ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

Acknowledgements

We continued our partnership in 2011 with the Graphic Communications class at South Central College in North Mankato, MN. Under the leadership of Gale Bigbee, students gain real world experience working on the Guide, particularly in the design competition for the cover. We received several excellent options to choose from and ultimately selected the cover designed by DeAnn Peterson. On behalf of the ISC, we extend our sincerest thanks to Gale and her talented students for their hard work and for a job well done.

Also this year, Ed Kirner passed the torch as managing editor to Blair Setford. Ed, who served as President of the ISC for 12 years and is now in his fourth decade with the organization, has done a fabulous job over the years in photo selection and overseeing content to ensure that the quality of the Guide is always top-notch. Blair, who has been the ISC II editor for the past six years, now assumes responsibility for the rest of the Guide and, as we move from a paper-based edition to digital, will provide the leadership to make this a smooth transition.

We are working with Red Mat Media in this foray to a digital edition. Scott Standerfer has helped us tremendously in this endeavour. We hope that you enjoy the full-color photographs and the enhanced experience with links to game statistics and broadcasts.

Our continued thanks to Maddy and Jim Flanagan for their professional work in photography and web site hosting of photos. We also want to acknowledge Katie Ardouin, of In Focus Photography, for additional photos from the 2010 ISC World Tournament.

About The Cover

Nick Shailes was named MVP of the 2010 ISC World Tournament, leading his Jarvis Travelers to their first ISC title with a home run in the championship game.

Adam Folkard won his second consecutive Most Outstanding Pitcher Award in 2010, getting Jarvis to the championship game before succumbing to a shoulder injury.

The crowds in Currie Stadium were terrific as this photo from Opening Night demonstrates. A first-time host, Midland did a fantastic job and the 2010 ISC World Tournament will go down in history as one of the best.

Thank you, Midland

To say the 2010 ISC World Tournament in Midland, MI was a success and a positive experience for all who attended would be an understatement. In every respect, the 2010 World Tournament was exceptional.

Midland has fielded many teams over the years in the ISC World Tournament but this was their first attempt at hosting of the event.

Some of the outstanding aspects of the 2010 ISC World Tournament in Midland include:

- Superb venue in Currie Stadium which included significant upgrades to the playing surface.
- Excellent attendance and crowds
- Largest U19 tournament in ISC history with 10 teams
- Inaugural ISC Legends 50+ tournament
- Concessions locations and their variety of fares
- Excellent local media coverage by both print and electronic media
- One of the best Hall of Fame induction programs we've ever had
- Exceptional weather with only two minor rain delays in nine days
- First "unified" ISC World Tournament with both World Tournament and ISC II caliber teams entered followed by a 24-team ISC II only playoff.
- A Host Committee that combined a mixture of experienced current and former players with local administrators handling their respective areas of responsibility.
- Outstanding size and location of the bracket boards for all 4-tournament segments: World Tournament, ISC II Championship, U19 Championship and the Legends 50+ Championship.

While Midland's success was clearly a team effort, in all fairness, we must extend a special thank you to co-committee chairs, Kyle Beane and David Lach, who not only recruited and formed the host committee, they managed all the organizational aspects in a little over one year. Normally, host cities have two years lead time to organize and prepare. Congratulations Kyle and David, on a job very well done.

We look forward to the ISC World Tournament returning to Midland in the near future.

Jarvis Travelers win ISC Championship

**By John Kennett

The Jarvis (Ont.) Travelers turned to little-used pitcher Andrew Phibbs to prevent the Kitchener Rivershark Twins from a historical win in the International Softball Congress World Tournament championship game Saturday night at Currie Stadium.

With star pitcher Adam Folkard on the shelf with an injured shoulder, Phibbs led the Travelers to a 4-1 victory over the Rivershark Twins before 1,500 fans.

"To be honest, I haven't thrown all week and we needed a pitcher," said Phibbs. "I came in and did the job. It's an unbelievable dream and makes me feel good because you are a part of it."

Kitchener was attempting to become the first ISC team in 50 years to win three consecutive titles.

"It was a bad time to come out a little bit flat," said Kitchener manager Kelly McGiffin. "However, at the same time we tip our hats to (Jarvis). They worked hard all day long and certainly earned the championship."

Travelers manager Steve Kooser was pleased to see his team battle out of the losers' bracket to win three games on Saturday and eventually the championship in the winner-take-all final.

"I'm very, very proud of these guys," he said. "This is the first year that most of these guys have won this thing. I've been fortunate that this is my fourth one. (Andrew) Phibbs came on and pitched great the final two games."

