## ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

## Acknowledgments

After a year off due to the global pandemic, we are thrilled to be bringing you the 2022 ISC World Championship Guide.

The ISC celebrated our 75th Anniversary in 2021 and we were quite happy to be in Eldridge, IA – just down the road from the Quad Cities. The head of our host committee – Visit Quad Cities' Lynn Hunt – ensured that we would have everything that we needed to make the World Tournament a success.

Nestled among the corn fields and with a small-town vibe, Eldridge delivered. In the pages that follow, we hope you get a taste of the "Field of Dreams" atmosphere at the Sheridan Meadows Sports Complex.

Our photos are by Nicholas Fisher, of Quest Media Design. Nick spends hours upon hours at the park, taking all of the team photos, along with the action shots, the quiet moments and the crowd shots.

Our scoring migrated from Pointstreak to Game Changer in 2021. John "Woody" Woodruff and Chris Woodruff led our team of scorers at the World Tournament.

Jeana Schroeder is our Production Editor and continues to enhance the look of the ISC Guide, making it better every year. ISC Hall of Famer Dan Nessler handles the print production and shipping of the Guide across North America.

# 75th ISC World Tournament

The International Softball Congress was very excited to bring the 75th ISC World Tournament to Eldridge, Iowa.

With the challenges that the global health pandemic presented to everyone in the past 18 months, we want to commend the team at Visit Quad Cities, led by Lynn Hunt, and the host committee in Eldridge for all of their efforts to make us feel at home.

Typically, planning the ISC World Tournament involves 24 months or more of planning, scheduling and preparation. In 2021, it was accomplished in less than eight months. Fences were moved to extend the length of fields. New lights were erected and the Sheridan Meadows Sports Complex was refurbished for the ISC World Tournament.

We're quite confident that teams, fans and officials enjoyed the mid-west hospitality that the greater Quad Cities region has become famous for in fastpitch softball circles.

Our journey to our 75th Anniversary started in 1947 in Phoenix, Arizona and we've been a frequent visitor to the Quad Cities region over the decades and we look forward to returning in 2022!

# Chiefs Championship a Four-Week Journey

## Hill United wins 5th title in last 8 years

*By John Hill, Hill United Chiefs Coach, with added files by Blair Setford, ISC VP*

It was a four-week journey that covered five U.S. states that culminated in the Hill United Chiefs rallying to win the 2021 ISC World Tournament Championship.

The journey for us started in Minnesota and finished up in Iowa. A few tournaments, a few exhibition games, daily practices, the U.S. national championship and finally the ISC World Tournament. We last won the ISC in 2017 and were coming off two straight fourth place finishes in 2018 and 2019. With Covid shutting down the season in 2020 and for most of 2021, the Chiefs set out on a mission that involved commitment, sacrifice and time away from family, but all of the team members bought into it knowing that it would be the only way we had a shot at doing what we did.

Our first tournament in Minnesota was a disaster as we went 1-2 with a quick exit. Disappointing for sure, but almost expected as most of the team hadn't played in a tournament in two years. More practice and a slew of exhibition games helped prepared us for the U.S. National Championship in Oklahoma City. While we played much better there, the New York Gremlins proved to be too much for us, beating us in the winners bracket final and eventually defeating us again 7-5 in the final game. Congrats to the Gremlins on another U.S. national championship.

More practices and more exhibition games in Wisconsin followed in the week between Oklahoma City and our first game in the ISC World Tournament. This proved to be time very well spent as we got off to a flying start in Iowa. Pablo Migliavacca pitched a no-hitter and our bats were strong as we won our first two games, leading to another match with the Gremlins on Wednesday night.

A fantastic game it was but we ended up losing 6-5 in extra innings. That put us into the losers bracket, meaning we had to win four games for the title. We beat J&B out of California 4-2 in our first elimination game and then beat the 2020 U.S. champions Kegel Black Knights from North Dakota 6-2 in our second elimination game. After that win, we had to play Kitchener Hallman Twins of Ontario, a rematch of the 2014 ISC World Championship game. With a 7-3 win, we advanced to the championship game against – you guessed it – the two-time defending ISC Champs, the NY Gremlins.

