ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

In 2024, we ventured to Surrey, BC on Canada's west coast. Its been since 1997 that the ISC World Tournament was held this far west. Our hosts at Softball City put on a fabulous week for us! From a memorable Hall of Fame Breakfast through a fantastic week of sunny weather to four terrific ball games on Championship Saturday, #ISCWT2024 was a week to remember!

Thank you to everyone at Softball City, the Canadian Amateur Sport Society and the host committee led by Greg Timm and Brian Eradus, all of the staff and volunteers ensured we had a tremendous time!

Photos again for this year's Guide are by Nick Fisher and his son Evan Fisher. As in the past, they've done a marvelous job! ISC scorekeeping is led by John "Woody" Woodruff and his great staff!

Jeana Schreuder continues to be our Production Editor and, as she has done for the past several years, makes our annual ISC Guide a thing of beauty. Dan Nessler, ISC Hall of Fame (2009), continues to handle the printing and shipping – and we are bringing the ISC World Tournament to their hometown this year!

78th ISC World Tournament

Hosting the ISC World Tournament is a big challenge. Months of planning, dozens of volunteers and staff and endless hours of work go into making an event of this size a success. The team at Softball City in Surrey, BC – in their first time – knocked it out of the park.

With flawless execution in maintaining four diamonds, serving hundreds of players, officials and thousands of fans and providing a positive memorable experience for everyone, Softball City made sure that not only was this World Tournament a roaring success, they made sure we'd want to come back.

The teams put on a terrific display of fastpitch all week, entertaining fans with their skills and athleticism.

On Championship Saturday, Hill United Chiefs swept three in a row to come through the losers bracket and cap an exciting finish with their sixth ISC World Tournament Championship since 2013.

In 2025, the ISC World Tournament will be played in Minnesota for the first time as we travel to Caswell Park in North Mankato. We will also start early – with the tournament running from July 26 – August 2 – to accommodate men's fastpitch being a medal sport at the World Games.

Alan Peker's Incredible Day Leads Hill United to Victory

Chiefs Run the Table on Championship Saturday

By Blair Setford

Alan Peker didn't just make a contribution to the Hill United Chiefs winning three straight games on the 2024 ISC World Tournament's Championship Saturday. He dominated it.

Peker, 27, from Parana, Argentina, had a day that will be talked about for many, many years, batting 6-9 with four two-run home runs, including a pair of homers with 4 RBIs, a single and three runs scored in the championship game. To the surprise of no one, he took home the Cleo Goyette Most Valuable Player Award.

"Alan's performance at the ISC was truly one for the ages," said Chiefs' manager Jeff Ellsworth. "Watching him rise to the occasion and take over the games the way he did was something special."

"Seeing him lead the team, especially after overcoming the early-season injury, says a lot about his character and work ethic. It was one of the most complete and inspiring individual performances I've witnessed at the ISC."

Marco Diaz, who joined the Chiefs in the off-season and was pitching on the final day of the World Tournament for the first time, was also dominant, collecting nine strikeouts and surrendering a lone unearned run in the championship game.

"In my head, I had the mentality that it was win or go home, so I had to give it my all right from the first pitch of the day. There was no saving anything," said Diaz. "We were living inning by inning, working pitch by pitch. Bruno and I didn't change anything for the final. We just focused on the mental part of the game because we knew we had the speed and rotation and the spots, so that was key in our success."

“From the moment he joined the team, Marco proved he was ready for the big stage,” said Ellsworth. “What really stood out about Marco was his fearless approach to the game. Despite being the youngest pitcher on our staff, he carried himself with the poise and confidence of a veteran.”

“He showed us all what’s possible when preparation meets opportunity, and I couldn’t be more excited to see where his career takes him,” continued Ellsworth. “He’s not just the present—he’s the future of this organization, and the sky’s the limit for what he can achieve.”