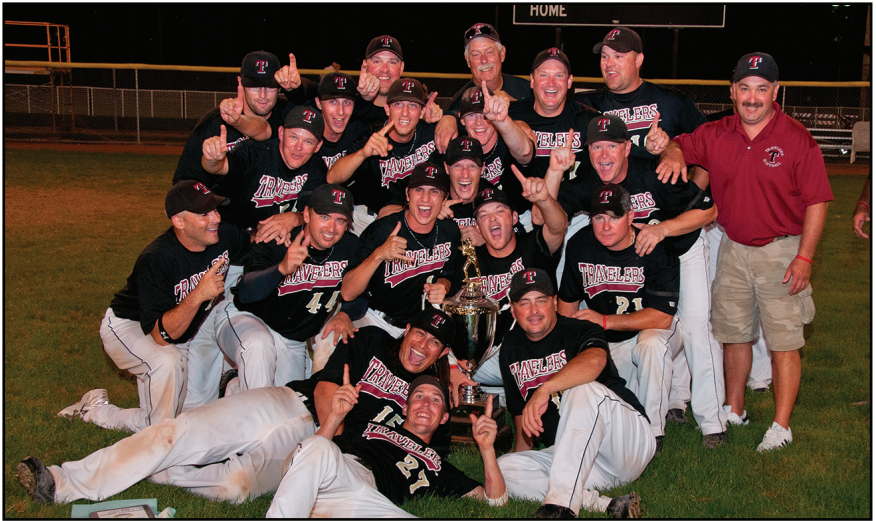

Jarvis drew first blood as it scored two runs in the top of the third. Rob O'Brien led off with a double to the fence in right-center and came home on a ground single to left by Tim Macumber, who went to second on the throw to the plate. Macumber scored on Freddy Terkelson's single to right for a 2-0 Jarvis lead.

"That was very, very important," said Kooser of the initial lead. "We were really pleased with the lead because without Adam (Folkard) we thought there would be more pressure on the (pitching staff)."

Kitchener responded to score one in the bottom of the third as consecutive singles by Darrell Joy, Blake Miller and Ryan Wolfe netted a run. With one out, and the bases loaded, Kooser lifted starter Trevor Ethier in favor of Phibbs, who got the next two Riversharks to end the threat.

"We've had bases loaded a few times and not had people come through," said McGiffin. "We had a few chances. But, some days you just come up short."

Jarvis put two more on the board in the sixth with two outs as Nick Shailes and Brad Rona crushed back-to-back homers to right-center, putting the Travelers up 4-1.

“You get those opportunities like that and I was lucky to connect and it went over the fence,” said Rona. “Winning this title is the pinnacle of my softball career.”

It was a difficult decision for McGiffin whether to relieve Scott when he got in trouble during the third.

“We were going pitch by pitch at that point,” said McGiffin. “At that point it was a 2-1 game and he had two outs. He got a little too much of the plate to Nick Shailes. He battled hard all week for us especially when Todd Martin couldn’t go for us. So, we decided to give him the benefit of the doubt.”

Scott took the loss as he went the first six innings while striking out three, allowing six hits, one walk and four earned runs. Grant Patterson pitched the final inning for Kitchener as he set the side down in order while striking out two.

Phibbs went 4 $\frac{2}{3}$ innings while striking out two and allowing three hits. Ethier went the first 2 $\frac{1}{3}$ innings and gave up three hits, one earned run, two walks and striking out four.

Earlier in the day, Jarvis needed extra innings, in two games, for the right to meet Kitchener in the final. The Travelers scored twice in the top of the eighth to defeat Chicago/New York 6-4 and advance to the losers’ bracket final where they defeated the New York Gremlins 5-4.

Ian Ferhrman’s three-run homer in the top of the 11th propelled Jarvis into the championship game as Phibbs went the final 2 $\frac{2}{3}$ innings as he earned the win as he allowed two hits, two earned runs and striking out five.

SCC Tribute Page

This is the second year the Graphic Communications — Design and Production students and faculty at South Central College in North Mankato, MN, performed the page layout of the 2011 ISC Guide. Students are able to see the various elements of the guide come together through all the emails and attachments, photos burned to a CD, and notes written from telephone messages. Being able to work with live jobs with real deadlines is a great learning experience for the SCC Graphic Communications students. One of the biggest changes you'll notice in this edition — COLOR! Being able to move from black and white photos to colored photos for a majority of the guide, truly brings this edition to the next level in publication printing and web site display. All of us at SCC hope you enjoy the 2011 International Softball Congress Guide.

South Central College, North Mankato, MN is located 80 miles southwest of Minneapolis. Graphic Communications is one of 50+ technical programs offered at SCC. South Central College is a comprehensive community and technical college with two campuses — Faribault and North Mankato, MN — and a proud member of the Minnesota State Colleges and Universities system.

