## SAC Annual Banquet and Business Meeting

By Dee Northington

The Southern Arizona Chapter of Studebakers held our annual banquet and business meeting at The White Stallion Ranch on Twin Peaks Road on January 15, 2023. We had a slow drizzle of rain that continued through out the event which made for a cozy group of Studebaker enthusiasts. Actually, the room was large and perfect for our banquet. All the members and guests brought their appetites for a spread of cowboy fare. We munched on grilled hamburgers and chicken, cowboy beans, macaroni and cheese, salads and of course, cookies.

After cleaning our plates, we got into business of electing new officers for our Chapter. Ann Pearson was nominated and elected to the position of President, and Randy Goble was nominated and elected for Vice President and Tourmaster. Paul Storm was nominated and elected for Treasurer, Dee Northington was nominated and elected for Membership and Contributions. Marj Scooros will retain her positions as Secretary and Webmaster, Bruce Sandburg will continue as Historian, and Larry and Dee Northington will continue as the Newsletter Editors.

With business taken care of, Randy Goble went right into the shindigs, pitching the door prizes with humor, and the auction items with flare. By the end of the auction, our Chapter raised close to \$1000. A big thank you goes to all who donated items for the door prizes and auction. Hopefully next years meeting will be as great!

**MESSAGE FROM OUR PRESIDENT:**

Dear Studebaker Members:

I hope this message finds all of you safe and warm! I am honored to be your President. My first outing as President was eventful. I was so excited to give out the awards for the Canoa Ranch Meet. I was more than happy to give John L. Lewis his trophy for the People's Choice Award. John works so hard to keep his cars up and improve them. All of the trucks and cars were beautiful. Lou Fencl was the center of attraction with car rides in his 100 year-old Studebaker. Thank you Lou!

Ann Pearson

We have several new Officers for the Club as of January, 2023. Dee Northington is our new Membership Director. Randy Goble has taken over the Vice President, Tourmaster's position, Paul Storm has taken the Treasurer position and Dee Northington is our new Membership Director. Bob Miles, former Membership Director and Treasurer will be taking over Chris Collin's position of Regional Manager in April 2023.

We have a few outings planned. The annual All Studebaker Gathering hosted by the Phoenix Chapter will be on Saturday, March 4th at South Mountain Park in Phoenix. That will be the place to be! I sure hope the weather will be warmer! Randy is working hard on putting together a fun filled year for us as Tourmaster. He has quite a few good ideas.

Hope to see all of you soon!

*Ann*

**From the Editors:**

It has been a great start to 2023 for our club Chapter with our Business Meeting in January, and our car show at the Historic Canoa Ranch in February. Our '54 Commander made it to the Ranch without any problems. It was great to see it among all the other classic Studebakers.

Larry and Dee Northington

We welcome suggestions, pictures and story submissions. Email is the best way to submit contributions, but even a hand written article would be great.

Thank you to Donna Goble for proofreading.

\*\*\*Notice: A reminder from that everyone should have an approved fire extinguisher displayed at your left front wheel during all meets. As required as of January 1, 2017, the SDC requires a minimum of a LU type 1-A:5B:C, but a 1-A:10-B:C would be much better for added protection.

