ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

Acknowledgments

Putting together the annual ISC Championship Guide is a labour of love for all of us involved. From the many hours compiling stats, writing stories and proofing the Guide by our Managing Editor Blair Setford to the work by those noted below, we are proud to keep the ISC Guide book tradition alive.

All of the stats and data is driven by the Pointstreak scorekeepers, led by Craig Donaldson and including Jessica and Rosanne Allan, among others.

Our photos are from Quest Media Design's Nick Fisher, who spends an inordinate amount of time at the park ensuring all team photos get taken while also making sure he covers the game action as well. Additional photos are courtesy Gord Dearborn.

Jeana Schroeder is our Production Editor and makes the Guide look better and better every year, placing photos, arranging our color palette and finding room for all of our stats and historical records.

ISC Hall of Famer Dan Nessler, of Powerhouse Promotions, handles printing and shipping the Guide across North America. Red Mat Media, led by Scott Standerfer, gets the electronic copy of the Guide posted for us every year.

We hope you enjoy reading the 2019 ISC Championship Guide as much as we enjoyed working on it.

About The Cover

Andrew Kirkpatrick had a tremendous ISC World Tournament, leading the New York Gremlins to their first championship. Andrew won his second Most Outstanding Pitcher Award, and became just the 11th player to make All World 10 or more times.

Return to Kitchener (nearly) all sunshine and roses

Bruce Bierman delivers the ceremonial first pitch

There were both new and familiar faces as the ISC World Tournament returned to Peter Hallman Ball Yard in Kitchener, Ontario for the fifth time since the turn of the millennium.

Some of the new faces were the emerging stars making the ISC All Tournament team, like top newcomer Michael Holobradek from the Czech Republic, and Canadians Tyler Pauli and Tyler Randerson, while familiar faces such as long-time veterans Aussie Andrew Kirkpatrick and American Matt Palazzo, emerged victorious.

The weather, which was cold and windy throughout the 2014 ISC World Tournament, was for the most part warm and even humid in 2018. Rain caused a

90-minute delay on Thursday, but other than one downpour, the games went off as scheduled.

Four new champions were crowned, with five of the eight teams in their respective championship games making it for the first time.

One of the biggest stories was the run to the ISC Championship game by next year's host team, Circle Tap Dukes. Previously, the Dukes highest finish had been a 4th place finish in 2004 and a tie for 3rd place in 2005.

We look forward to bringing the ISC World Tournament to Denmark, WI in 2019 as the ISC visits Circle Tap for the first time.

New York Gremlins climb ISC World Tournament mountain

Chasing title since 2012, Gremlins grab elusive ISC Championship

By Blair Setford

It ended quickly, on a two-run home-run by Matt Palazzo, but the first ISC World Championship for the New York Gremlins was years in the making as the Gremlins run-ruled Circle Tap Dukes 8-1 in six innings.

Palazzo had only one thing in mind when he came to the plate as a pinch-hitter with Jerome Raemaki at first after a walk in the bottom of the sixth inning.

“When the opportunity presented itself, I grabbed my batting gloves and told whoever was behind me to just take a seat ‘cuz I’m ending this game with one swing,” said Palazzo. “We beat some fantastic teams and it’s a great feeling to raise our arms together.”

From the crack of the bat, the celebrations were on. The Gremlins have been among the top teams on the ISC circuit since 2012. They dropped a 1-0 heartbreaker in extra-innings to Hill United in the 2013 final but hadn’t been able to make it back to the championship since.

Coming into the season, the Gremlins made some personnel changes, releasing some long-standing players, as well as rising star pitcher Roman Godoy, something that “wasn’t easy” according to manager Gregg Leather.

“I know many people in the game were shocked we let Roman go, but we knew Andrew Kirkpatrick was on a mission and he has always been our guy,” said Leather. “When we looked

back at our ISC losses through the years it was usually a lack of key hits that kept us from reaching our goal not our pitching.”

The decision to stick with Kirkpatrick over Godoy had the potential to haunt the Gremlins on Championship Saturday in Kitchener as Godoy was masterful in defeating the hometown Hallman Twins in the loser’s bracket final.