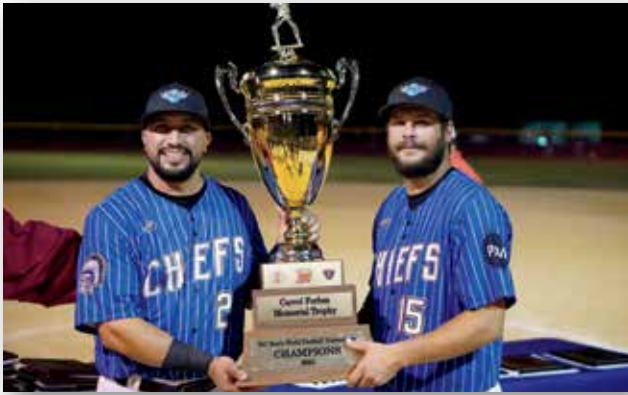

The 2021 ISC championship was a game for the history books is all I can say. The Chiefs took a quick three-run lead on a pair of unearned runs and an RBI double by Bruno Motroni in the 2nd but before we could blink the Gremlins went up 4-3 on a two-RBI double by Jerome Raemaki, followed by an RBI single by Erick Ochoa, all in the 3rd. Zenon Winters scored on a wild pitch in the 4th to give the Gremlins the lead. A run by the Chiefs in the 6th inning tied it at 4 as Isaac Lefebvre scored on an error. That set the stage for a bases-loaded double by the Chiefs' Jason Hill in the top of the 7th to put us up by three runs 7-4.

Anyone who thought the Gremlins would go quietly was dead wrong. They quickly put two runners on base and with two outs, Wayne Lauulu – who hit the walk-off home run in extra innings to beat us earlier in the week – hit a ball that Nico Carril caught on the warning track near the fence for the final out, clinching an ISC World Championship for the Hill United Chiefs. This was truly a complete team effort by every single player that wore the uniform. There is no “I” in team and, collectively, we proved it this past week. All of our players left it all on the field and I couldn't be prouder of each and every one of them.

I do have to mention the huge support from our sponsorship group and in particular Pete Hill who provided us with an opportunity to create our own Field of Dreams in the corn fields of Iowa. Without their support it simply would not have happened.

# Tribute to Craig Donaldson & Gary Baughman

Craig Donaldson passed away in early March 2021 at the age of 69 after a prolonged stay in hospital battling cardiac issues and other illnesses.

Craig was a fastball stalwart in the Vancouver, BC area for decades. He joined the ISC in 2002 as a Regional Commissioner. For the past eight years, he served as VP and Director for the World Tournament, responsible for the scheduling, bracket and oversight for the event as a whole.

“Putting together the chronological schedule for the ISC World Tournament, with all of the supporting events, is like putting together a new puzzle every year and no one did it better than Craig,” said ISC Executive Director Larry Fisher. “We miss his dedication and his passion for the game.”

Craig ushered in computerized scoring for the ISC, starting with the 2015 World Tournament in South Bend, IN, helping to teach new scorekeepers each year and overseeing a terrific group of volunteers.

In Vancouver, Craig was heavily involved with the South Hill Sports Association and is credited by many with his efforts to keep the men’s game alive, bringing in the Canadian men’s national team for tournaments to help draw crowds and promote the game in southern BC, where fastball once had a devoted following.

Five-time ISC All-World player and Vancouver native Derek Mayson said Craig was a titan of the game. “His passion for the sport combined with his smooth and confident leadership has brought joy to so many by being the driving force behind organized ball in the Vancouver area and ISC for decades,” said Mayson. “Always a kind word to say about any ball player he came across, Craig was always one to seek out to swap stories from the field.”

Craig was retired from his teaching role with the Vancouver School Board. The Craig Donaldson Scholarship Program was launched after his passing to support at-risk youth whose hopes and dreams will pull them into a brighter future. A lasting legacy rooted in kindness, humility and passion.

Gary Baughman, the long-time ISC Statistician and Historian, passed away in March 2021 at the age of 72. Gary, who was inducted into the ISC Hall of Fame in

2015 in the Administrator category, was a fixture at ISC World Tournaments going back to 1993, when Iowa commissioner Pat Sullivan asked him to work with then statistician Art Cashion on stats and scoresheets.