With a perfect game from Roman Godoy in their opener on Sunday, the Chiefs only gave up 1 run through their first three games. They took a 3-2 lead into the bottom of the 7th against the Northeast Drillers only to be victimized by one of the few bad hops all week to send them to the losers bracket on the short end of a 4-3 score.

The #2-ranked Chiefs then rattled off a four-game winning streak against #6 Toronto Batmen, #4 Bear Creek Express, avenged the loss to the #3 Drillers and defeated long-time rival #1 New York Gremlins with a convincing 7-1 victory in the final.

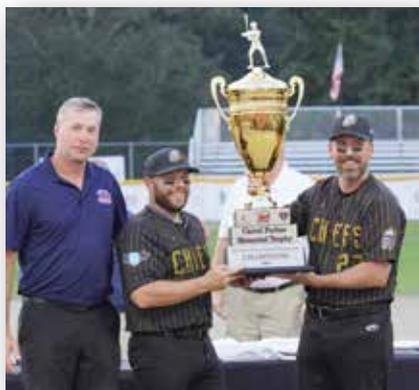

Peker’s first of two HRs put the Chiefs up 2-0 in the 3rd inning, then a high-and-deep three-run home run to centerfield by Brad Ezekiel in the 5th to score Peker and Shane Boland looked like it would be more than enough for Diaz. Peker salted it away with his second of the game and fourth of the day in the top of the 7th. Tony Gonzalez finished 2-3 for the Chiefs and scored a pair of runs.

This was the Chiefs’ sixth ISC World Championship since 2013. They now trail only the legendary Long Beach Nitehawks for most championships in ISC history. In September, it was announced that the Chiefs’ sponsors – the Hill Family – would be inducted into the ISC Hall of Fame in 2025.

“Winning this championship was already an incredible accomplishment, but hearing the news about the Hill Family’s Hall of Fame induction added a deeper layer of meaning to the moment,” said Ellsworth. The Hill Family’s legacy spans generations, and their impact has been felt not just within their teams but across the entire softball community. For our team, it served as a reminder of the history and tradition we’re a part of, and it was humbling to celebrate this victory knowing we were honoring that legacy in our own way.”

WINNERS BRACKET

The ISC's Southern Gentleman Robert Gray

By Blair Setford

When I first became involved in the ISC in 2003, few people made me feel more welcome than Robert Gray.

Hailing from Wetumpka, AL, Robert is a true Southern Gentleman – always kind and polite. He greeted everyone with a warm smile and he took his duties in the ISC seriously and was always thoroughly organized.

Robert chaired the ISC Hall of Fame committee for most of the past 15 years, helping to reinvigorate the annual induction ceremony and making it a can't-miss event at every ISC World Tournament.

Never one to shy away from taking on additional duties, Robert and his wonderful wife Lessie were a fixture at ISC registration on the opening day of the World Tournament, welcoming everyone back to the ISC again, always engaging.

When the ISC adopted bat testing in recent times, Robert was among the first to put his hand up to operate the equipment and ensure players got the necessary sticker for approved equipment. That was Robert – always willing to go the extra mile.

Robert joined the ISC as the Southeast Area Commissioner in 1991. He served as a member of the ISC Executive Committee for more than 20 years in the role of Secretary prior to stepping down in 2022. He was inducted in the ISC Hall of Fame in the Administrator category in 2011.

Locally, Robert became involved in the Blue & Gray Softball Association in Alabama in 1981, holding various roles as secretary and treasurer and became the President in 1995. In addition, Robert served as President of the Montgomery, AL Blue & Gray Fastpitch League from 1988 to 2007.

Robert's final year with the ISC was 2024 although he was unable to attend the World Tournament last year in Surrey, BC. On behalf of everyone in the ISC, THANK YOU ROBERT for all of your contributions!