Ladislao Malarczук slides across home plate for the Gremlins

A Cinderella-style finish wasn't to be for Godoy and the Dukes, however. After battling to tie the game at one as a Daniel Dalton RBI single scored Manuel Godoy in the top of the fourth, the Gremlins' Ladislao Malarczuk and Nick Mullins sent solo shots over the wall in the bottom half, the former ending the day for Roman Godoy, who went three innings and one batter, allowing two runs on four hits with a pair of walks and strikeouts each.

Martin Gonzalez was touched up for six runs on five hits in 2 1/3 innings of relief.

The Gremlins scored three in the fifth inning on an RBI double by Malarczuk and an infield single by Zenon Winters that was redirected off the glove of Gonzalez to score Ben Enoka and Malarczuk.

Kirkpatrick went the distance for the Gremlins to pick up his fifth win of the tournament, fanning 13 against two walks, giving up only the lone run on five hits.

"We had one of the best seasons I have ever had over in North America, only dropping four games all year and, going in to the (ISC) World Tournament, we were very confident and excited about our chances this year," said Kirkpatrick. "I'm so happy for our team and sponsors because they have worked so hard for all of us and they deserve it more than anyone."

Dukes Federico Eder jumps over Gremlins' Jerome Raemaki for DP

MVP Bryan Abrey homers in the championship game

Kirkpatrick picked up his second Leroy Zimmerman Memorial Most Outstanding Pitcher Award, matching Todd Martin in going 12 years between award-winning tournaments.

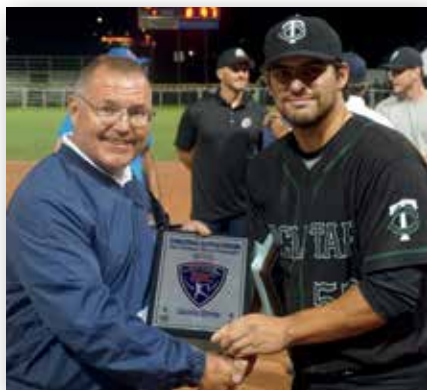

Bryan Abrey, who led off the championship game scoring with a home run in the second inning, was tabbed for the Cleo Goyette Memorial Most Valuable Player Award.

"Before the week in Kitchener, I focused a lot on the upper-class pitchers and how they approach me at the plate," said Abrey. "I was able to stay patient, make solid contact and the ball was finding holes for me. Winning is an incredible feeling, especially with the group that we had."

For application form, please contact Charlie Smith, CFF Chair or John Thompson, CFF Co-coordinator (addresses below). Applications accepted January-June, or until available funding is depleted.

MEMBERSHIP—Resource development for the CFF originates from donors who become "members" in the Forbes Foundation. Veteran ISC World Tournament umpire Les Novak, an original founder of the CFF, was the inaugural "Gold Donor". Membership is open to individuals, families, teams, sponsors, businesses, organizations etc. The ISC has been granted 501(C)(3) tax-exempt status by the IRS whereby donors are eligible to receive IRS charitable tax receipts to offset income tax payable.

Various levels of membership are available and provide the following recognition:

ISC HALL OF FAME

INTERNATIONAL FLAIR FOR CLASS OF 2019

By John Thompson

The International Softball Congress Hall of Fame Selection Committee is pleased to confirm that the ISC Board of Directors approved a slate of six outstanding Canadian nominees for induction into the International Softball Congress Hall of Fame as the Class of 2019. The inductees include three players, an umpire, an administrator and a recipient of the Bob Welby Memorial Recognition of Service Award.

Four of the inductees were born in Ontario, while the others have origins in Manitoba and Newfoundland.

PLAYERS

Korrey Gareau – Cobble Hill, BC, CANADA

Korrey Gareau, 46, has the stats and the hardware typical of many pitchers who are current members of the ISC Hall of Fame. While participating for six different ISC teams spanning 21 summers, Korrey's durability is obvious. He played in 16 ISC World Tournaments, from Summerside, PE in 1994 to Kitchener, ON in 2014, and was voted ISC All-World seven times, six of them on the first team.

