuring the best of the best in an extra innings thriller.

In every regard, from beginning to end, the 2013 ISC World Tournament was one to remember.

Folkard perfect and then some for Chiefs

By Blair Setford

Moline, IL – How do you top perfection? Adam Folkard and the Hill United Chiefs found a way as they eked out a single run to win the 2013 ISC World Championship in thrilling fashion over arch-rivals New York Gremlins in 10 pulse-pounding innings capped by a play at the plate that will be debated for years to come.

Folkard was dominant. One night after a 15-strike-out, seven-inning perfect game in the winners bracket final over the Gremlins, the tall righty from Australia was perfect again, this time through 7 1/3 innings before a bloop single by fellow Aussie Jeff Goolagong broke the spell. Goolagong, however, was thrown out trying to stretch his hit to a double and Folkard would continue to face the minimum into the ninth.

The Gremlins had their only real look at a scoring threat in the ninth, as Wayne Lauulu singled sharply through the left side with one out. Pinch-runner Derek Pukash stole second and advanced to third on an error but Folkard would strike out a pair to extinguish the rally. He finished with 22 strikeouts on the night and set a new ISC World Tournament record with 19 1/3 consecutive perfect innings.

“The only thing that mattered to me was winning the final,” said Folkard, who won his third Leroy Zimmerman Most Outstanding Pitcher Award. “It has been a personal goal of mine to be on the mound and win for the last 10 seasons over here. I’ve come close a couple of times but never won when on the mound and that has driven me harder to be better.”

Matching Folkard pitch-for-pitch and out-for-out through 6 2/3 innings in the championship game was countryman Andrew Kirkpatrick. Victimized by a long two-run home run by the Chiefs’ Steve Mullaley on Friday night, Kirkpatrick left it all on the field on Championship Saturday, holding the powerful Hill United batters to just a pair of hits and a walk before leaving with a debilitating leg injury. Canadian Sean Whitten stranded a runner at third in the bottom of the seventh to send the game into extra innings.

In the fateful 10th, Calvin Miller led off with a bad-hop double that eluded the Gremlins infielder to set up the game-winning play. Pinch-runner Jamie Shields moved up to third on a ground out by Jason Sanford to bring up the top of the Chiefs’ order. Intentional walks to Brad Ezekiel and Jason Hill loaded the bases for Jeff Ellsworth - again.

Ellsworth had missed a chance to end the game in the eighth, coming to the plate with the bases loaded and one out, but flied to short and Whitten was able to get Mullaley looking to prolong the suspense and ratchet up the tension another notch.

“I’ll admit there was a bit of nerves and anxious feelings thinking about the outcome in the 8th,” said Ellsworth. “In the 10th, my focus changed back to picking a zone and putting a good swing on the ball.”

Ellsworth lifted a fly ball out to medium right field where the Gremlins’ Mathieu Roy – and a full-house crowd at Milt Hand Field – waited for it to come down. Shields crouched at third, tagging and waiting for the signal from third-base coach Doug Eidt to bolt.

Roy’s throw was a perfect peg. On the money to catcher Bryan Abrey, who put the tag on the sliding Shields – just a fraction late in the opinion of the home-plate umpire. The call set off celebrations on the field for the Chiefs, while the Gremlins argued vehemently but to no avail.

“It all happened pretty quick, but my initial instinct was that I was safe,” said Shields.

“Waiting for the call “was probably the longest second of my life but it turned out to be well worth it!”

Hill United Chiefs, 2014 ISC World Champions

continued from previous page

On the Friday night in the winners bracket final, it wasn't offensive heroics, rather it was superb glove work that kept Folkard's perfect game alive. In the first inning, Nick Shailes, who won his second Cleo Goyette MVP Award, dove to his right to snare a hard-hit one-hopper by Blair Ezekiel, throwing from his knees to get the out. Ezekiel was at the plate again with two out in the seventh and was standing between Folkard and history. Another chopper up the middle brought shortstop Calvin Miller across to his left. Miller fielded the ball, dropped it, slipped to his knees and then fired a seed into Mullaley's glove to complete the most dominant pitching performance in the ISC World Tournament in the last 25 years.

"No single play makes a perfect game," said Shailes, reflecting on his play in March. "That was an amazing team effort that took everyone there to pull out the win. To be honest, Adam and myself haven't talked about that game since it happened. The final on the other hand, all of us have looked back on and talked to one another about how amazing that game was, not only on our side but the NY Gremlins side as well, how well they performed and what a great rivalry we have between two great teams in the game."