ISC Hall of Fame Class of 2025

A pair of New Zealand pitchers who now reside in the U.S., a long-time administrator in the Pacific Northwest, one of the game's most prolific writer/photographer pairings and a pair of sponsors – one from the U.S. mid-west and the other from Ontario, Canada – make up the 2025 ISC Hall of Fame Class.

Jeremy Manley, originally from Feilding, NZ and now residing in Tempe, AZ, arrived in Pueblo, CO with the Bandits in 2001 as a young man and instantly elevated the Bandits. A power pitcher with terrific movement on his pitches, Jeremy was a threat to beat any team single-handedly. He was named to three ISC All World First Teams and one ISC All World Second Team during his 16 ISC World Tournaments. He notched 33 wins, which places him in the top 20 all-time. Always a high strike-out pitcher, he once fanned 27 in one 12-inning game and recorded 37Ks in one 16-inning game.

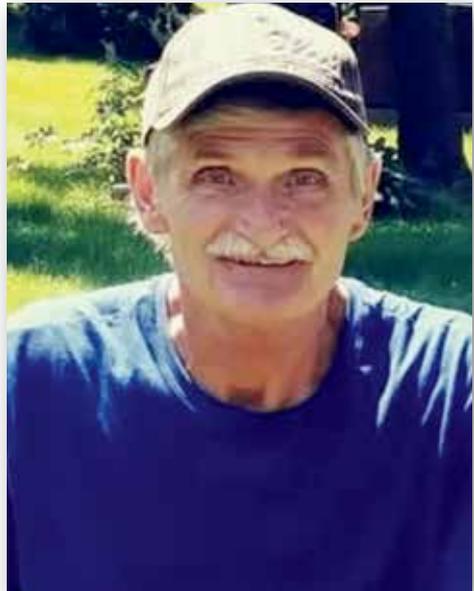

Brent Stevenson, born in New Zealand and came to the United States to play softball when he was 20 years old. After stints in Arizona and Iowa, he moved to Decatur, IL and was a star for the ADM teams in the 1980s making ISC All World First Team in 1984 and 1985 and ISC All World Second Team in 1987 with Decatur Pride. He won 12 games in a row at the World Tournament from 1981-1984 and finished with 23 career ISC wins. Brent went on to star in the Legends division with another 20 career wins and twice won the Legends Championship.

Keith Erkenbrack, Deer Park, WA, first joined the ISC as a commissioner for three years in 1980-82, before returning for a 10-year stint from 1999-2008 and most recently has served as a commissioner and then U.S. Vice President from 2013 to present. Keith was a key man in the strong NorWest league, creating a presence for the ISC running qualifiers and affiliating the league. Today, he serves as the Tournament Director for the ISC Legends 50+ division which has grown both in stature and quality under his direction. In total, Keith has been active in the game for more than 50 years and continues to give his time to promoting fastpitch.

Originally hailing from Minnesota, **Robert (Bob) Otto**,

Yucaipa, CA, is a longtime fastpitch pitcher, photographer, writer and newspaperman. In the late heyday of the game from 1990s through the early 2000s, Bob was fastpitch's most prolific writer, and published articles and game photos regularly at his own website "Otto in Focus". His photos have graced the cover of the ISC Guide and many websites, including FastpitchWest and Al's Fastball. In 2011, he published a book of fastpitch memoirs entitled "We Play It Fast".

Jon Kegel, Moorehead, MN, has been managing and sponsoring men's and youth teams in North Dakota for more than 35 years - among them the Kegel Black Knights and Kegel Signs - winning multiple state and regional championships along with a coveted national championship in 2020. His U23 teams also won multiple ISC Development tournaments in the 90s and 2000s. Jon was instrumental in bringing the ISC World Tournament to Fargo in 2004 and for many year's was the tournament director for the Holme Classic and Memorial Day Classic tournaments, also in Fargo.

