5. Transporting Heavy Equipment

For large items like diamond grinders (500–1,000 lbs):

- Delivery service is recommended.
- If picking up yourself, you must have:
 - A trailer with a heavy-duty ramp (minimum 36" wide)
 - Snowmachine ramps are not suitable
- Enclosed trailers: Secure equipment with straps.
- Open trailers: Equipment must be secured and protected from weather using plastic, ratchet straps, and duct tape to prevent damage to electronics.