▲ SCC sophomore students who assisted with the production of this guide include:

THE PINNACLE OF PERFORMANCE

REDEFINING SPORTS PROTECTION

Vented micro-mesh finger slots add flexibility and breathability.

A.I.C. protection on the outside of the hand & wrist provides additional protection for the vulnerable small bones not protected by any other glove.

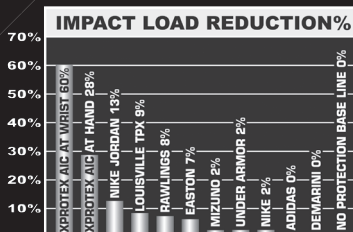

Power mesh laminated to neo-rubber knuckle and thumb protection.

Perforated Cabretta leather & Pittards quartz digital leather palm.

XProTeX Raykr. Specifically designed pair for either right or left handed batters.

Used & endorsed by 100+ Professional Softball & MLB Players.

XPROTEX®

Cal St University testing shows the impact load at the wrist generated by a direct hit from a 100 MPH ball is reduced to the equivalent of being struck with a 40 MPH ball.

ISC HALL OF FAME - IMPRESSIVE CLASS OF 2011

By John Thompson

JODY HENNIGAR, Halifax, NS

The resume of the on-field accomplishments of Jody Hennigar are simply very, very extensive. They circle the globe and include provincial, Canadian, ASA and ISC competition as well as internationally where he represented his country as a member of Team Canada. Suffice to say that in focusing on the ISC, Jody was a double-barreled threat and impact player with a flair for the dramatics. As a pitcher, he could silence opponents' bats and, as a designated hitter, when he wasn't launching fence-busters, he was intimidating pitchers into giving up walks to add to his teams' offensive rallies. He celebrated ISC Championships as a youngster with Cedar Rapids, IA Teleconnect in 1987 and as a seasoned veteran a decade later, helping to lead Rod Peterson's Madison, WI Farm Tavern to titles in 1997 and 1999. Spanning 15 years, Jody has five ISC All-World designations, twice with Cedar Rapids (1987 and 1989); twice with Madison (1997 and 2001) and once with Clearwater, FL (1992).

JERRY HOFFMAN, Irvine, CA

Jerry was introduced to softball in 1969 but it was in the late 1970s and 1980s that he competed in the Western Softball Congress and attended a long string of ISC tournaments. In 1983, in Bakersfield, CA, Jerry's Lancaster, CA Chameleons won the World Tournament to go along with top three finishes in 1984 and 1986. In 1986, Jerry equaled the then ISC record for hits (16) in a tournament, a mark that stood for a decade. In 10 ISC World tournaments, Jerry was All-World three times with the Chameleons and was highly regarded as one of the best ever defensive first-basemen in the game, while consistently maintaining a .300 batting average.

BRIAN PATON, Woodstock, ON

Brian played in 12 consecutive ISC World Tournaments and was a member of three ISC Championship teams, twice with Toronto, ON Gators (1993 and 1995) and with Tampa Bay, FL Smokers (1998). In 1995, he helped to lead the Gators in their

amazing come-back week to capture the ISC title. In so doing, Brian established a new record for hits in a tournament (17) and was named the Most Valuable Player. Patrolling centerfield, he was one of the best at stealing what appeared to be “sure-hits” and limiting base runners to singles. He was not simply a member of great teams – rather those teams enjoyed their successes due, in no small part, to Brian’s leadership – witness his nine “top-four” finishes at the ISC World Tournament. Brian has numerous other notable softball accomplishments, particularly on the international scene with Team Canada (1985-2002) winning four Pan-Am gold medals along with ISF silver and gold. In the other categories, three dedicated softball volunteers will also be recognized:

LANNY RUPP (deceased), Lakewood, CA **(Field Manager)**

In the highly competitive Western Softball Congress, Lanny Rupp was a mainstay as a softball general manager for a quarter of a century, with his teams battling the legendary Long Beach, CA Nitehawks. In the 1970s, Lanny guided his Lakewood, CA Jets to 4th place finishes in the 1972 and 1974 ISC World Tournaments. Sandwiched between was the memorable 1973 ISC championship in Rock Island, IL when Lanny’s Lakewood CA Stevenson/Forrester Jets rode the pitching of Eddie Klecker and KG Fincher and defeated the Clovis CA Cowboys twice on Championship Day to capture the crown. His stable of players was impressive with 17 of his teammates already enshrined in the ISC Hall of Fame, including the recently inducted outfielder Alan Rohrback (HoF 2010).