The Hill Family, Ohsweken, ON, founded the Hill United Chiefs in 2012 and nearly won the ISC World Tournament in their inaugural season. Since then, the Chiefs have become one of the most successful teams in the history of the ISC. The extended Hill family helps to support local teams and tournaments across southern Ontario to assist in promoting the sport. Their love of the game goes back many years prior to the Chiefs and their support of athletics in the Six Nations community expands beyond fastpitch to include lacrosse and hockey as well as the Dreamcatcher Foundation which assists aboriginal families and communities across Canada.

The annual ISC Hall of Fame Breakfast and Induction ceremony will be held on Sunday July 27 at the 2025 ISC World Tournament in North Mankato, MN. A reminder that the dates for the 2025 ISC World Tournament are July 26-August 2 to accommodate men's fastpitch being a medal sport at the World Games.

Nominations may be submitted by any interested party.

All nominations must come before and be recommended by the Hall of Fame Committee before being considered for election by the Board of Directors.

All nominations must be in writing and must be in the hands of the Chairman of the Hall of Fame Committee before May 1 to be considered during that year. Nominations received after the deadline will be considered the following year.

The nomination should be in three parts: (A) the ISC Hall of Fame nomination form, (B) biographical information on the nominee and (C) documents and statistics in support of the nominee's qualifications.

ELECTION

Election of new members will be made at the annual Board of Directors meetings.

The Hall of Fame Committee will submit not more than five nominees from each category for consideration at the annual meeting. No more than six new members will be elected each year. Three members can be elected into the Player Category. Only one member can be elected in the Field Manager, Bob Welby Memorial, Administrator and Umpire categories each year. Voting shall be based upon the person's record, playing ability, integrity, sportsmanship, character and contributions to the ISC organization.

If no nominations are made in any non-player category, Directors may elect an additional player(s) from the Player category.

INDUCTION

New members will be inducted into the Hall of Fame at the annual World Tournament the year following their election. If an approved inductee has not confirmed that he will be attending his induction by January 1 of the year of his induction, and has not confirmed that he will assume the responsibilities of being an inductee, consideration will be given to deferring the induction to the following year. The decision to defer a Hall of Fame nominee is the responsibility of the Hall of Fame Committee.

A Plaque, Ring, ID Card, Shirt & Cap will be presented to each new member commemorating their membership in the ISC Hall of Fame.

Deceased Inductees: A Plaque will be presented the family of a deceased inductee with the option of family members to purchase a Cap, Shirt & Hall of Fame Ring at their expense.

The Carrol Forbes Memorial Trophy has undergone many transformations over the years.

For more than three decades, it was a six-foot tall monster incorporating two levels of wooden bats, which was a well-regarded trophy style in the 1970s, but whose popularity had waned. In addition, the trophy was a challenge to transport for the winning team, to say the least.

In the last 15 years, the Forbes trophy has changed from a championship cup to the current incarnation shown here which is awarded annually to the International Softball Congress World Tournament Champion.

Every year the Carrol Forbes Trophy is purpose-built for the ISC World Tournament, and includes the names of all of the previous champions dating back to 1947.

The ISC believes strongly in embracing our storied history and is extremely proud to present this unique commemorative trophy every August.

ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials (NSC). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. (HOF) indicates Hall of Fame player (**) Designates a 2nd team All-World Selection

Tropics First International Team to Win an ISC Championship

Sydney Rolls Through ISC II Undeclared

By Blair Setford

The 2024 ISC II Championship was a tournament of firsts for many of the players and teams.

For Sydney Tropics, it was the first championship by an international team. “The pride we feel in being given the opportunity to play was only exceeded by the fact we were crowned ISC II Champions,” said team manager Amanda Lach. “We are honoured to be the first international team to win the tournament, we have written our place in the history of softball, such a memorable experience.”

“Playing in a world class international tournament is at the top of every player and officials list of items to achieve, and an experience we will all cherish as individuals and a team,” continued Lach. “It is a bucket list dream of each and every softballer and one we have ticked off our list. We feel privileged to have been given the opportunity to compete in such a successful tournament.”