Folkard similarly paid tribute. "Pitching to the Gremlins is never easy. I was just lucky enough to hit most of my spots and get the ground outs and the pop outs we were aiming for and to have the awesome team behind me that I did. I also owe my success to Sandy (catcher Jason Sandford). He called and caught unreal all week like always, he takes a fair few knocks but he always keeps going and makes my job much easier."

Three-time defending champions Jarvis Hallman Twins (formerly Travelers) made a valiant effort to try to join the Long Beach Nitehawks as the only team to win four consecutive ISC titles (Long Beach won six straight from 1955-1960). Despite a three-run home-run from Frederik Terkelsen to tie Pennsylvania Power at five in the top of the seventh in the opening game on Championship Saturday, a first-pitch walk-off no-doubter to centerfield by Power's Sergio La Hoz relegated the Twins to a fourth-place finish.

The late-game fireworks continued as Power advanced to meet the Gremlins in the losers bracket final. A three-run homer by Power's Frank DeGroat put Pennsylvania in front 3-2 but New York tied it in the bottom of the fifth on an RBI single by Tyson Byrne. With ace Juan Potolicchio out of gas after five, and Karl Gollan on a plane due to a work commitment, Power turned to Thomas Enoka to keep the Gremlins at bay.

Enoka was solid through 2 2/3 innings until facing Rhys Casley with two out in the bottom of the eighth. Casley, who battled through a significant shoulder injury to lead his New Zealand Black Sox to an ISF title in March, has always had a flair for the dramatic and delivered "a captain's knock", drilling a pitch over the right-centerfield fence to send the Gremlins to the rematch with Hill United.

This is the fifth year the Graphic Communications students and faculty at South Central College in North Mankato, Minnesota, performed the page layout of the 2014 ISC Guide. Students enrolled in the Graphic Communications program perform design and layout of projects as well as producing a final, finished product. The merging of layout, design, and production, enhances the learning experience the students receive so they experience the production issues that arise from their layouts. This guide is just one of the projects students gain real-world experience in the production of publications. All of us at SCC sincerely hope you enjoy the 2014 International Softball Congress Guide.

ISC Carroll Forbes Foundation to Invest in Youth Fastball Programs

Carroll Forbes
1909-1982

The Carroll Forbes Foundation, established in 1995 in memory of ISC Founder Carroll Forbes (1909-1982) will commence providing funding in 2006 for youth development programs to "invest in the future" of this great sport of fastball.

FUNDING AVAILABLE—In August, 2005, the ISC Board of Directors supported a recommendation from the CFF Committee that for the immediate future, half of the annual earned income will be available the following year, to fund various projects designated for youth development. Eligible programs include local clinics fostering the aims and objectives of fastball for youth, the inaugural ISC Scholarship Program, and other projects that fall within the criteria. Eligible applicants include all organizations that are affiliated with or have a relationship with the ISC.

The CFF will annually award one (1) \$500 college scholarship. High School seniors may apply but these recipients will not receive their funding until the student has successfully completed one semester of college.

For application form, please contact Charlie Smith, CFF Chair or John Thompson, CFF Co-coordinator (addresses below). Applications accepted January-June, or until available funding is depleted.

MEMBERSHIP—Resource development for the CFF originates from donors who become "members" in the Forbes Foundation. Veteran ISC World Tournament umpire Les Novak, an original founder of the CFF, was the inaugural "Gold Donor". Membership is open to individuals, families, teams, sponsors, businesses, organizations etc. The ISC has been granted 501(C) (3) tax-exempt status by the IRS whereby donors are eligible to receive IRS charitable tax receipts to offset income tax payable.

Various levels of membership are available and provide the following recognition:

PLATINUM—\$2,500 plus: IRS Income tax receipt; Lifetime pass to ISC World Tournaments, platinum plaque, recognition at the ISC Hall of Fame, published recognition in the ISC annual Guide, 2 complimentary tickets (upon request) to the annual Hall of Fame Breakfast.

2014 HALL OF FAME INDUCTEES

By John Thompson

The International Softball Congress Hall of Fame Selection committee is pleased to confirm that the ISC Board of Directors approved a slate of seven nominees for induction into the ISC Hall of Fame as the Class of 2014. Included are three elite players, two successful field managers and two impact builders of the sport.