Korrey's finest era was as a member of the 2005-08 Farm Tavern teams (All-World all four years) highlighted in 2007 as he led "The Farmers" to the ISC crown, defeating So Cal Bombers in the championship tilt. Korrey was "pitcher perfect" with an unblemished 5-0 record, amassing 41 strike-outs in 32 innings while posting a highly respectable 1.08 ERA. In recognition Korrey was awarded his second Leroy Zimmerman Most Outstanding Pitcher Award.

Two years earlier, Korrey was the undefeated (6-0) Top Pitcher as Farm Tavern, in the championship tilt, relinquished a 7th-inning three-run lead to lose to County Materials 4-3 in an extra frame. In 38 innings, Korrey set down 69 batters via strike-out, and had an ERA of 1.46.

Other teams for whom he toed the rubber (and was named All-World) include 1994-98 Victoria Legends (All-World 1997), 1999 51 Classics, 2000-2003 Tampa Bay Smokers (All-World 2001), 2004 Hallman Twins, and 2014 Randy's A's (All-World 2014). Korrey

is among the top ten pitchers in ISC history, amassing 40 wins from 1995-2014. As well, Korrey was an impact pitcher with Team Canada (1999-2008) and a member of three Canadian National Championship Teams with Victoria Money Mart (1994), Victoria Legends (1997) and Vancouver Grey Sox (2007).

Patrick Shannon – Waitakere, NEW ZEALAND

Hear Ye, Hear Ye – the following are the Hall of Fame required credentials: solid, effective and consistent defence; impactful and timely offence; propensity of placing others above self and simply being a noble and unselfish teammate.

Those attributes are embodied by 43-year-old Patrick Shannon, who had awesome softball skills and was a definitive "five-tool" player possessing speed, power, hitting for average, fielding and arm strength. He made his presence felt in every game in which he participated.

A total of 10 ISC All-World plaques fill his trophy cabinet (tied for the 4th most all-time) including seven first-team selections, from his dozen ISC World Tournament from 2001-12. Four ISC World Championship rings adorn Patrick's hand, twice winning back-to-back titles with County Materials (2005-06) and Kitchener Rivershark Twins (2008-09).

At the plate in 82 ISC World Tournament games, Patrick amassed 74 hits, 63 RBIs, an on-base percentage of .449 and an awe-inspiring 23 home runs. Most of the dingers occurred in dramatic fashion when the game "was on the line". Behind the plate, while handling many of the greatest pitchers in the

ISC HALL OF FAME

INTERNATIONAL FLAIR FOR CLASS OF 2019

sport, including international hard-throwing hurlers Aussie Andrew Kirkpatrick, Argentine Lucas Mata and Canadians Todd Martin and Frank Cox, Patrick committed only three errors in his career, a phenomenal .996 fielding percentage.

Internationally, as a member of the New Zealand Black Sox (1996-2013), Patrick has gold medals from the 2004 (Christchurch NZ), 2009 (Saskatoon, Canada) and 2013 (Auckland NZ) World Championships. Many players have stated “Patty may have been the best teammate I ever had” and has oft been described as “an even better person off the diamond”. Quite simply, Patrick Shannon is one of the best to ever play the game.

Jim Wana, Wellington NEW ZEALAND

Jim Wana, 49, (formerly Jim Seaman) was introduced to softball on a New Zealand army base at age 10, and by 14, despite his youthful age, was pitching with the Manawatu senior team. He started building his fastball resume in 1985 as a member of the New Zealand U19 team, and with teammate Mark Sorenson (HoF 2010), struck gold in Fargo, ND as ISF Champions.

Broadening his horizons as a teenage athlete in the late 1980s, Jim traversed the oceans to further his softball skills during the North American summers. His introduction to the ISC World Tournament was in 1987 in Saskatoon, where he led St. Paul Strohs/Gatsbys to 5th place. He pitched 53 innings with a 5-2 record, 75 strike-outs and a miniscule ERA of 0.53. For his superb work in the pitcher’s circle, Jim was named to the Second All-World Team.

Jim’s obvious talents and achievements garnered attention and the following season, he donned the colors for the highly-touted Sioux City Penn Corp squad. It was a memorable matchup that paid immediate dividends. At the 1988 ISC Tournament in Decatur IL, Jim twirled a three-hitter in the championship game. Propelled by home runs from Hall of Famers Denny Delorit (2014) and Randy Burnside (2005), Sioux City prevailed 5-0 over

Lexington MO Harold’s Supermarket. At age 19, Jim was named to the First All-World team and was recognized as the Most Outstanding Pitcher. Jim won four ISC Championships and three All-World honors, including his Second All-World Team recognition with Broken Bow Travelers in 1995.