He was appointed to the statistician role in 1995 and served as statistician and lead scorekeeper for more than 20 years. He could be found in the scorekeeper’s booth or, in later years, in his trailer, inputting games into his computer while regaling passers-by with stories and downing Pepsis.

His work didn’t end at the ballpark. Once back home, Gary would meticulously go through every scoresheet and sometimes rescore every game in his system, then provide all of the stats for the ISC Guide.

His love affair with the game started in the Major Open city league in his hometown of Cedar Rapids, IA that boasted Welty Way. He also worked the National Championship that Welty Way won in 1971, giving them the right to represent the USA at the ISF World Championship in the Philippines in 1972. Gary also kept stats for Teleconnect, the 1987 ISC World Champions from Cedar Rapids.

For more than 40 years, Gary worked the Iowa ISC Area Tournament, doing the public address announcements and stats, something he did for many other tournaments across the mid-west. Gary also did the announcing for several games at the 1984 ISC World Tournament in Allentown, PA.

Beyond the current year’s games, Gary became the ISC historian, digging into the history of our organization and digitizing games from the early decades. He would spend more than 10 years putting this together – his masterpiece being the Lifetime of Stats, which was published a few years back.

# ISC HALL OF FAME SIX INDUCTEES TO BE HONORED IN QUAD CITIES IN 2022

*By John Thompson*

The International Softball Congress Hall of Fame Selection Committee is pleased to confirm that the Board of Directors approved a slate of six nominees for induction into the SC Hall of Fame as the Class of 2022. The inductees include five players and a recipient of the Bob Welby Memorial Recognition of Service Award.

## PLAYERS

### **Darren Box, Spruce Grove, AB, Canada – “Tower of Power”**

Following two seasons (1997-98) as an All-Canadian junior catcher with Bronco’s Athletic Club, Darren Box, now age 46, arrived on the senior men’s softball scene at the 1999 Canadians hosted in St. Thomas, ON. He and his Edmonton Express teammates, envisioned as long-shots for the title, battled their way to the Canadian National championship.

His imposing presence in the batter’s box, from which he launched many memorable moon shot home runs, was complemented by his dexterity and proficiency behind the plate, calling the game in tandem with and for many of the era’s top pitchers.

In 2000, Darren made his ISC debut at the World Tournament in St. Joseph, MO. The following year, in Eau Claire WI, Darren’s exemplary play resulted in his selection as the event’s Most Valuable Player and his first of three consecutive First Team All-World designations as catcher for the Broken Bow, NE Travelers. The following year, in Kitchener, ON, he amassed 11 RBIs to lead the World Tournament.

During his ISC career, Darren competed on Championship Day six times, including three consecutive seasons, 2001-02 with the Travelers (champions in 2001) and the Broken Bow Spirit, Amsterdam NY (champions in 2003). In total, Darren’s teams won the ISC World Tournament three times, including a repeat title with the Spirit in 2004 at Fargo, ND.

Darren was also named Second Team All-World in 2009 in Quad Cities, IL/IA as a member of the third place Saskatoon, SK Aspen Interiors for a final tally of four ISC All-World designations.

Internationally, Darren also competed as a member of Canada’s National team at the Pan-Am Qualifier in Guatemala in 2002 and at the 2004 ISF World Championship in Christchurch, NZ,

### **Rhys Casley, Wellington, New Zealand - “Epitome of Leadership”**

Rhys Casley, age 43, competed at the prestigious ISC World Tournament for 16 years, and while his statistics are extremely credible, he’s even more highly regarded for his leadership qualities and acumen.

Gregg Leather noted that it “Many great players can join a team and be part of a championship. Rhys was the guy who joined your team and made it possible to get that championship. I have coached many great players... but none of them has come close to being the leader that Rhys is.”

Rhys competed at the ISC World Tournament from 1999-2014 and his teams were among the final four on Championship Day in 10 of those tournaments. On two occasions, Rhys' teams were crowned back-to-back champions in 2003-04 with the Broken Bow Spirit and three times were runners up: 2009 Broken Bow Patsy's, 2011 Chicago/New York and 2013 with the New York Gremlins.

Coincidental with those successes were the three 1st Team All-World Selections that Rhys earned: 2004 with Broken Bow Spirit, 2005 with Broken Bow Patsy's and 2011 with Chicago/New York.