PLAYERS

Denny Delorit, Egg Harbor WI

Denny Delorit, born in 1946 in Wisconsin, competed for 21 consecutive years in ISC World Tournaments and 20 years at the ASA Nationals. In high school and college he played baseball and was an outstanding fullback in football, attracting attention from professional ranks. In 1970, he began to play fastball and became one of the most feared hitters in the game. Suiiting up with Sioux City IA Penn Corp that claimed three consecutive ISC titles in 1988-1990, Denny was selected a second time as a first-team ISC All-World player in 1988, following his inaugural selection in 1976 as a member of Tommy's Angel's from Oshkosh WI. In 1981, he travelled with the ISC World Champion Aurora IL Home Savings team in a seven city tour through Japan. Denny closed out his career playing alongside his sons Jesse and Aaron for the Des Moines IA Bombers.

Lou M. Ferrero (deceased), Hanford CA

Lou Ferrero, born in Piossasco (close to Torino), Italy in 1922, immigrated with his family to Lindsey CA and later moved to Hanford CA. Graduating from high school in 1941, he commenced his fastball career with the Hanford CA Kings until he was drafted into the US Air Force in 1943. Following his discharge in 1945, he resumed his career with the Kings who won the 1947 ASA Tournament held in Stockton CA. When the National Softball Congress (NSC) and International Softball League (ISL) held separate championships in the late 40s/early 50s, Lou played on three championship teams – Taft CA Merchants (1948); Hanford CA Kings (1949) and Fresno CA Hoak Packers (1952) and three finalists – Hanford (1950 and 1951) and Dinuba CA Condors (1954). Lou retired from the Hanford CA Kings in 1955.

Trent Rubley, Clearwater FL

Trent Rubley's fastball career spanned 16 seasons in ISC competition, beginning in 1989 with the champion Sioux City IA Penn Corp squad. During his career, his teams claimed four ISC Championships and finished in the top four in nine different summers. Trent was named ISC All World four times – Decatur IL Pride (1994); Madison WI Farm Tavern (1997 & 2001) and Calgary AB Diamonds (2004). In 2001, Trent led the ISC with four home runs, and in his last season with the Diamonds, Trent won the ISC Batting title (.522). In ASA competition Trent won six Major Nationals and suited up for the US National team numerous times, winning multiple silver medals in the Pan Am Championships. At present, Trent is a high school coach in Clearwater FL.

FIELD MANAGERS

Steve Kooser, Topeka KS

After playing fastball as an infielder in Topeka KS, Steve Kooser began managing the Topeka Hertz Rent-a-Car team in 1985, winning ASA state championships from 1985-89. His team won the Colorado/Kansas area tournament in 1989 and attended their inaugural ISC tournament in Kimberly WI. Bolstered with new players in 1990, the team finished 14th in the ISC's Victoria BC tournament. In 1995, Steve collaborated to form the Topeka Travelers, finishing 4th in the ISC Tournament in Sioux City IA. From 1996 until 2008, Steve was Assistant Manager with the Broken Bow NE Travelers, the team winning ISC titles in 2001- 03 and 04. In 2009, Steve managed the Bondurant IA Midwest Stampede, finishing 4th, and in 2010 re-joined the Travelers, now playing out of Jarvis ON, winning the ISC Championship in 2010-11-12, the first ISC three-peat in 55 years.

Chris Santos, Aurora CO

Born in Pueblo CO, Chris Santos grew up in ballparks following his father Joe, who was very active in the sport. Chris played as a youth before leaving Colorado pursuing a communications career in Denver CO. In 1988, Chris and his brother Jerry formed the Pueblo CO Bandits and Chris has managed the team for a quarter-century. The Bandits have appeared in 18 ISC World Tournaments and with a roster composed primarily of Colorado players, has earned two top-ten finishes. Off the field, Chris and his family contribute to area youth in sports, sponsoring 21 scholarships to athletes pursuing a college degree, providing time and funding to the Pueblo Athletic League for under-privileged youth and running the Pueblo Softball league for the past twenty years. Chris has also served as an ASA Deputy Commissioner, ISC Travel League Commissioner and is currently the ISC USA vice-president.

