Christmas Potluck

By Larry Northington

Our annual holiday party on December 7 was just fun with great food and conversation. Ann Pearson hosted the party again this year. One turkey is a lot of work, and Ann made two! Ann, thank you so much. 33 friends and members made it to the party. It was nice to sit outside in the beautiful weather which was sunny and warm. The food was abundant and delicious. Everyone was generous with the 50/50 which added up to \$120. Charlotte Luczycki was the lucky winner and generously donated it back to the Chapter. Thank you to everyone to help make the party such a success. Especially to Ann Pearson for hosting, and to Belinda Scott for coordinating and making beautiful centerpieces for the tables and later given as door prizes.

It was nice to see quite a few Studebakers; John L. Lewis' 63 Hawk GT, Randy and Donna Goble's '50 Champion Starlight, Gary Spies' customized '53 Commander, Paul and Leann Storm's '60 Champ, Lou Fencil's '56 Power Hawk, Bob Loshbough's customized '61 Champ Pickup, Larry and Dee Northington's '54 Commander, and Belinda and Aaron Scott's '63 Champ.

Please enjoy the pictures below, on page 4, and the back page.

Message from Our President:

Dear Studebaker Members:

Merry Christmas Eve to all of you. November and December have just flown by. I have recovered, thank goodness, from a special present from my granddaughter on Halloween! I always say that these little ones are Petri dishes. I was so sad that I missed the Thanksgiving party. Thanks to Paul Storm for picking up the turkeys and John L for cleaning up the roasters!

I do have good news, I am a grandma again! My son Graham and his wife, Ashley, had a baby boy on Sunday, the Winter Solstice. We are all so happy!

It was so nice to see many members at the Christmas Potluck at my house. I know of several people that were under the weather and missed coming. You were missed. In all, we had gorgeous weather and a wonderful time. It seems like it is over way too fast. And, congratulations to John and Jan Noble on their 60th Anniversary. I am glad we got to share that with them.

At the holidays, it is especially important to spend time with our loved ones. Our thoughts and prayers are with Larry Robinson's family. Pat recently passed away. She was a wonderful woman. We are so sorry for your loss of Pat and hope that your warm memories of Pat help you through this difficult time.

I wish all of you a safe and blessed holiday season,

Ann Pearson

From the Editors:

Dee and I returned from our trip to Patagonia (South America) December 5th to a flurry of activity, starting with our Chapter's Christmas Potluck. We had a great time in Patagonia seeing incredible landscapes including glaciers and icebergs, and wildlife including hundreds of penguins. I did note a distinct lack of classic cars. I think this was partially due to a lot of the places that we visited being fairly close to oceans and saltwater inlets.

I hope you enjoy this newsletter. As always, we welcome suggestions, pictures and story submissions. Email is the best way to submit contributions, but even a hand written article works great. Thank you to Belinda Scott for all of her entries to Facebook which found their way to this newsletter. And thank you to Donna Goble for proofreading.

***Notice: A reminder that everyone should have an approved fire extinguisher displayed at your left front wheel during all meets. As required as of January 1, 2017, the SDC requires a minimum of a LU type 1-A:5B:C, but a 1-A:10-B:C would be much better for added protection.

**Reminder: Chapter Dues are due January 1**

The dues are only \$19 with a mailed copy of the newsletter, or \$15 with an emailed newsletter.

Mail to:

Inflation has gone up and up, and yet our dues has remained the same. It's nice that our Chapter does so much with so little. If not already paid, please plan on paying your dues as soon as you see this, or at the upcoming business meeting. Dee Northing-ton really hopes to finish the roster early this year, and is threatening that anyone who hasn't paid their dues should be left off the roster. Bob Miles used to say something similar when he was the membership director. Oh... the frustration in their voices.

Thanksgiving Potluck November 15, 2025**By Larry Northington (with most of the content provided by Belinda Scott)**

This year's Thanksgiving potluck was celebrated at the Far Horizon East recreation center which has a kitchen and eating area which is perfect for our potluck. Thank you to John Lewis for arranging it. We had a total of 35 people and 8 Studebakers.

Those who drove Studebakers were: Lou Fencil - '56 Transtar, Jerry and June Kaiser - '59 pickup, John Lewis - '64 Hawk, Paul and Leann Storm - '62 Lark, Craig and Jennifer Harm - '51 2R6 pickup, Steve and Bob Lanz - '62 Lark Daytona, Bob Loshbough - '61 Champ, and Aaron and Belinda drove their '63 Champ.

Robert Loshbough won the 50/50 raffle drawing for \$126.00 and since he drove his 1961 Champ, he won the entire amount.

Bill and Lori Gaither provided two tickets to the Tucson Auto Museum for the raffle, which was won by Violet Borens and Belinda Scott.

Belinda Scott provided six centerpieces for the raffle. Barbara Bemer, Bob Miles, Gayle Hosek Spies, and Belinda Scott each won a centerpiece, and Anne Magee won two centerpieces.

Thank you to everyone for sharing their mouth-watering dishes, and thanks to those who also helped with the cleaning up to return the center back to normal.

Helping at the Ball-Paylore House Museum - November 9, 2025 By Larry Northington

The Ball-Paylore House is a historic place in Tucson that displays a Studebaker Lark which was owned by the original home owners. Our Chapter volunteered to assist preparing the Lark for Tucson Modernism week. The house was built in 1952 and is a unique hexagonal-shaped house embracing the trends of American modernism.

Paul Storm coordinated four of our Chapter members to be there; himself, Aaron Scott, Randy Goble, and myself. We set up a table with Studebaker information and some Turning Wheels magazines. Additionally Paul and Randy prepared the Lark for display ahead of time with a little cleaning and airing up the tires. Randy and I had the afternoon shift, and I was amazed at how many people came to see the house and of course ask about the Studebaker sitting out front. I really enjoyed sharing information about Studebakers, and answering questions. I had my 1954 Commander parked to the side, for which I received quite a few compliments (which always feels good).

RECENT EVENTS**Welcome New Members:**

Alan and Lari Michaels, who own a 1948 Studebaker Commander

Jack Porter, who owns a 1964 GT Hawk R3

Rob and Marla Skinner, who own a 1963 Studebaker Avanti R2 and a 1963 Studebaker Avanti R1

New Studebaker in our Chapter; Aaron and Belinda Scott bring home a 1953 2-door sedan.

Belinda Scott with her yellow Champ and Paul Storm with his green Champ attended the Truly Nolen Car Show on November 8.

Aaron and Belinda Scott and Gary and Connie Olsen attended the Window Depot Car Show on December 14. The Scott's brought their Champ, and the Olsen's brought their Thing. One Hudson was the only other orphan, and a 1949 Chevrolet had Studebaker taillights.