Rhys' career ended with a batting average of .296 that included 18 HRs and 56 RBIs. He won two ISC Leading Hitter Awards, in 2004 and in 2011, batting .522 and .600 respectively.

Larry Lynch (HoF 2007) cited that "Rhys was a multi-positional defender in the infield and was a definitive impact player. He hit for average and power with a keen batting eye and is best remembered for possessing true grit, often playing while injured. He displayed an iron determination to stay in the lineup, evident in the 2011 tourney in Quad Cities IA/IL when his mobility was significantly hampered."

### **Gerald Muizelaar, Grand Forks, ND, USA - "Model of Consistency"**

Red Auerbach, legendary coach of the Boston Celtics (eight successive NBA championships 1958-66) once said that "all records are made to be broken" and he was right. An ISC pitching record that seemed highly unlikely to be broken was pitcher Darren Zack's (ISC Hall of Fame 2010) 15 consecutive wins set during the three summers of 1994-96.

Gerald Muizelaar would not only surpass that streak, he would demolish it, pitching his Broken Bow Travelers/Spirit teams to an incredible 23 successive victories.

Gerald, age 47, was the model of consistency following the turn of the century. During the streak, which lasted from 2001-04, Gerald helped lead Bow to three ISC championships and a second-place finish, winning the Leroy Zimmerman Most Outstanding Pitcher Award in 2001, 2002 and 2004.

Among Gerald's many highlights are a combined perfect game, shared with Frank Cox, in a 7-0 win over Midland in the 2004 playoff bracket in Fargo, ND, and posting a record-tying 20 strikeouts in a seven-inning game in 2003 in Kimberly, WI.

During Gerald's 16 years competition at the ISC World Tourney, he was selected as an ISC All-World pitcher eight times, including six times as a First Team All World selection. His consistency was most evident with seven All-World selections during a nine-year stretch from 1999-2007.

His final All-World selection was in 2012 with the Kegel Black Knights of Fargo, ND.

Gerald retired with 48 wins, which was fourth on the all-time list at the time. He is currently tied for sixth overall with southpaw Mike Piechnik (ISC Hall of Fame 2009).

### **Travis Wilson, Tallahassee, FL, USA – "Impact Player of Renown"**

Based on the intricate variances of flight paths from a baseball pitcher's mound and a fastball pitcher's slab, it's rumored that it's extremely difficult for players to make the transition between the two different genres of rounders.

Travis Wilson overcame any apparent difficulty.

Travis was a teenaged phenom who was part of the New Zealand Black Sox national team that won the 1996 ISF world championship in Midland, MI.

His North American debut attracted attention and he was signed to a professional baseball contract in the Atlanta Braves system. For the next eight years Travis honed his skills and advanced through the various minor leagues, including a three-season (2001-03) stint with Atlanta's top minor league affiliate in AAA ranks in Richmond, VA. In his minor league baseball career, 1997-2004, Travis amassed more than 3,500 plate appearances, carving out a .273 batting average while slugging 63 home runs.

In 2005, at age 28, Travis returned to softball, and suited up for his first ISC World Tournament in Eau Claire, WI with the Massapequa, NY Patsy's. He adjusted quickly, instantly becoming an impact player. In his inaugural ISC tourney, Travis was named a First Team All-World infielder (batting .577 with four home runs), the first of three successive distinctions with Patsy's, including a .450 batting average in 2007.

Six seasons later, with the Gremlins of Clifton Park, NY, he was recognized again as a First Team All-World player in back-to-back seasons in 2013-14, batting .444 in his final ISC tournament.

During his softball career, Travis participated in nine ISC World Tournaments, spanning 2005-2014, missing only the 2010 season. In eight of those nine tournaments, Travis played in the final four, advancing to the championship game three times, finishing second each time.

Travis displayed his defensive versatility, equally adept across the infield at first, second or third base. Every plate appearance was intense and focused, resulting in an ISC career batting average of .363, and always a threat to "go deep" with 16 home runs.

### **Ryan Wolfe, London, ON, Canada - "Makes it Look Easy"**

Style and finesse may not be words commonly attributed to descriptions in many team sports.