BOB WELBY MEMORIAL

"Recognition of Service Award"

John Thompson, Waterloo ON

In 1993, John Thompson was approached by the City of Kitchener to organize a bid for a future hosting of the ISC Championships. John was involved locally in fastball, having coached / managed in the Kitchener Fastball League in the 1970s-80s, and volunteered with the Waterloo CHYMrs (later Twins) senior fastball team for a decade, coaching and managing the team in the mid 1980s. He served as Host Committee Chair for the 1996 Canadian Nationals, at which he launched the "Diamond Dirt" newsletter circulated at many ISC, Canadian National and local Legends tournaments, published/edited the 2002, 2006 and 2007 ISC championship printed programs and in 2010 authored the fastball biography "Z-MAN Darren Zack". Since 2002, John has chaired the event committee and served as MC for multiple ISC Hall of Fame breakfast inductions. Locally, John is a past president of the Kitchener Sports Association, past chair of the Athlete

of the Year and Waterloo Region Hall of Fame programs and is currently president-elect of the Rotary Club of Kitchener-Westmount.

Glenn Verge, Newmarket ON

For close to half a century Glenn Verge has coached, managed and sponsored fastball teams in Ontario, notably in Newmarket and Owen Sound. In the late 1970s, with encouragement from ISC founder Carrol Forbes and Owen Sound's Lloyd Simpson, Glenn's Newmarket ON Rays team became interested in the International Softball Congress. In 1980, the Rays and Grimsby ON Peach Kings competed at the ISC World Tourney in Tempe AZ. Both teams were competitive (Grimsby finished 3rd behind Aurora IL and Phoenix AZ), and their participation created controversy in Canada, specifically in Ontario. Fastball administrators deemed that

players who competed in the ISC would not be allowed to play in OASA (Ontario) and Canadian Championships. Glenn lobbied and led opposition to the ruling, and through judicial courts was able to get the suspensions lifted. Glenn's efforts were instrumental in Ontario-based teams competing in the ISC and provided the current opportunity for Ontario teams to claim the title for the last six years (2008-2013).

The Class of 2014 induction continues the tradition of honoring the finest in ISC participants, building on the successes of the previous celebrations that have been held annually since the initial induction in 1965. It will be held on Sunday August 10 at 8 am as an event of the ISC 2014 World Championships hosted in Kitchener, ON Canada.

The above quilt sample is similar to the two to be raffled in Quad Cities at the ISC World Tournament.

ISC Treasurer Charlie Smith gathers various fastball T-shirts during the year, and his daughter Susan makes them into these type quilts. The ISC wives group then arranges for raffle tickets to be sold during the tournament. All proceeds from the quilt raffle will be given to the Quad Cities Special Olympics organization to assist funding their activities. Our thanks to Charlie, Susan and the ISC wives for their part in this very worthwhile project.

2013 ISC II CHAMPIONSHIP

CHAMPIONSHIP ELIMINATION PLAYOFF

MIDLAND - AUGUST 14-20, 2012

Crawford comes up ACes in ISC II slugfest

by Blair Setford

Moline, IL – Fastball fans could be forgiven if they mistook Kyle Crawford and Andy Jackson for two weary fighters at the end of a heavyweight tilt, as they carried their respective teams – Midland Emerson ACes and Wiarton Nationals – into the ISC II Championship.

Crawford prevailed, surviving a 9-8 slugfest as the two teams exchanged blows throughout the game, trading the lead back and forth until a three-spot in the bottom of the sixth was enough for the ACes, as a furious Wiarton rally fell just short with the tying and go-ahead runners left on base in the seventh.

“We knew going in Wiarton was a hard-working ball club and they weren’t going to lie down for us,” said Crawford. “Our bats got hot when we needed them and the boys showed what type of heart this young team has, battling all seven innings to get the win.”

Crawford was the pitcher of record in all nine of the ACes games, setting a new ISC II record for most wins with seven, and was named the ISC II MVP.

“The fight that got us there was still present at the very end,” said Jackson. “I was so proud of everyone that day.”

Warton was on their third game of the day – and 11th game in six days as the ISC II bracket wrapped up on Thursday. Jackson saw mound action in every Nationals contest, finishing with a 6-3 record and took home the ISC II Most Outstanding Pitcher Award.

Midland jumped out to a 4-0 lead through two, highlighted by RBIs from youngsters Justin Krenzke and Ty Sebastian. Wiarton rallied right

back in the third with five to take the lead with two-run home-runs by Troy Barfoot and Todd McCauley sandwiched around an RBI double by Brent Thompson.

The teams traded runs through the middle innings but it was the sixth that set up the win for Crawford and the ACes. Nine-batter Andrew Plouff homered, Krenzke drove in another run with a single and scored on a pinch-hit RBI triple by Gowan Stuck.

Jackson helped his own cause with a two-run shot in the seventh to get the Nationals within one, and Wiarton threatened further, but Crawford was able to shut the door for the win.