The Tropics arrived a week prior to the World Tournament and based themselves in Surrey, playing several teams from the local Lower Mainland League at Softball City, getting to know the field and acclimatize to the 19(!)-hour time differential.

“The planning behind the scenes was relentless at times, trying to find accommodation and transport from the other side of the world with little knowledge of the demographics of the area and the time difference between the two countries proved challenging at times but every sleepless night, phone call, email and meeting was worth it,” said Lach.

For MVP Matthew Wickham, the tournament was an opportunity to play against some of the best pitchers and players from around the world was his favorite memory.

“The hospitality that we were shown was also amazing,” said Wickham. “Overall, the atmosphere of playing and watching the tournament was an experience I had not had before. The quality of ball being played and the facilities at Surrey made for a perfect week of softball.”

For Japan’s Yuya Yamawaki, who took home the Most Outstanding Pitcher and Jamie Boyd Memorial Newcomer of the Year awards, playing in the ISC World Tournament was a brand new experience for him.

“Japanese players have very little experience playing in overseas tournaments, so I was very happy to compete in a tournament like this where players representing so many countries gather,” Yamawaki said. “Getting the opportunity to play in a championship game in my first time is a favorite memory and I look forward to returning in 2025.”

Several Japanese players, spread across the Giants, Omma Tigres and San Antonio Glowworm were present in 2024, capitalizing on the opportunity to get international exposure at the club level.

Force Rally for Legends Championship *Cobourg Score Two in Bottom of 7th for Walk-off Win*

By Blair Setford

When Hollywood writes a sports movie script, the championship-winning team almost always comes from behind at the end to win.

Cobourg Force have been living that dream since the inception of the ISC Legends Championship in 2010, with 2024 being their fourth title. All of them have come in their final at-bat, pointed out Force co-sponsor Bill Fairney.

This time, it was Jeff Pauli playing the hero, with a clutch two-RBI single in the bottom of the 7th to give the Force a 6-5 victory over All-Season Patriots. Pauli was the Legends MVP.

After taking a 4-0 lead early in the game, the Force bats went quite as Patriots' pitcher Ales Jetmer held them at bay through the middle innings while the All-Seasons bats chipped away at the deficit, turning it into a 5-4 advantage in the top of the 6th inning.

"Going into the bottom of the 7th, we didn't seem to feel the pressure," said Pauli. "We had the top of order coming up and both Ryan Thomson and Pat Graham were making good contact all game. We just needed runners on and hopefully one of us would knock them in."

Grant Patterson, making his Legends debut, came on with two out in the 6th to shut down the Patriots and pick up the win in relief of

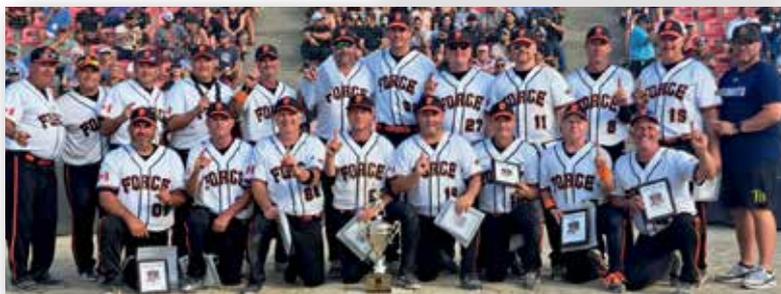

starter Don Scott. Patterson was named the Legends Most Outstanding Pitcher.

"Walking off an ISC Championship is as exciting as it gets in our sport," said Patterson. "This is the fourth walk-off in the seven ISC Finals I've played in and they never get old."

"Winning the first ISC championship for Mike and Sheryl Skelton was amazing. I played for them in local league and various tournaments for 20 years and I was all in when Mike and Bill Fairney re-started the Force. They all love and support the game so much. The photo of Mike and I after the game is special."