In fastball, Ryan Wolfe embodied those words while patrolling centerfield, corraling hard hit balls that seemed destined to be stand-up doubles for opposing batters.

With the quick reflexes of a mongoose and catapulting deer-like with the speed of a jaguar, Ryan established a career of making difficult defensive plays look so routinely easy and common - place. In ISC tournaments, in a career ending 17 years after it began, Ryan had a remarkable fielding percentage of 1.000 – not a single error in his entire ISC journey!

Ryan, age 47, competed in 16 ISC World Tournaments between 1999 and 2015 and his teams were in the Final Four a remarkable 12 times, advancing to the championship game an incredible 11 times. Overall, Ryan was a member of seven(!) ISC Championship teams - Broken Bow, NE Travelers (2001); Amsterdam, NY Broken Box Spirit (2003-04), Kitchener, ON Rivershark Twins (2008-09) and Jarvis, ON Travelers (2010 and 2012).

Ryan's illustrious career resulted in a sterling batting average of .331 in 108 games, including 15 HRs and 51 RBIs.

His career-long consistency on both sides of the field provided him with 11 All-World designations, 10 of which were First Team. He is tied with Stan White 1951-63 and Andrew Kirkpatrick 2004-19 for the third-most All-World designations, trailing only Mark Sorenson (12) and Cleo Goyette (16).

A superb five-tool player, Ryan's on-field accomplishments might only be surpassed by his off-field demeanor. Ryan is highly regarded by coaches, managers, sponsors, fans and his fellow players as the consummate team-mate.

During his era, Ryan was simply the best, who not only "could do" it all, he indeed "did" it all.

## **BOB WELBY MEMORIAL “RECOGNITION OF SERVICE” AWARD**

### **Bob McGowan, Freulton, ON, Canada – “Impact through Innovation”**

Bob McGowan joined the ISC in 1990s as the Commissioner for the ISC Travel League of Eastern Canada, providing solid leadership for the prestigious and highly-competitive league.

He took charge finding sponsors for the league, creating financial incentives for teams to participate, embracing existing and state-of-the-art blossoming communications tools and technology resulting in the league’s viability for many seasons into the early 2010s.

During that decade, Bob lured skilled fastball enthusiasts into key roles within the ISC and the result was enhanced communications, improved scoring and statistics and the launching of broadcasts through streaming. While many of those innovations are assumed and taken for granted in today’s world, in the mid-1990s it was leading edge thinking and implementation..

Citing the need for junior players to connect with ISC teams, Bob enabled ISC teams to affiliate with U21 teams, creating a risk-free opportunity for younger players to experience a taste of ISC experience without jeopardizing eligibility.

At the ISC World Tournament in 2001, Bob introduced the concept of an ISC II format, which was approved and provided a much-needed and appreciated second chance for 20 teams to extend their play at the week-long competition at the following year’s ISC World Tournament in Kitchener, ON. At a time when the traditional “we’ve always done it that way” thinking was not sustainable, the introduction of the ISC II was a life-line. The adjusted format introduced an influx of new teams, competitors and fans to augment the economic impact of the World Tournament. This innovation provided dozens of new teams and hundreds of players who had never participated in ISC events with the opportunity to compete at a high level.

Locally in Ontario, Bob introduced the Ontario Challenge Cup, with a “tournament of champions” format for league teams to compete in a best vs best format, which further broadened the ISC brand and is still functioning today. In fact, many of the innovations first brought into the ISC by Bob are still in place – his work was truly foundational.

Bob, at 76, is still passionate and enthusiastic about the ISC World Tournament and attends tournaments in southwestern Ontario.

The Carrol Forbes Memorial Trophy has undergone many transformations over the years.

For more than three decades, it was a six-foot tall monster incorporating two levels of wooden bats, which was a well-regarded trophy style in the 1970s, but whose popularity had waned. In addition, the trophy was a challenge to transport for the winning team, to say the least.

In the last 15 years, the Forbes trophy has changed from a championship cup to the current incarnation shown here which is awarded annually to the International Softball Congress World Tournament Champion.

Every year the Carrol Forbes Trophy is purpose-built for the ISC World Tournament, and includes the names of all of the previous champions dating back to 1947.

The ISC believes strongly in embracing our storied history and is extremely proud to present this unique commemorative trophy every August.

# ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials ( NSC ). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. ( HOF ) indicates Hall of Fame player ( \*\* ) Designates a 2nd team All-World Selection

## Bear Bottom prevail in all-Pennsylvania ISC II final

By Blair Setford

In a first for the ISC II Championship, two Pennsylvania teams squared off in the final, with Bear Bottom Lodge coming out the winner, prevailing 12-3 over Nate's Auto/Fisher Softball.

Bear Bottom Lodge had all cylinders firing on offense, scoring in every inning but the fifth, including a five-run third which broke open the game. Kevin Reber walked the game off in the bottom of the sixth with a three-run HR for the run-rule victory.

Duane Weiler went the distance for the win, giving up six hits and three runs while collecting four strikeouts.

Zach Shirk took the loss, in relief of Jerlin Rutt. Phil Zimmerman pitched the final three innings for Nate's/Fisher.

"Winning the II's was a high mark for Bear Bottom last year," said ISC II MVP Branden Rutt. "Duaine and JD threw well all season." Rutt caught every game for Bear Bottom and handled both pitchers adeptly.

"Any time we take the field we give everyone our best shot," said Dustin Houtz, who was named to the ISC II All-Tournament Team for Bear Bottom. "We had great pitching throughout the ISC II tournament and our hitting really came around. It was good to end the season on a high note." Houtz joins Andrew Phibbs, Ryan Thompson, Aaron Trude and Kyle Crawford as the only winners of both ISC and ISC II championships.

## CR Brewers upend Ohio Battery for Legends Title

*By Blair Setford*

The Columbia River Brewers, from Vancouver, WA, claimed the ISC Legends championship with a 5-3 win over perennial challengers Ohio Battery, from Ashland, OH.

The Brewers roared out to a 4-0 lead in the first two innings. Albert Mendibles tripled to drive in two runs in the first, and then scored, all in the first inning. They added an unearned run in the second and seemed to have the game on cruise control.

However, in the fifth, Ohio scored three runs against a collection of Brewers pitchers to make it a one-run game. Ed Gaspar came in for the Brewers was able to close the door the rest of the way, preserving the win for David Beets, who allowed three hits and one run over four innings, striking out four and walking one. Terry Luster took the loss in relief of Brent Stevenson.

The Brewers, who lost in the Legends final in 2019 to Toronto, avenged that loss with a come-back extra-innings win over Dieppe Ridge. Down 8-5 in the bottom of the eighth, the Brewers rallied for four runs for a 9-8 walk-off win to earn their way to a second straight Legends championship appearance.

# INTERNATIONAL SOFTBALL CONGRESS Progressive Fastpitch Administration Since 1947

The ISC, as we know it today, began as the National Softball Congress in 1947.

**HISTORICAL NOTE:** The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women and operated from 1947 through 1957.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only. The ISL held championships from 1951 through 1957.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

Pitching in all ISC completion shall be governed by the current year's Official Rules of Softball published and distributed by USA Softball, (WITH THE FOLLOWING EXCEPTIONS):

### Section 1. Preliminary to Delivery

- A. The pitcher shall take a position with the majority of his pitching foot on top of the pitcher's plate and his non pitching foot on or behind the pitcher's plate.

- B. The pitcher shall hold the ball in both hands for not less than one second and not more than ten seconds before releasing it. If the pitcher decides to pitch with the non pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate at all times prior to the forward step of the non pivot foot. The stipulation for the pivot foot to remain motionless at all times prior to the forward step of the non-pivot foot is stricken.

### Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

#### Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.
- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

#### FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.

### ISC COMPETITIONS

#### DISCLAIMER

The International Softball Congress will not assume responsibility for personal injury to personnel or any of its members, and will not be liable for property loss in connection with its program. All fees received and payments made by or to the ISC shall be in US dollars.

#### HOW TO ENTER ISC COMPETITIONS

Contact your Regional Commissioner or National Vice President. If more information is needed, contact any officer listed in the front of this book.

#### QUALIFYING TOURNAMENTS

All qualifying tournaments shall be under the jurisdiction of the National Vice President or a Regional Commissioner and must be held within the geographical boundaries of the region. The Vice President or Regional Commissioner shall determine the site, dates, format, and entry fee. Umpires in qualifying tournaments must wear official ISC umpire shirts and caps.