ROBERT GRAY, Wetumpka, AL **(Administrator)**

Robert became the ISC Southeast Area Commissioner in 1991 and has served as a member of the ISC Executive Committee since 1999 in the role of Secretary. In addition, Robert has served on several committees and has been active in various roles behind the scenes. Locally, Robert became involved in the Blue & Gray Softball Association in Alabama in 1981, assumed various roles as Secretary and Treasurer and has been President since 1995. In addition, Robert served as President of the Montgomery AL Blue & Gray Fastpitch League from 1988 to 2007.

DAVID BLACKBURN, Venice, CA (Bob Welby Memorial – Recognition of Services)

Dave became involved in the ISC in 2000 as the California Area commissioner, but his true impact was first felt a year later. In 2001, Dave pioneered softball broadcasting by streaming live audio coverage of games in a test project at the Pioneer Days tournament in Salt Lake City, UT. In the ensuing decade, as technology advanced, Dave gathered support from the ISC stakeholders and created ISC TV. This venture has brought the ISC World Tournament live to softball fans around the world from Australia and Argentina to Japan and New Zealand and all points in between. However, Dave is more than a “tech guy”. He has pitched more than 1,800 games over 30+ seasons and has appeared in 10 International Maccabiah Games, where he is the only softball player with four gold medals.

ISC Quilt Raffle-Benefits Special Olympics

The above quilt sample is similar to the two to be raffled in Quad Cities at the ISC World Tournament.

ISC Treasurer Charlie Smith gathers various fastball T-shirts during the year, and his daughter Susan makes them into these type quilts. The ISC wives group then arranges for raffle tickets to be sold during the tournament. All proceeds from the quilt raffle will be given to the Quad Cities Special Olympics organization to assist funding their activities. Our thanks to Charlie, Susan and the ISC wives for their part in this very worthwhile project.

Two ex-El Paso Ducks players

want to wish great success to the
International Softball Congress in 2011.

You may see us at one of your tournaments
because we really like to watch fastpitch softball.

The ISC Special Olympics Game

By Tony Kahan

On a beautiful Wednesday afternoon last August, the ISC Special Olympics Game was played in Midland. The Special Olympic All-Stars team was primed to take on a rag tag collection of players from almost every team that competed in the ISC World Tournament. In what has become one the ISC's greatest traditions, the Special Olympic game was taken to new levels of greatness this season as the Special Olympians were adorned in red jerseys, donated by 25 umpires through the fundraising efforts of Mike Clark of Saginaw, MI. The team sported new caps too, donated by Maccabi USA.

After player introductions on Midland's main field, the two teams took to the field to play the most anticipated showdown of the tournament. ISC team manager Paul Walford, decided to start Bill Hillhouse on the mound, a move that may come back to haunt his managing career. When informed that the game was to be slow pitch, Hillhouse turned immediately turned ghost white and said he didn't have time to guzzle 15 beers or put on a dress. And it showed.

After issuing nine straight hits, including one that the umpires got involved with in a rare "keep away" situation, which is a clear violation of softball rules and as umpires they should have known that, Walford switched pitchers and Team ISC found its rhythm.

But the real story of the day was the play of the All-Stars that battled like the champions that they are. Setting an ISC record for consecutive hits and fun in a game, the Special Olympic players showed as much heart in playing this contest as any team in the ISC tournament. The players took every at bat as though it was the title game of the ISC and the looks on their faces showed that there were champions on the field that day.

continued from previous page

As the game wore on it became evident that the ISC was no match for the Special Olympians, but manager Walford had one more trick up his sleeve. In an unprecedented mid game move Walford traded Frank De Groat and Tony Kahan for star Special Olympic shortstop, 47-year-old Jeff Hardy. “This was a major milestone in my career” said Kahan, “because in the 10 times that I’ve been traded, it is the first time there was a real human being involved in the deal, besides me”. With their new shortstop, the ISC tried to mount a comeback, but the All-Stars were equal to the task. The final score was Special Olympian All-Stars 23, ISC 0.

Special thanks needed to be handed out to some important people who made this great even happen. The Michigan Umpires Association generously donated uniforms that made the Special Olympic team look like the champions that they are and Maccabi USA donated caps. Kathy Peariso from the local Midland Special Olympics who organized the Special Olympic team, and all of the people involved from the Special Olympic program, made the event fun for everyone involved. Also, as if he didn’t have enough to deal with, Kyle Beane and the host team, the Midland Explorers, once again showed what a class team they are by getting representatives from almost all of the teams that competed in the tournament. As someone who participated in the event, I can only say that being on the diamond that day, made me a better person, and delivered a feeling that no big hit ever has. The feeling from that day carried over any subsequent loss, or victory, and everyone involved knew that their attendance was well worth the effort. The special Olympic game is a great event that should have a place in every ISC World Tournament. We all look forward to the next game in 2011 in Quad Cities.