Jim finished his career with the New Zealand Black Sox, and turning back the clock, was battery-mate with Mark Sorenson when the Black Sox won the 2004 World Championship in Christchurch, NZ. Following his playing career, Jim turned to coaching, helping the Black Sox to a 2009 silver medal in Saskatoon and more recently helping a young New Zealand squad to the gold medal at the 2017 WBSC World Championship in Whitehorse, YK. Currently, Jim is helping prep the Black Sox to defend the world title in 2019 in Prague CZ.

FIELD MANAGER

Terry Baytor, London ON, CANADA

It’s been a long and winding road for Terry Baytor, 66 whose softball/baseball longevity spans seven decades from sandlots in Toronto to multiple world stages. Starting at age seven under the tutelage of his father Paul, and influenced by hockey coaching legend Roger Neilson, Terry honed his skills such that he entertained baseball scholarship opportunities and attended a New York Yankees prospect camp in 1968.

He started coaching softball in 1969 at age 17 with a group of youngsters, leading them through the minor ranks to eventually compete at the senior men’s level, winning multiple Ontario championships along the way. Commencing with his inaugural foray in 1983 at the ISC World Tournament in Bakersfield CA, Terry managed four teams (Agincourt Rawlings, Toronto Gators, Tampa Bay Smokers and the resurrected Gators) spanning 11 summers. With eight final-four finishes in those events, Terry’s teams won four ISC titles, three with Gators (1993, 1995 and 2016)

ISC HALL OF FAME

INTERNATIONAL FLAIR FOR CLASS OF 2019

and one with the Smokers (1998), compiling 59 wins against 16 losses for a .787 winning percentage. Terry took a 17-year break (1998-2013) and subsequently unretired to lead the Gators though 2014-16 with a record of 16-4 in ISC play culminating in the 2016 ISC World Championship.

Terry was prominent at the international level for 28 seasons, initially as an Assistant Coach (1982-89) and then Head Coach (1989-2000) with Canada's National Team, compiling a 79-9 record. In total Team Canada squads in which Terry was involved amassed eight international medals: gold at 1983, 1987 & 1991 Pan American Games, gold at the 1995 & 1999 Pan Am Championships and bronze (1988), silver (1984) and gold (1992) at the ISF World Championships.

Terry is one of the most successful softball coaches in the world, providing leadership to teams competing in more than 2,100 games, and is the only Field Manager to win ISC, Canadian, Pan Am Games and ISF/WBSC championships.

BOB WELBY MEMORIAL "RECOGNITION OF SERVICE" AWARD

Darren Derricks, Green Bay, WI, USA

For the love of the game is understood and demonstrated in various manners by every sports person. It can mean playing late nights on the ball diamond, waking up before sunrise to participate in extra batting practice, staying past the normal practice time for infield drills after everyone else has gone home or sleeping every night with a softball glove under your pillow.

It can also mean displaying passion and devoting significant resources of time, energy and funds to ensure that the sport thrives. Darren Derricks, 47, has exhibited by example, his love for the game of softball. Originally competing as a player, Derrick maintained his enthusiasm by becoming a sponsor of renown

for the Circle Tap Dukes based in Denmark WI. At one point he sponsored not one, but two teams and always fostered the "greater good" of the game.

Two examples are his support for a "gentlemen's agreement" that teams in Wisconsin refrain from poaching other teams' players with an objective of keeping teams together and raising the overall level of local competition, and his decision to release, from his own team's roster, a pitcher so that another team could compete in the ISC World Tournament.

Circle Tap is one of the longest tenured, continuously operating softball organizations, competing in the ISC World Tournament since 1995. Confident in his style and actions, Darren makes the call for Circle Tap team decisions. He is always willing to express and share opinions that will foster sustainability and quality of play and make the game better for all teams competing at the ISC World Tournament. Darren, in collaboration with the Circle Tap organization, is, for the first time, hosting the ISC World Tournament in the village of Denmark in 2019, assuming most of the risk and financial liabilities which he has generously placed on his own shoulders. Why? Quite simply, for the love of the game!