In locations where the VP or Regional Commissioner is involved in any way with a team, a three-man committee shall be appointed by the Executive Director to help with the conduct of the tournament.

#### TEAM ROSTERS

The official team roster shall be limited to 18 players. Team rosters for ISC Championship play will be restricted to three pitchers, these three will be the first three that pitch in the ISC World Tournament. Of these three pitchers, only one (1) of the three may be a PRAWN. See Pitchers under Definitions.

Players participating in the Developmental Program are also eligible to play on a World Tournament team.

Team rosters are due three times per season and sent via e-mail attachment to the appropriate ISC Statisticians. Due dates are June 15 (PRAWN declaration and preliminary season roster), July 15 (deadline for rosters to appear in championship tournament programs) and the Monday preceding the start of ISC World Tournament (final and official championship roster).

Players can appear on rosters in multiple divisions (ie ISC and Legends) but can only play in one division at a time. If a player starts to play in Legends, he will not be eligible to return to play in ISC or ISC II. Similarly, if a player is continuing to play in ISC or ISC II, he cannot start to play in Legends until his team is eliminated.

## **ISC WORLD TOURNAMENT AND AFFILIATED TOURNAMENTS**

ISC World Tournament shall be under the jurisdiction of the Executive Committee of the ISC.

All entry fees are to be paid by July 1. Payment must be received by the deadline or a team may not be included in the schedule. Each qualifying team to the ISC World Tournament and all affiliated tournaments must meet its obligations to the ISC or entry may not be accepted. In the event a team does not meet its obligation, the total entry fee may be retained.

Any team forfeiting an ISC World Tournament or affiliated tournament game may not be eligible to share in any tournament travel funds, and all players, coaches and managers may be suspended from ISC competition for one year.

Any team wanting to sell souvenir items at the World Tournament or affiliated tournaments must provide such items on consignment to the souvenir chairperson for approval. Items will be offered at prevailing prices, with unsold items to be returned to the team. The items to be sold and proceeds from these items will be negotiated with the World Tournament host and the team involved.

Games in ISC World Tournament and affiliated tournaments will not begin earlier than 15 minutes before scheduled game time.

Any team that does not abide by the contrasting jersey rule will automatically be declared the visiting team for the game.

All World Tournament teams must have a team picture taken by the official photographer prior to the start of their second World Tournament game.

The defending ISC World Champion team shall have the privilege of defending its World Title by invitation providing said team has nine players on its roster from the previous year. The roster with the nine players must be turned into the ISC Executive Director by May 15.

The city in which the ISC World Tournament and affiliated tournaments takes place may be represented by up to two (2) Host City entries. The host team(s) may be chosen by invitation or other method with agreement of the ISC Executive Committee.

The final rankings will form the basis for seeding teams for the ISC World Tournament with the VP, World Tournament having final discretion for the schedule.

### **AWARDS**

Appropriate awards shall be presented at the conclusion of the World Tournament to the following: championship team (Carrol Forbes Memorial Trophy), runner-up team (Marv Casteel Memorial Trophy), third-place team(s), team displaying Best Sportsmanlike (Frank Porth Memorial Award), Best Dressed Team (selected by host committee), dedication to the game award (Denny Bruckert Memorial Award, selected by the Executive Committee), Most Valuable Player (Cleo Goyette Memorial Trophy), Most Outstanding Pitcher (Leroy Zimmerman Memorial Trophy), Leading Hitter, Most RBIs and the ISC Newcomer of the Year (Kevin Herlihy Memorial Trophy). Members of the championship team will receive individual awards. Twelve (12) players chosen on the ISC All-World first team will receive appropriate awards. An ISC All-World second team of twelve (12) players shall also receive awards.

ISC II awards shall be identical to World Tournament except the championship team award shall be the Gord Newman Memorial Trophy, Bob McGowan Most Valuable Player Award, only one ISC II All-Tournament team shall be named, and the Jamie Boyd Memorial ISC II Newcomer of the Year Award.

Legends Awards and Youth Awards, when applicable, shall be championship team trophy plus individual plaques, runner-up team trophy, MVP, Most Outstanding Pitcher, Leading Hitter and Most RBIs. Legends will also have a 12-player All-Tournament team.