Tony Kahan's Babe Ruth impersonation doesn't seem to impress All-Star catcher Cary Rickel.

Carrol Forbes Memorial World Champion Trophy

For over 30 years, the ISC awarded its annual World Champion team with a 6' tall trophy.

For a variety of reasons, a 6' trophy is no longer practical and presents a significant challenge to transport it from the World Tournament site to the winning team's hometown. It is also a trophy style popular in the 70s but no longer preferred.

In 2006, in Kitchener, the ISC World Champions were presented with the pictured trophy which was genuinely endorsed by the champion County Materials team.

The ISC feels this new style trophy provides a look of quality and distinction, reflective of the prestige of being ISC World Champs.

In addition to the new style, the trophy includes the names of all prior ISC World Champion teams from 1947 to the present.

Trophies for the runner-up, 3rd and 4th place teams were changed to a more compact yet prestigious and quality design.

The ISC extends thanks to Rick Bellefeuille of Twin City Trophies in Waterloo, ON, for his work in having the new trophies designed and manufactured. We are assured of a continuation of the Carrol Forbes Memorial Championship Trophy design for future World Tournaments and hope to also continue the look of the other team trophies, regardless of our World Tournament location.

Something Old, Something New in ISC II

By Blair Setford, ISC II Commissioner

Just like a wedding, it was a mix of something old and something new in the ISC II division in 2010. The new was a new format. With teams falling fast at the top end of the game in the off-season, the ISC amalgamated its two divisions into a 48-team unified World Tournament with the first 24 teams eliminated going on to contest a single-elimination playoff bracket to determine the ISC II Champion.

And just like they did in 2003 and 2004, it was a team from Harriston, Ontario winning the ISC II title, albeit under a new name – Wellington Sox – that made it seem

▲ 2010 ISC II Champions – Wellington Sox

very familiar. The title was the third ISC II crown for players like Trevor Seip, Aaron Small, Jeremy Creeden and Ryan Fisk.

However, it was veteran Todd Uhrig who led the Sox at the plate and on the mound, with four of his five wins coming in the last two days of the ISC II playoff round. He also drove in seven runs over the course of the tournament, playing a solid two-way game. Uhrig was named the Top Pitcher and MVP.

Over those two days, Wellington eked out a 2-1 10-inning win over Waterdown Hammer as Jeff Detta belted a solo home run in the 10th, edged Marshall Lightning 1-0 with Uhrig making a first inning run stand up the entire way, and cruised to a 6-1 win over Quyon COMBAT Flyers to reach the ISC II Championship game.

For ISC II finalist Wyevalle Tribe, they considered themselves lucky to even be playing in the World Tournament after ace pitcher Jason Giffen was sidelined by a line drive come-backer to the temple the week before the tournament.

However, with young pick-up Ian Wallwork and crafty veteran Kurt Glover, the Tribe knocked off Millington Up-to-Date Painting 3-1, Port Huron Shaw Chiropractic 4-3, stunned St. Thomas Storm 10-2 and blanked Aurora Dolan & Murphy 3-0 for the right to face Wellington.

The Tribe took an early 1-0 lead on an RBI single by Matt Tjart in the top of the first before the Sox answered with three runs in the bottom of the second as Curtis

Cornelius drilled a three-run home run. The Sox added two more runs on a Trevor Seip home run in the third and a Ryan Fisk RBI double in the fourth to extend their lead to 5-1. Wyevalle was able to draw closer on a Paul Priest RBI single in the sixth and a Mark Lambie home run in the 7th, but Nick Goetz was able to nail down the final six outs for the save.

The leading hitter in the ISC II division was Quyon's Joel Langford, batting a tidy .529. Four players tied for the lead in RBIs at nine: Shane Flinner, Ashland Stock Pack, Dave Perkins, Aurora Dolan & Murphy, Craig Buttar, Cobourg Force and Jeremy Creeden, Wellington Sox.

Among former ISC II teams who made some noise in the World Tournament, Pennsylvania Power, with key additions Sean Cleary and Rob Schwyer, finished a very respectable sixth overall and were named the Most Sportsmanlike Team.

Alvinston Indians finished in the top 10, with both Keith Rankin and Ryan Gray earning Second Team All-World honours.

Minnesota Angels, who added pitcher Juan Potolicchio, and Pete's Blues, with pick-up Jonas Mach, both finished in the top 16, as did the Elmira Expos with their in-house staff of Danny Martin and Casey Halstead.

The ISC II staff congratulates Shakespeare Falcons first baseman Jamie Boyd, who earned the Kevin Herlihy Newcomer of the Year Award, led the World Tournament in RBIs and was named to the Second All-World Team. Hickson Reds outfielder Brad deBellevall turned a daily double, making the Second All-World Team along with the ISC II All-Tournament Team. And the Kitchener Outlaws were named the Best Dressed Team.