The Carrol Forbes Memorial Trophy has undergone many transformations over the years.

For more than three decades, it was a six-foot tall monster incorporating two levels of wooden bats, which was a well-regarded trophy style in the 1970s, but whose popularity had waned. In addition, the trophy was a challenge to transport for the winning team, to say the least.

In the last 15 years, the Forbes trophy has changed from a championship cup to the current incarnation shown here which is awarded annually to the International Softball Congress World Tournament Champion.

Every year the Carrol Forbes Trophy is purpose-built for the ISC World Tournament, and includes the names of all of the previous champions dating back to 1947.

The ISC believes strongly in embracing our storied history and is extremely proud to present this unique commemorative trophy every August.

ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials (NSC). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams.
(HOF) indicates Hall of Fame player (**) Designates a 2nd team All-World Selection

Irma Tigers roar in ISC II

By Blair Setford

A pair of teams making their ISC debuts hooked up in the ISC II Championship game with the Irma Tigers from Alberta coming away with a 5-1 win over 3 Cheers Pub from St. John's, Newfoundland.

The Tigers took the short route to the final, winning three straight to stay on the top side of the bracket, keeping ace Steven Normand's pitch count down. Not that he had been severely tested to that point, tossing a three-inning no-hitter against Frankenmuth Brewers, and a one-hitter against Alvinston Aces in the winners bracket final, sandwiched around a 3-1 win over Fenelon Falls The Lakes by Mike Legace-Roote.

"I wasn't as fresh as I'd want to be facing a team who had gotten hot and (I knew) that I was going to have to hit spots and let the D work and they did just that," said Normand. "We were able to score runs early which made things a lot easier on me being able to pitch with the lead."

The route to the final was much longer for 3 Cheers. After dropping their ISC II opener 1-0 in extras to Puslinch Kodiaks, the men from St. John's reeled off five consecutive wins over Durham Diamondbacks, Kitchener Predators, Shakespeare Falcons, Fenelon Falls and Alvinston.

The Tigers opened the scoring in the second inning, plating Ambrose Firkus and Nicholas Potskin on a throwing error. They added two

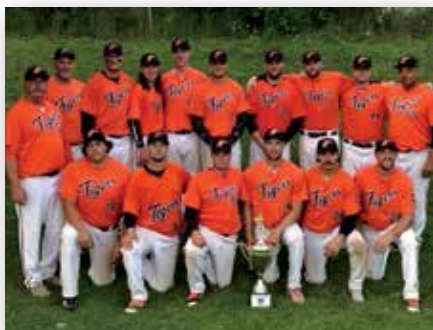

more in the fifth inning as Evan Normand drove in Chance Lund and Brett Larson after an intentional walk to Taylor Schubada to load the bases backfired on 3 Cheers.

Schubada, who batted .500 for the tournament and played error-free defence, was named the winner of the Bob McGowan ISC II MVP Award. "Our pitchers definitely made it easier for us, just knowing how well they were throwing and that you didn't have to go up to the plate with a have-to-get-a-hit attitude. We were able to relax and get comfortable in the box, which is the key to hitting, just being comfortable and confident."

Potskin, who was 3-3 in the championship game and 8-10 in ISC II to win the Top Batter Award, scored in the sixth on a wild pitch. "It was a great time," said Potskin. "When you are playing for such an outstanding team, nothing can really get the team down. It is just a matter of recollecting yourself after the game, talking it out as a team and getting back out there knowing you've all got each other's back."

3 Cheers wouldn't go quietly in the top of the 7th inning, however, as Danny Mullins singled and scored on an RBI-double by Stephen Strapp, but three straight line-shots right at infielders ended the game.

"They hit the ball hard late in the game but our defence continued to make plays as they had all week," said Normand.

Gosse adds to ISC collection with Legends title

By Blair Setford

In 2012, Ward Gosse suited up for a team from northern Ontario and led them to an ISC II title. In 2018, he repeated the trick, leading the Sudbury Relics to the ISC Legends Championship, edging Bay Area Merchants, of California, 1-0 in a tight final.