“I don’t think I was ever comfortable until that last out was recorded,” said Crawford. “One bad pitch and anything could happen in this game.”

The Nationals’ Travis Jones, fresh off a Canadian Junior Men’s Championship with his Wiarton Red Devils U21 team the week before, set a new ISC II record for most hits with 17. Teammate and fellow junior champion Adam Stuck was right behind with 16. Both were named to the All-Tournament team.

The ACes were a first year team built largely with local players from the Midland area. They swept through the 24-team ISC II double knockout bracket undefeated beating Appleton Bar on the Avenue Buzz, Hickson Reds, Invermere Randy’s A’s and Topeka Toros in the winners bracket final.

The Toros looked to be on the way back to their second ISC II Championship Game in three years. Tied at two with Wiarton in the losers bracket final earlier in the day, Topeka had a runner thrown out at the plate in the bottom of the seventh. Wiarton would go on to score one in the ninth on an Adam Stuck RBI single and Jackson set the Toros down in order to seal the win.

ACes’ Ken Hoffman holds on for the out at first

Legend Peter Meredith wins first ISC Championship

By Blair Setford

Hall of Famer Peter Meredith won his first ISC Championship in the Legends

Moline, IL – Peter Meredith and Darren Zack. When conjuring memories of the top pitchers in the game in the late 1980s through the 1990s, these two come instantly to mind. The two Hall of Famers were front and center in the Legends Championship game featuring Meredith's Ohio Battery and Zack's Cobourg Force.

Ohio struck early, plating a run in the top of the first as Dennis Brownfield doubled and scored on an RBI single by Gary Franson.

In the pivotal third, Cobourg loaded the bases with none out bringing clean-up stick Sammy Forbes to the plate. Forbes lifted a fly ball toward Ohio centerfielder, Hall of Famer Dan Nessler, who sent home a perfect throw to nail Cobourg's Bob Alonzo at the plate for the double play. After an RBI single by

the Force's Bill Fairney, reliever Brent Stevenson came on to record a strikeout to end the Cobourg threat.

Franson, who was named the Legends MVP, belted a solo home run in the fourth and that was quickly followed by a two-run shot by newly minted Hall of Famer Brian Martie. Ohio tacked on another run in the fifth on a John Melchiori RBI double. Stevenson, selected as the Most Outstanding Pitcher, was solid the rest of the way, allowing a run in the seventh, to wrap up the 5-2 victory and give Meredith his first ISC championship.

Quote from Meredith.

As more of the game's stars from yesteryear reach the 50+ age requirement to play in the increasingly popular Legends division, we're bound to see another marquee match-up this year and beyond.

Cobourg's Bob Alonzo is out as Ashland's Steve Glaum blocks the plate

INTERNATIONAL SOFTBALL CONGRESS

Progressive Fastpitch Administration

1947 - 2012

The ISC, as we know it today, began as the National Softball Congress in 1947.

HISTORICAL NOTE: The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women and operated from 1947 through 1957.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only. The ISL held championships from 1951 through 1957.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

Unified ISC World Tournament - After introducing the ISC II division as a stand-alone tournament in 2002 for "intermediate" level teams, the ISC merged divisions in 2010 to create a unified ISC World Tournament that also featured an ISC II bracket, providing challenges for teams at all levels of play.

Pitching Development Program - The ISC jointly supports a pitching development program aimed at improving the pitching skills of male fastpitch players. Applicants are encouraged to contact the ISC about the program which provides video analysis and instruction. Graduates of the program have enjoyed success, most recently with one of the participants pitching on the 2012 USA U19 Junior Men's National Team. Additional information on the program is available on the ISC website at www.iscfastpitch.com in the Rules & Forms section.

ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials (NSC). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. (HOF) indicates Hall of Fame player. (**) Designates a 2nd team All-World Selection

Also, the ISC may use team and/or player images or likenesses to promote the ISC.
11. Any rebroadcast, whole or in part, of any ISC World Tournament games without the express written consent of the International Softball Congress is strictly prohibited.

INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE

Pitching in all ISC competition shall be governed by the current year's Official Rules of Softball published and distributed by The Amateur Softball Association of America (ASA), the national governing body for softball, WITH THE FOLLOWING EXCEPTIONS:

Section 1. Preliminary to Delivery

- A. Before starting the delivery (pitch), the pitcher must have both feet on the ground within the 24-inch length of the pitcher's plate. The shoulders shall be in a line with first and third bases. He shall take a position with the majority of his pivot foot on top of the pitcher's plate and his non-pivot foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than 10 seconds before releasing it. If the pitcher decides to pitch with the non-pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate and remain motionless at all times prior to the forward step of the non-pivot foot.

Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect: Section 1-8 any Infraction of Section 1-8 as Revised in the Illegal Pitch.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.

- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.
3. When the ball gets too dark a second time, an illegal pitch will be called and both teams will be cautioned that the next time a ball gets too dark, the pitcher and manager will be ejected from the game.
4. When the ball gets too dark a third time, an illegal pitch will be called and both the pitcher and the manager from the offending team will be ejected.

TEAMS/PLAYERS

OUT-OF-REGION PLAYER FEES

The first three Out-of-Region players per team will be assessed \$100 (US\$) each. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with the properly completed Letter of Intent form (or e-mailed commitment), must be postmarked no later than May 1 to the ISC Executive Director.

Out-of-region players may be added to a team's roster between May 2 and June 15, with the properly e-mailed commitment and will be assessed a fee of \$500 (US\$) each.

DEFINITIONS

1. RESIDENCY

a) IN-REGION PLAYERS

All players must maintain primary residence and be available for legal employment, as of May 1, in the region governing the team with which a player competes. A temporary residence does not qualify as a

primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region or travel league after May 1 of the current year and wishing to play in an ISC tournament or travel league shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region or travel league. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region or travel league. The Executive Committee shall make the decision, and in no case shall anyone play if not approved by June 15.

b) OUT-OF-REGION PLAYERS FEES

If a player wishes to play in an ISC region and/or travel league outside of his geographic region of residence whether that region be under ISC jurisdiction or not, he must e-mail his intention with ISC headquarters by May 1 annually. A check, money order or credit card information as specified by the ISC Out-of-Region Fee Schedule, must be submitted with the Team Out of Region Recap Form by the team. Upon approval of the Out of Region request by the ISC Executive Director, the out-of-region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region or travel league until the following season.

The first three Out-of-Region players per team will be assessed \$100 (US\$) each **payable by the team**. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with the properly completed Letter of Intent form (or e-mailed commitment), must be postmarked no later than **May 15** to the ISC Executive Director. Out-of-region players may be added to a team's roster between **May 16** and June 15, with the properly e-mailed commitment and will be assessed a fee of \$500 (US\$) each.

Team rosters for all ISC play shall be restricted to the same two (2) out-of-region pitchers for the entire season. Pitcher is defined as any player on an 18-man roster who pitches in any ISC competition.

Any team having more than two Out-of-Region pitchers must declare the team's two Out-of-Region World Tournament pitchers by July 15 to the ISC Executive Director. Out-of-Region pitchers not declared for World Tournament participation may request release from the team and be made available to other teams for World Tournament play.

Approved out-of-region players are eligible to be picked up by another team entered in World Tournament.

Notification of approved out-of region players will be made to ISC commissioners by the Executive Director.

Approved out-of-region players on all ISC teams must play in at least one approved ISC Qualifying event or in invitational tournaments in both June and July, with their current year's team, to be eligible for World Tournament play.

In the case of travel league teams, approved out-of-region players must play in at least six games (exceptions must be approved by the ISC Executive Director) to be eligible for World Tournament play. Teams with predetermined berths to the ISC World Tournament (defending champions, host team and invited team) are exempt from the six-game travel league rule.

Each team will be allowed one exception to the requirement that out of region players must play in either an approved ISC qualifying event or an invitational in both June and July.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by June 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the May 1 Out-of-Region deadline, a team may apply to the appropriate Regional Commissioner or Vice President for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

If a player is within an ISC Region which does not send a team to the ISC World or ISC II Championships, the player may be picked up to play by another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form and fees.

2. PRAWN RESTRICTIONS

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent five years, including MV Player and Outstanding Pitcher. The PRAWN list will be released on AI's list by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher. Teams are still limited to two OOR pitchers for the season. All teams must name their PRAWNs to the Executive Director by May 1 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below 5.

AGE EXCEPTION FOR PRAWNS

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 43rd or 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 45th birthday or after one season on the PRAWN list by providing proof of age to the Executive Director by May 15 of each year.

PRAWN Extension

A PRAWN that plays in more than one tournament for a team prior to the World Tournament, but is not included on that team's roster for the ISC World Tournament, and does not participate for any other team in the World Tournament, will have his PRAWN status extended for one additional year.

PRAWN Exception

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.