2010 ISC Under-19 Championship

By David Lach

The 2010 ISC Under-19 Championship was held August 19-21st in Midland, MI, in conjunction with the final weekend of the World Tournament. Ten teams travelled from across North America to Midland with teams coming from Ontario, Michigan, and British Columbia, making this the largest U19 event ever held in conjunction with the ISC World Tournament.

The Champion Indians (Scarborough, Ontario) beat the Double BB Midgets (Oshawa, Ontario) 6-0 in the Under-19 finals, as fans preparing for the ISC World Championship game watched and appreciated the play of the ISC's youngest stars. The Champion Indians beat the Memorial Midgets (Stratford, Ontario) in one semi-final, while the Double BBs beat the KW Midget Twins (Kitchener, Ontario) to advance to the finals. Full results of the tournament and a listing of all-tournament team members can be found on pages 102-104.

Players, coaches, and fans demonstrated enthusiasm throughout the event, embracing the theme of ISC Development. A highlight of the tournament included the participation by the Lightning (Langford-Victoria, BC) whose fundraising efforts allowed them to travel over 2,400 miles to attend the event. These young players displayed both sportsmanship and character as, following each game, they encouraged their opponents to take a joint team photograph to commemorate the experience. See photos on page 100.

The ISC and Midland Host Committee would like to thank all the teams that competed in the 2010 U19 Championship. We look forward to watching your progress as players and members of the ISC community.

ISC Youth Clinic

By David Lach

An advanced skills youth clinic was held on Thursday afternoon prior to the start of the ISC Under-19 Championship to allow young men and boys the opportunity to work closely with ISC players and enhance their skills. Over 25 young men participated in the advanced skills clinic.

ISC Pitching Instructor Doug Gillis and Adam Kirkpatrick, members of the 2010 ISC co-host Mickey's Sleds (Midland, MI), led the clinic and were joined by ISC Player Ty McKinney from Stock Pack (Ashland, Ohio). The ISC and the Midland Host Committee would like to thank Doug, Adam, and Ty for taking to time to pass along skills and tips to these young men and boys.

INTERNATIONAL SOFTBALL CONGRESS Progressive Fastpitch Administration 1947 - 2011

The ISC, as we know it today, began as the National Softball Congress in 1947.

HISTORICAL NOTE: The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials (NSC). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. (HOF) indicates Hall of Fame player. (**) Designates a 2nd team All-World Selection

RULES AND PROCEDURES

ELIGIBILITY RULES

1. Any player is eligible to participate in the program of the International Softball Congress provided he has not violated any of the rules pertaining to the eligibility of the individual.
2. No player shall be permitted to receive any award other than a trophy, charm or any other appropriate honor award in keeping with his achievement.
3. No player becoming ineligible in any region will be permitted to play with any other region holding membership in the International Softball Congress until he has been cleared by the Regional Vice President where the violation occurred.
4. No one shall be permitted to participate in the program of the ISC who has misused any funds, owes the ISC fees or has property in their possession belonging to the ISC or any of its team sponsors.
5. No player shall be eligible to participate in ISC sanctioned events if under suspension from any other national amateur softball association.
6. The ISC Executive Committee determines a given team's base of operations or home city.
7. All leagues which are granted ISC Travel League status must extend the privilege of attendance, with voice, at all meetings of that organization to the ISC-appointed Regional Commissioner or Vice President.
8. Each ISC team is required to participate in invitational (or Qualifier) tournaments in both June and July.

OFFICIAL RULES

All games played in the ISC shall be played according to the Official Softball Playing Rules published annually by the Amateur Softball Assn (ASA). ASA rule books may be obtained from any ASA commissioner or from www.softball.org.

PLAYING RULES

- All games shall start at rainout point in case of delay, regardless of time.
- Tournament rosters shall not be changed for any reason after they have been turned in at a time to be designated by the official in charge.
- Only starting players may re-enter a game.
- Any forfeit games will be recorded with a 2-0 final score.
- The ISC mercy rule is **7-run lead after 5 innings, 12 runs after 4 innings or 15 runs after 3 innings.**
- The double bag (orange/white) will not be used at first base in ISC play.
- All players and coaches must be dressed in full playing uniform, including caps of like style and color, for all ISC tournament games and ISC World Tournament (and ISC II) opening ceremonies. For all ISC World Tournament games, teams are required to wear contrasting uniform tops/jerseys. The team placed on the top line for the game on the official bracket sheet shall wear light jerseys; the team placed on the bottom line for the game shall wear dark or contrasting jerseys. Any exception to this rule shall be cleared by the ISC Executive Director or a member of the ISC Executive Committee prior to game time. All World Tournament teams must have a team picture taken by the official photographer prior to the start of their second World Tournament game.
- The ISC uses the International Softball Federation (ISF) certified bat list. See the list at www.internationalsoftball.com.
- Courtesy runners are not allowed in ISC play.

INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE

Pitching in all ISC competition shall be governed by the current year's Official Rules of Softball published and distributed by The Amateur Softball Association of America (ASA), the national governing body for softball, WITH THE FOLLOWING EXCEPTIONS:

Section 1. Preliminary to Delivery

- A. Before starting the delivery (pitch), the pitcher must have both feet on the ground within the 24-inch length of the pitcher's plate. The shoulders shall be in a line with first and third bases. He shall take a position with the majority of his pivot foot on top of the pitcher's plate and his non-pivot foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than 10 seconds before releasing it. If the pitcher decides to pitch with the non-pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate and remain motionless at all times prior to the forward step of the non-pivot foot.

Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect: Section 1-8 any Infraction of Section 1-8 as Revised in the Illegal Pitch.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.
- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.
3. When the ball gets too dark a second time, an illegal pitch will be called and both teams will be cautioned that the next time a ball gets too dark, the pitcher and manager will be ejected from the game.
4. When the ball gets too dark a third time, an illegal pitch will be called and both the pitcher and the manager from the offending team will be ejected.

ISC COMPETITIONS

DISCLAIMER

The International Softball Congress will not assume responsibility for personal injury to personnel or any of its members, and will not be liable for property loss in connection with its program.

HOW TO ENTER ISC COMPETITIONS

Contact your Regional Commissioner or Regional Vice President. If more information is needed, contact any officer listed in the front of this book.

TRAVEL LEAGUE

All sanctioned travel leagues must play a minimum of three rounds and/or a minimum of 14 games per team per season to qualify. A one-year grace period will be granted to any region or travel league that falls below the minimum.

QUALIFYING TOURNAMENTS

All qualifying tournaments shall be under the jurisdiction of the Regional Vice President or a Regional Commissioner and must be held within the geographical boundaries of the region. The Vice President or Regional Commissioner shall determine the site, dates, format, and entry fee. Umpires in qualifying tournaments must wear official ISC umpire shirts and caps.

In locations where the VP or Regional Commissioner is involved in any way with a team, a three-man committee shall be appointed by the Executive Director to help with the conduct of the tournament.

TEAM ROSTERS

The official team roster shall be limited to 18 players.

Players participating in the Developmental Program are also eligible to play on a World Tournament team.

Team rosters are due three times per season and sent via e-mail attachment to the appropriate ISC Statisticians. Due dates are May 1 (PRAWN declaration and preliminary season roster), July 15 (deadline for rosters to appear in championship tournament programs) and the Monday preceding the start of ISC World Tournament (final and official championship roster).

ISC WORLD TOURNAMENT / ISC II CHAMPIONSHIP

ISC World Tournament shall be under the jurisdiction of the Executive Committee of the ISC.

Any team forfeiting an ISC World Tournament or ISC II Championship game may not be eligible to share in any tournament travel funds, and all players, coaches and managers may be suspended from ISC competition for one year.

Any team wanting to sell souvenir items at the World Tournament must provide such items on consignment to the souvenir chairperson for approval. Items will be offered at prevailing prices, with unsold items to be returned to the team. The items to be sold and proceeds from these items will be negotiated with the World Tournament host and the team involved.

Games in ISC World Tournament and ISC II Championship will not begin earlier than 15 minutes before scheduled game time.

ELIGIBILITY

The defending World Championship team shall have the privilege of defending its world title by invitation, providing said team has nine players on its roster from the previous year. The roster with the nine players must be turned in to the Executive Director by July 1. The city in which the World Tournament (ISC II) takes place may be represented by a Host City entry: the team may be chosen by invitation or elimination at the discretion of the Executive Committee. With the exception of the Defending Champions, Host Team, and International teams, only participants in ISC Qualifying Tournaments and invited teams will be permitted to enter the World Tournament.

Team seeding in the World Tournament will be based on the final team rankings provided by the ISC ranking committee.

TEAM ROSTER

The official team roster shall be limited to 18 players and five replacements will be permitted. The key eligibility factor is that these replacement players must have played in at least one ISC qualifying event during the season. Players who have participated on teams or in leagues during the current year, and could not participate in the qualifying tournament and are otherwise eligible, may be selected. Rules under Rules and Procedures "Eligibility Rules" must be followed.

Teams are required to submit an e-mailed roster 3 times per season: May 1, July 15 and the Monday preceding start of World Tournament.