"We take great satisfaction in winning these games, especially the experience," said Fairney.

Pauli added that the "friendships and camaraderie over the years ... stand out the most."

INTERNATIONAL SOFTBALL CONGRESS Progressive Fastpitch Administration Since 1947

The ISC, as we know it today, began as the National Softball Congress in 1947.

HISTORICAL NOTE: The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women and operated from 1947 through 1957.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only. The ISL held championships from 1951 through 1957.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

OFFICIAL RULES

DOUBLE BASE

The following apply when the double base is used.

- a) The batter-runner is subject to the following.
 - i) A batted ball hitting the fair portion is declared fair and a batted ball hitting the foul portion only is declared foul.
 - ii) A defensive player must use only the fair portion of the base at all times, except on any live ball play made from first base foul territory. The batter-runner and the defensive player may use either portion of the double base. When the defensive player uses the foul portion of the double base, the batter-runner can run in fair territory, and if hit by a throw from the foul side of first base, it would not be interference. If intentional interference is ruled, the batter runner would be out. The one-meter line is duplicated on either side of the foul line on throws from foul territory.
 - iii) If a play is made at first base on any batted ball or the batter runs on a dropped third strike the batter-runner touches only the fair portion and if the defense appeals prior to the batter-runner returning to the fair portion of first base, the batter-runner is out. This is treated the same as missing the base and is an appeal.
 - iv) After over-running the base, the batter-runner must return to the fair portion.
 - v) On a ball hit to the outfield when there is no play being made at the double base, the batter-runner may touch either portion of the base.
- b) The following applies to a runner.
 - i) After over-running the base, the runner must return to the fair portion.
 - ii) When tagging up on a fly ball, the fair portion must be used.
 - iii) On an attempted pick-off play, the runner must return to the fair portion.
 - iv) Once a runner returns to the fair portion, should they then stand on the foul portion only it is considered not in contact with the base, and the runner will be called out if:
 1. they are tagged with the ball; or
 2. they stand on the foul portion of the base, while the pitcher has possession of the ball within the pitcher's circle.

PLAYING RULES

- All games shall start at rainout point in case of delay, regardless of time.
- Tournament rosters shall not be changed for any reason after they have been turned in at a time to be designated by the official in charge.
- Only starting players may re-enter a game.

Any exception to this rule shall be cleared by the ISC Executive Director or a member of the ISC Executive Committee prior to game time.

- Tournament compression testing, and has the appropriate year's ISC sticker attached, it is deemed to be a legal bat for use in the ISC World Tournament and affiliated tournaments.
- The two-out catcher replacement rule (**catcher only, not pitcher**) is mandatory in ISC Championship Play, including ISC II and Legends. The replacement runner shall be the last available batter in the inning. The international tie-breaker rule will be used in all games in the ISC II and Legends tournaments.
 - For all ISC World Tournament and affiliated tournament games, teams must start and finish with at least nine (9) players.
 - A trapper-style glove can only be used by the 1st basemen and catcher.

 - The home team for ISC and ISC II championship games shall be the undefeated team. In ISC Legends, if a single elimination bracket has been used, then a coin toss will determine home team for the championship game.

INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE

Pitching in all ISC completion shall be governed by the current year's Official Rules of Softball published and distributed by USA Softball, (WITH THE FOLLOWING EXCEPTIONS):

Section 1. Preliminary to Delivery

- A. The pitcher shall take a position with the majority of his pitching foot on top of the pitcher's plate and his non pitching foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than ten seconds before releasing it. If the pitcher decides to pitch with the non pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate at all times prior to the forward step of the non pivot foot. The stipulation for the pivot foot to remain motionless at all times prior to the forward step of the non-pivot foot is stricken.

Section 3. Legal Delivery

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.
- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

FOREIGN SUBSTANCE RULE

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.

CHARGED DEFENSIVE DELAY

A defensive team may only have one charged defensive delay per half inning.