## RECENT CHAPTER EVENTS

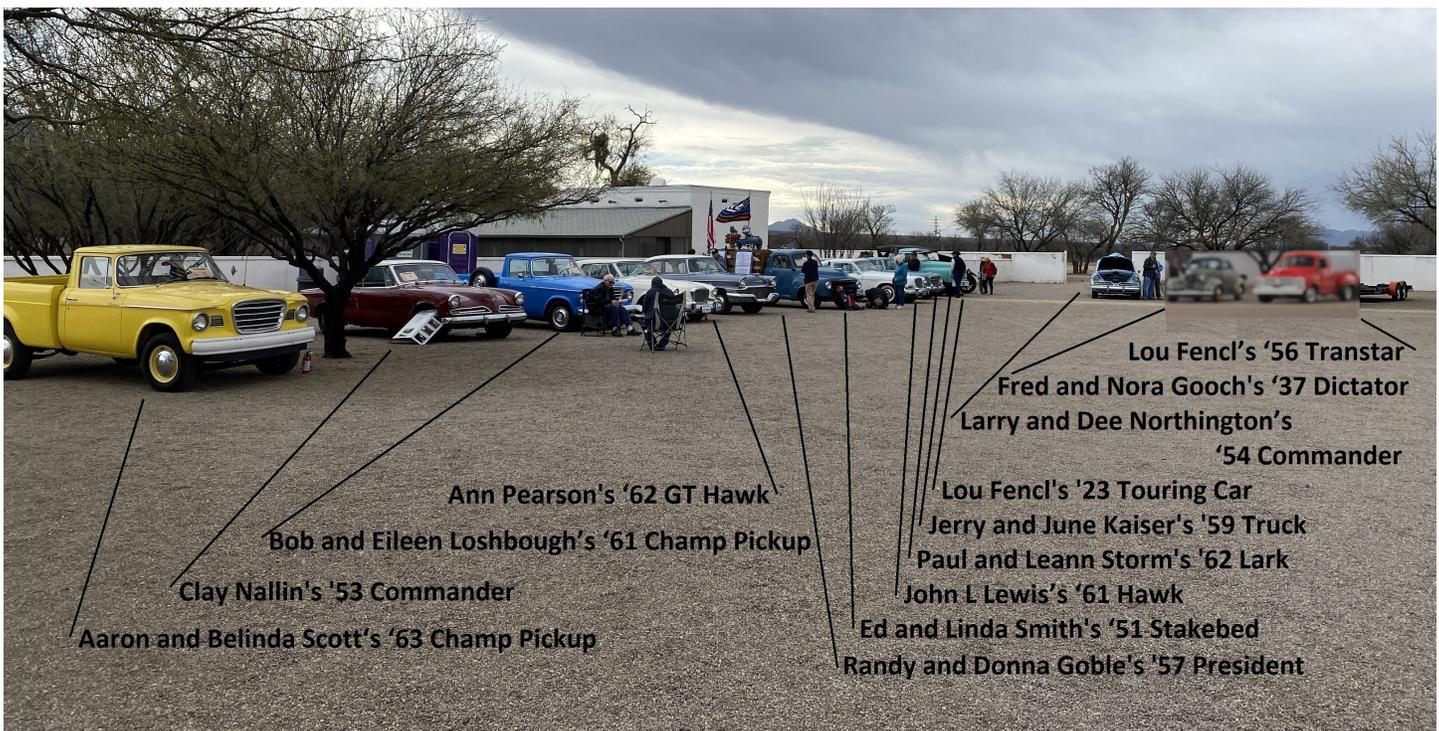

## Studebaker Car Show at the Historic Canoa Ranch

By Larry Northington

I have to admit, I have lived in the Tucson area for over a quarter century, and I had never before been to the Historic Canoa Ranch. On February 11, we had our Annual Car Show at the ranch, and it turned out great. There were 26 members and 13 Studebakers there, and waves of people that came to see the cars. The weather was questionable at the beginning, but over all it was very pleasant. John L. Lewis won the People's Choice award with his '61 Hawk, and Clay Nallin took second place with his '53 Commander. Aaron Scott won the 50/50, which he generously donated back to the Chapter. The Chapter then donated half of the 50/50 and money from a donation pot to the Canoa Ranch as a thank you. The ranch is famous for it's history, and there are tours on Saturdays of the grounds and the many restored buildings. It is also a popular place for bird watchers and anyone wanting to enjoy the serenity of the lake.

The highlight of the event was when Randy asked Lou if Randy's grandsons could sit in the '23 Touring Car, and Lou said "I can let them ride in it." So, Lou proceeded to give rides to anyone who wanted one. And yes, I jumped at the chance being a big kid at heart. Lou took the time to explain many of the features of the '23 car, which I soaked in.

See the pictures below, and on the back page.

**SPECIAL THANKS, IN MEMORY, AND HISTORICAL INTEREST****Special Thanks to Three of our Chapter Members**

By Larry Northington

**Randy Goble** was our Chapter President for many years. Anyone who has attended one of the Chapter's board meetings can appreciate the guidance and drive that the President provides. A special thank you goes to Randy for all that he did as the Chapter President, and to Ann Pearson for taking on this very important responsibility.

**John L. Lewis.** John L. is planning to move to South Dakota in the near future. I trust that all of our Chapter members appreciate the hard work that the VP / Tourmaster puts in for the benefit of us all. His work has for many years helped all of our events be something special. A special thank you goes to John L. for all that he did, and to Randy Goble for taking on this very important responsibility as our new VP and Tourmaster.

**Bob Miles.** Bob was the Treasurer and Membership Director for two years, and prior to that, held other volunteer positions in our Chapter. A special thank you goes to Bob for wearing these two hats. Thanks to Paul Storm for taking over as the new Treasurer, and to Dee Northington as the new Membership Director. These are certainly big shoes to fill. No rest for the weary, Bob will be taking on a new responsibility in April as the SDC Arizona Regional Manager.

**Farewell to the Angerhofers**

We are always sorry to see someone leave the club. Lance Angerhofer sent a letter stating he is spending most of his time out of state, and no longer drives the museum Studebaker. He included a generous donation. We wish Lance and Barbara Angerhofer the best, and a big thank you for the donation.