AWARDS

Appropriate awards shall be presented at the conclusion of the World Tournament to the following: championship team (Carrol Forbes Memorial Trophy), runner-up team (Marv Casteel Memorial Trophy), third-place team(s), team displaying best sportsmanship (Frank Porth Memorial Award), best-dressed team (selected by host committee), most valuable player (Cleo Goyette Memorial Trophy), outstanding pitcher (Leroy Zimmerman Memorial Trophy), leading hitter, player with most RBIs and the ISC newcomer of the year (Kevin Herlihy Memorial Trophy). Members of the championship team will receive individual awards. Fifteen (15) players chosen on the ISC All-World first team will receive appropriate awards. An ISC All-World second team of fifteen (15) players shall also receive awards.

ISC II awards shall be identical to World Tournament except the championship team award shall be the Gord Newman Memorial Trophy, only one all-ISC II team shall be named, and no newcomer of the year award.

ALL-TOURNAMENT TEAMS

An all-tournament team shall be selected from teams participating in all tournaments under the jurisdiction of the International Softball Congress. Fifteen players shall be named: three pitchers, two catchers, five infielders, four outfielders, and a designated hitter. The ISC Statistician (ISC II Statistician) shall tabulate all ballots and announce the official All-World team at the close of the World Tournament (ISC II). Ballots shall be accepted from each member of the All-Tournament Team committee as appointed by the ISC Statistician (ISC II Statistician).

Only players having participated in four or more games shall be considered. The batting champion must have a minimum of 12 times at bat or 15 official appearances as a batter. The Most Valuable Player and Outstanding Pitcher are mandatory members of the All-World first team.

Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with the properly completed Letter of Intent form (or e-mailed commitment), must be postmarked no later than May 1 to the ISC Executive Director.

DEFINITIONS

1. RESIDENCY

a) REGION PLAYERS

All players must maintain primary residence and be available for legal employment, as of May 1, in the region governing the team with which a player competes. A temporary residence does not qualify as a primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region or travel league after May 1 of the current year and wishing to play in an ISC tournament or travel league shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region or travel league. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region or travel league. The Executive Committee shall make the decision, and in no case shall anyone play if not approved by June 15.

b) PLAYERS OUTSIDE REGION

If a player wishes to play in an ISC region and/or travel league outside of his geographic region of residence whether that region be under ISC jurisdiction or not, he must e-mail his intention with ISC headquarters by May 1 annually. A check, money order or credit card information as specified by the ISC Out-of-Region Fee Schedule, must be submitted with the Team Out of Region Recap Form by the team. Upon approval of the Out of Region request by the ISC Executive Director, the out-of-region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region or travel league until the following season.

Team rosters for all ISC play shall be restricted to the same two (2) out-of-region pitchers for the entire season. Pitcher is defined as any player on an 18-man roster who pitches in any ISC competition.

Any team having more than two Out-of-Region pitchers must declare the team's two Out-of-Region World Tournament pitchers by July 15 to the ISC Executive Director. Out-of-Region pitchers not declared for World Tournament participation may request release from the team and be made available to other teams for World Tournament play.

Approved out-of-region players are eligible to be picked up by another team entered in World Tournament.

Notification of approved out-of-region players will be made to ISC commissioners by the Executive Director.

Approved out-of-region players on all ISC teams must play in at least one approved ISC Qualifying event or in invitational tournaments in both June and July, with their current year's team, to be eligible for World Tournament play.

In the case of travel league teams, approved out-of-region players must play in at least six games (exceptions must be approved by the ISC Executive Director) to be eligible for World Tournament play. Teams with predetermined berths to the ISC World Tournament (defending champions, host team and invited team) are exempt from the six-game travel league rule.

Each team will be allowed one exception to the requirement that out of region players must play in either an approved ISC qualifying event or an invitational in both June and July.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by June 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the May 1 Out-of-Region deadline, a team may apply to the appropriate Regional Commissioner or Vice President for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

If a player is within an ISC Region which does not send a team to the ISC World or ISC II Championships, the player may be picked up to play by another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form and fees.

2. PRAWN RESTRICTIONS

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent five years, including MV Player and Outstanding Pitcher. The PRAWN list will be released on AI's list by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher, regardless of which position the pitcher was named as PRAWN. Teams are still limited to two OOR pitchers for the season. All teams must name their PRAWNs to the Executive Director by May 1 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below **5**.

AGE EXCEPTION FOR PRAWNS

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 41st through 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 46th birthday by providing proof of age to the Executive Director by May 1 of each year.

PRAWN Extension

A PRAWN that plays in more than one tournament for a team prior to the World Tournament, but is not included on that team's roster for the ISC World Tournament, and does not participate for any other team in the World Tournament, will have his PRAWN status extended for one additional year.

PRAWN Exception

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.