“Northern Ontario fastball is very similar to Newfoundland with the guys sharing a lot of passion for the game,” said Gosse. “There’s a no-quit attitude and playing with these guys, it reminds me of playing at home: great athletes and willing to go through the wall for each other.”

In the Legends championship game, scoring chances were few and far between as Gosse and the Merchants David Beets were able to keep the opposition at bay, scattering just a handful of singles until the 5th inning.

In the top, Bay Area’s Lawrence Machado singled and reached third with only one out, but Gosse was able to rear back and get a strikeout and groundout to work out of the inning and the scoring threat.

Sudbury’s Eddie Roy tripled leading off the bottom of the 5th, bringing up Gosse with a chance to win his own game. A single brought in the only run needed to clinch the victory.

“David Beets was doing a good job of holding us down but we got a big triple from Eddie Roy – never seen him run that fast – and then I got lucky and got one off the hands,” Gosse said.

Beets, who allowed only the one run on five hits and five strikeouts, took the loss but was awarded the Top Pitcher Award.

Gosse, who finished with a three-hit shutout and eight strikeouts, took home MVP honours.

“Legends is maybe the most fun I’ve had in the game with the camaraderie with all of the guys,” said Gosse. “The laughs we have off the diamond are off the charts, but when we step on the field, the compete level gets turned on.”

Sudbury was undefeated at 6-0 in winning the Legends title, beating Calgary Painters and Indiana Eagle Pack in playoff action earlier on Saturday. Bay Area knocked out defending champions Ohio Battery in their quarter-final then topped Waterdown Hammer Legends in semi-final action.

Bulls are best in U23

By Blair Setford

Cobourg Bulls hung on to win the 2018 ISC U23 Championship 4-3 over the Owen Sound Selects in nail-biting fashion.

The Bulls, who finished 6-0 to go undefeated in their run to the title, scored in the bottom of the as lead batter Keegen Scott was hit by a pitch, advanced all the way to third on a sac bunt by Josh Maguire and came in as Jake Bricknell reached on an error.

In the top of the third inning, the Pringle brothers got the Selects on the board as Mitchell singled and scored on a two-run home run by Mackenzie.

Bulls pitcher Kyle Ainslie worked into and out of jams in the sixth and seventh, stranding the tying and go-ahead runs at second and third in the last frame to get the complete-game win.

Kirk Santala worked 3 1/3 innings and was tagged with the loss, giving up four runs on five hits.

Matt Wardop pitched the final 2 2/3 innings and only allowed a lone base runner on a walk.

Jeff St. Pierre, U23 MVP Award Winner, Cobourg Bulls

The lead would be short-lived however, as the Bulls came right back in the bottom of the third and put up three runs of their own. Singles by Adam Harris and Maguire were cashed on a two-RBI single by Bricknell. After a ground-out advanced him to second, Bricknell scored on an RBI single by Riley McAdam.

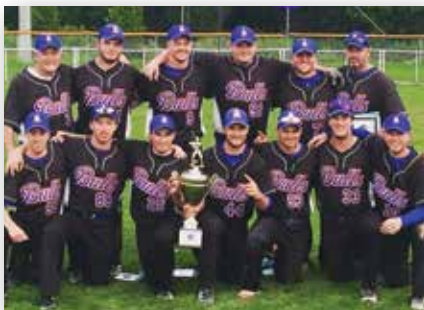

The Selects were able to draw within a run in the top of the fourth as Brandon Tucker tripled leading off the inning, scoring on an RBI single by Jordan Baumber.

Clayton Robinson, U23 Most Outstanding Pitcher, Cobourg Bulls

Earlier, Cobourg beat Alvinston Junior Aces 3-1 in their semi-final while Owen Sound knocked off two-time defending champions New Hamburg Mustangs 5-4, scoring two runs in the bottom of the seventh for the win.

The Bulls Jeff St. Pierre was the U23 Tournament MVP, belting five home runs and driving in 11 for the champs. Clayton Robinson, of the Bulls, was named Top Pitcher, finishing with a 3-0 record and 34 strikeouts in 20 innings. INTERNATIONAL SOFTBALL CONGRESS

Progressive Fastpitch Administration

Since 1947

The ISC, as we know it today, began as the National Softball Congress in 1947.