DEFINITION: A delay caused by one or more defensive players leaving their position on the playing field to conference with another defensive player(s), which results in a delay in play. Time may or may not be called.

Exception: Normal communication between players (including a catcher and pitcher) that does not require either to vacate their position on the field. It shall not be a Defensive Delay if players confer during a charged offensive conference, injury or other administrative delay provided they are ready to resume play upon the umpire's request.

If a team is out of delays, the umpire will have discretion to grant a brief, escorted visit at the catcher's request if a cross-up in signals has occurred between the pitcher and catcher.

Effect

The second and subsequent defensive delay in any half inning shall result in a ball being awarded to the batter. A second or subsequent defensive delay immediately after a hit, walk, or putout shall result in a ball being awarded to the next batter.

If a player is within an ISC Region which does not send a team to the ISC World Tournament, the player may be picked up to play with another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees.

b) OUT-OF-REGION PLAYERS FEES

If a player wishes to play in an ISC region outside of his geographic region of residence, whether that region be under ISC jurisdiction or not, he must email his intention to play with his current year's team to the ISC Executive Director by June 15 to be eligible for World Tournament play. Payment via PayPal as specified by the ISC Out-of-Region Fee Schedule must be submitted by each team with the listing of its Out-of-Region players. Upon receipt of the Out-of-Region player's email intent by the ISC Executive Director, the Out-of-Region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region until the following season.

The first three Out-of-Region players per team will be assessed \$100 (US\$) each payable by the team. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with properly completed notifications of intent via email, must be paid via PayPal no later than June 15 to the ISC Executive Director.

An Out-of-Region Player playing in his first ISC World Tournament will not be subject to the Out-of-Region Player fees in that year only.

Approved Out-of-Region players, whose team does not play in the ISC World Tournament, are eligible to be picked up by another team entered in the ISC World Tournament. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees. Notice of approved Out-of-Region players will be made to the ISC commissioners by the Executive Director.

All ISC teams who have four (4) or more approved Out-of-Region players must have their Out-of-Region players play in at least one approved ISC qualifying event or in an invitational tournament in both June and July with their current year's team to be eligible for the current year's ISC World Tournament. Exceptions to the preceding requirement for rostered national team players and rostered junior national team players may be requested through the appropriate national Vice President, with concurrence of the VP Operations/Communications and the ISC President, to enable the player(s) to play only in either May or June as well as July.

Each team with four (4) or more approved Out-of-Region players will be allowed one (1) exception to the requirement that Out-of-Region players must play in an approved ISC qualifying event or on an invitational tournament in either May or June as well as July. That exception must be declared and marked on the ISC roster form and resubmitted to the Executive Director by June 15. This exception is subject to PRAWN rules and Out-of-Region form, June 15th deadline and fees.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by July 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the June 15 Out-of-Region deadline, a team may apply to the appropriate Vice President, with concurrence of the VP Operations/Communications and the ISC President, for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

2. PITCHERS

Team rosters for all ISC World Tournament play shall be restricted to three (3) pitchers. Pitcher is defined as any player on an 16-man roster who pitches in ISC World Tournament competition. The three (3) pitchers for ISC World Tournament play are deemed to be the first three (3) that pitch in the ISC World Tournament.

3. PRAWN RESTRICTIONS

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent three years, including MV Player and Outstanding Pitcher. The PRAWN list will be released by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher. All teams must name their PRAWNs to the Executive Director by June 15 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below five (5).

AGE EXCEPTION FOR PRAWNS

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 43rd or 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 45th birthday or after one season on the PRAWN list by providing proof of age to the Executive Director by May 15 of each year.

PRAWN Exception

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.

A team may apply for an exception to the one (1) PRAWN pitcher limit provided the second PRAWN pitcher is declared ineligible in all circumstances to pitch in the ISC World Tournament, including any hardship appeal.
