Rental Rates & Period

- Rates are **per day** (24 hours), from pick-up to return.
 - Equipment is billed daily whether in use or not.
 - Rental period ends when equipment is received back at our shop.
- **5% discount on weekly rentals.**
- *Polishing concrete typically takes 2-3 weeks, depending on square footage, aggregate exposure, and concrete condition.*

Transporting Equipment

- **Diamond grinders (500-1000 lbs): We recommend our delivery service.**
- Self-transport requirements:
 - Trailer with a heavy-duty flat ramp, minimum 36" wide (snowmachine ramps not suitable).
 - **Enclosed trailers:** Equipment must be strapped down.
 - **Open trailers:** Equipment must be secured with ratchet straps, plastic, and duct tape to protect from movement and weather.

Important Terms

Customer is responsible for all equipment damage.

All rentals require sufficient lead time — please plan accordingly.