### **ALL-WORLD TEAMS**

Only players having participated in four or more games shall be considered for the ISC All World Teams and for the ISC II All-Tournament Team. The batting champion must have a minimum of 12 times at bat or 15 official appearances as a batter. The Most Valuable Player and Outstanding Pitcher are mandatory members of the All-World first team.

### **DUE DATE**

All ISC membership fees are due July 1 to the ISC Treasurer. A \$25 penalty will be added if not paid by the due date.

### **NOTE:**

In the event a team does not meet its obligation, the total fee will be retained.

## TEAMS/PLAYERS

### OUT-OF-REGION PLAYER FEES

The first three Out-of-Region players per team will be assessed \$100 (US\$) each. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, must be paid via PayPal no later than June 15 to the ISC Executive Director.

## DEFINITIONS

### 1. RESIDENCY

#### a) IN-REGION PLAYERS

All players must maintain primary residence and be available for legal employment, as of May 15, in the region governing the team with which a player competes. A temporary residence does not qualify as a primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region after May 15 of the current year and wishing to play in an ISC tournament shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region. The Executive Director shall make the decision, and in no case shall anyone play if not approved by June 15.

If a player is within an ISC Region which does not send a team to the ISC World Tournament, the player may be picked up to play with another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees.

#### b) OUT-OF-REGION PLAYERS FEES

If a player wishes to play in an ISC region outside of his geographic region of residence, whether that region be under ISC jurisdiction or not, he must email his intention to play with his current year's team to the ISC Executive Director by June 15 to be eligible for World Tournament play. Payment via PayPal as specified by the ISC Out-of-Region Fee Schedule must be submitted by each team with the listing of its Out-of-Region players. Upon receipt of the Out-of-Region player's email intent by the ISC Executive Director, the Out-of-Region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region until the following season.

The first three Out-of-Region players per team will be assessed \$100 (US\$) each payable by the team. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with properly completed notifications of intent via email, must be paid via PayPal no later than June 15 to the ISC Executive Director.

Approved Out-of-Region players, whose team does not play in the ISC World Tournament, are eligible to be picked up by another team entered in the ISC World Tournament. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees. Notice of approved Out-of-Region players will be made to the ISC commissioners by the Executive Director.

All ISC teams who have four (4) or more approved Out-of-Region players must have their Out-of-Region players play in at least one approved ISC qualifying event or in an invitational tournament in both June and July with their current year's team to be eligible for the current year's ISC World Tournament. Exceptions to the preceding requirement for rostered national team players and rostered junior national team players may be requested through the appropriate national Vice President, with concurrence of the VP Operations/Communications and the ISC President, to enable the player(s) to play only in June or only in July.

Each team with four (4) or more approved Out-of-Region players will be allowed one (1) exception to the requirement that Out-of-Region players must play in an approved ISC qualifying event or on an invitational tournament in both June and July. That exception must be declared and marked on the ISC roster form and resubmitted to the Executive Director by June 15. This exception is subject to PRAWN rules and Out-of-Region form, June 15th deadline and fees.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by July 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the June 15 Out-of-Region deadline, a team may apply to the appropriate Vice President, with concurrence of the VP Operations/Communications and the ISC President, for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

## **2. PITCHERS**

Team rosters for all ISC World Tournament play shall be restricted to three (3) pitchers. Pitcher is defined as any player on an 18-man roster who pitches in ISC World Tournament competition. The three (3) pitchers for ISC World Tournament play are deemed to be the first three (3) that pitch in the ISC World Tournament.

## **3. PRAWN RESTRICTIONS**

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent three years, including MV Player and Outstanding Pitcher. The PRAWN list will be released by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher. All teams must name their PRAWNs to the Executive Director by June 15 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below 5.

### **AGE EXCEPTION FOR PRAWNS**

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 43rd or 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 45th birthday or after one season on the PRAWN list by providing proof of age to the Executive Director by May 15 of each year.

### **PRAWN Exception**

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.

A team may apply for an exception to the one (1) PRAWN pitcher limit provided the second PRAWN pitcher is declared ineligible in all circumstances to pitch in the ISC World Tournament, including any hardship appeal.