HISTORICAL NOTE: The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women and operated from 1947 through 1957.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only. The ISL held championships from 1951 through 1957.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE

Pitching in all ISC competition shall be governed by the current year's Official Rules of Softball published and distributed by The Amateur Softball Association of America (ASA), the national governing body for softball, WITH THE FOLLOWING EXCEPTIONS:

Section 1. Preliminary to Delivery

- A. Before starting the delivery (pitch), the pitcher must have both feet on the ground within the 24-inch length of the pitcher's plate. The shoulders shall be in a line with first and third bases. He shall take a position with the majority of his pivot foot on top of the pitcher's plate and his non-pivot foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than 10 seconds before releasing it. If the pitcher decides to pitch with the non-pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate and remain motionless at all times prior to the forward step of the non-pivot foot.

Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect: Section 1-8 any Infraction of Section 1-8 as Revised in the Illegal Pitch.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.
- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.

DEFINITIONS

1. RESIDENCY

a) IN-REGION PLAYERS

All players must maintain primary residence and be available for legal employment, as of May 15, in the region governing the team with which a player competes. A temporary residence does not qualify as a primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region after May 15 of the current year and wishing to play in an ISC tournament shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region. The Executive **Director** shall make the decision, and in no case shall anyone play if not approved by June 15.

If a player is within an ISC Region which does not send a team to the ISC World Tournament, the player may be picked up to play with another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees.

b) OUT-OF-REGION PLAYERS FEES

If a player wishes to play in an ISC region outside of his geographic region of residence, whether that region be under ISC jurisdiction or not, he must email his intention to play with his current year's team to the ISC Executive Director by June 15 to be eligible for World Tournament play. Payment via PayPal as specified by the ISC Out-of-Region Fee Schedule must be submitted by each team with the listing of its Out-of-Region players. Upon receipt of the Out-of-Region player's email intent by the ISC Executive **Director**, the Out-of-Region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region until the following season.

The first three Out-of-Region players per team will be assessed \$100 (US\$) each payable by the team. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with properly completed notifications of intent via email, must be paid via PayPal no later than June 15 to the ISC Executive Director.

Approved Out-of-Region players, whose team does not play in the ISC World Tournament, are eligible to be picked up by another team entered in the ISC World Tournament. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees. Notice of approved Out-of-Region players will be made to the ISC commissioners by the Executive Director.

All ISC teams who have four (4) or more approved Out-of-Region players must have their Out-of-Region players play in at least one approved ISC qualifying event or in an invitational tournament in both June and July with their current year's team to be eligible for the current year's ISC World Tournament. Exceptions to the preceding for **rostered** national team players and **rostered** junior national team players may be requested through the appropriate national Vice President.

Each team with four (4) or more approved Out-of-Region players will be allowed one (1) exception to the requirement that Out-of-Region players must play in an approved ISC qualifying event or on an invitational tournament in both June and July. That exception must be declared and marked on the ISC roster form and resubmitted to the Executive Director by June 15. This exception is subject to PRAWN rules and Out-of-Region form, June 15th deadline and fees.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by July 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the June 15 Out-of-Region deadline, a team may apply to the appropriate Vice President for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

2. PITCHERS

Team rosters for all ISC World Tournament play shall be restricted to three (3) pitchers. Pitcher is defined as any player on an 18-man roster who pitches in ISC World Tournament competition. The three (3) pitchers for ISC World Tournament play are deemed to be the first three (3) that pitch in the ISC World Tournament.

3. PRAWN RESTRICTIONS

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent three years, including MV Player and Outstanding Pitcher. The PRAWN list will be released by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher. All teams must name their PRAWNs to the Executive Director by May 15 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below 5.

AGE EXCEPTION FOR PRAWNS

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 43rd or 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 45th birthday or after one season on the PRAWN list by providing proof of age to the Executive Director by May 15 of each year.

PRAWN Exception

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.

A team may apply for an exception to the one (1) PRAWN pitcher limit provided the second PRAWN pitcher is declared ineligible in all circumstances to pitch in the ISC World Tournament, including any hardship appeal.