**In Memory: Ruth Naugle 1931 - 2023**

Ruth passed peacefully at home on February 11, 2023. Ruth was born in South Bend, Indiana, and used to drive a 1929 Studebaker. She worked at St. Joseph Hospital in Tucson for 30 years until her retirement. Ruth is preceded in death by her husband, Chuck Naugle, and is mourned by many friends and family members.

**Wig Wag Tail Signal**

By Larry Northington

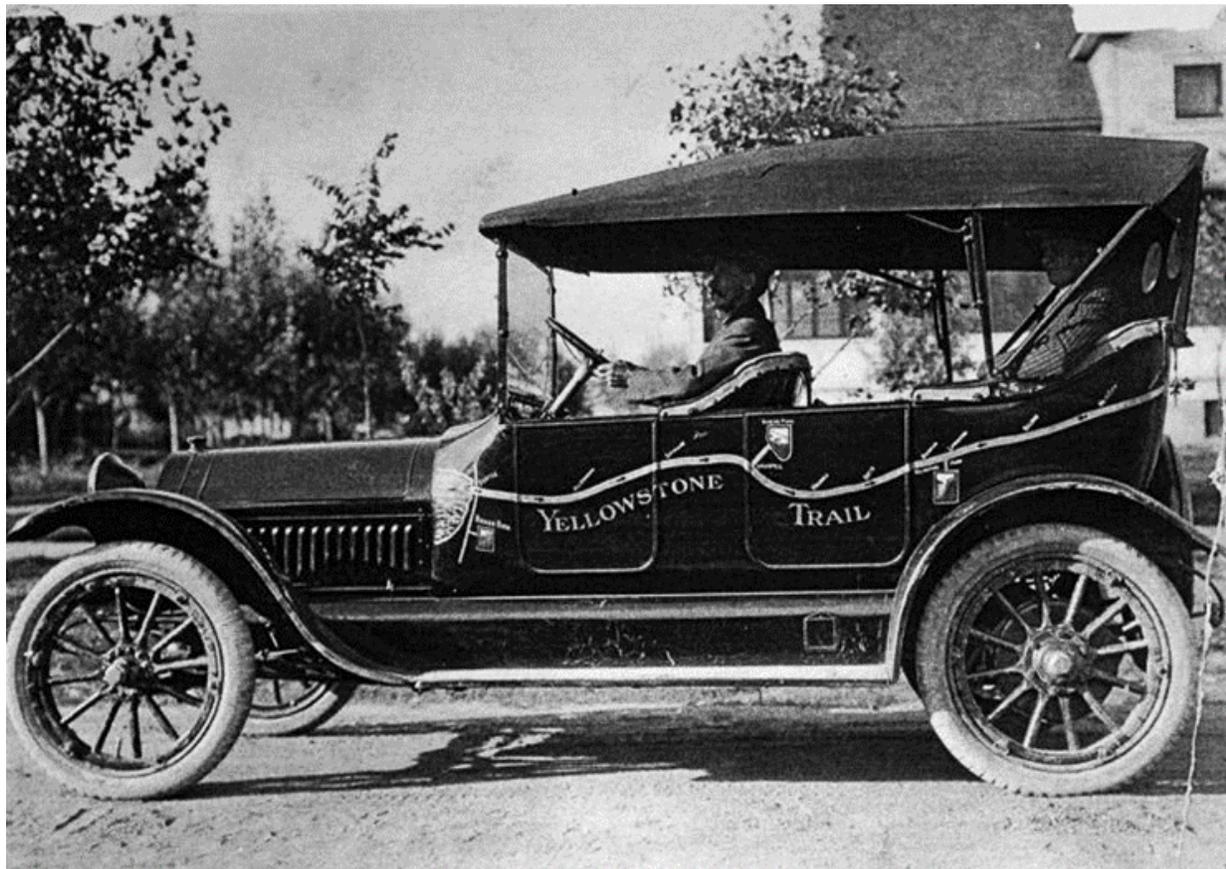

I was especially interested when I saw an unusual tail light on Fred and Nora Gooch's 1937 coupe. Fred explained that it is called a Wig Wag Tail Signal, and that they were an option in the '30s. It operates with a vacuum line connected to a brake switch. Lights that are in good condition are very valuable, and therefore Fred said that he only mounts his light for special events. According to information found on the internet, it was an accessory tail signal first made available on 1935 - 1936 model year cars. Those sold by Studebaker had a Studebaker tag. Those sold through general parts houses usually had the name DUA SAF on them. Some do not have tags. There are quite a few restored Studebakers who have the Wig Wags. They were available from Studebaker for three model years 1936, 1937 and 1938. Price new: \$5.50 (1930s). Price used: near \$1000 present day. According to the Studebaker description for the light, *"This is a new and novel signaling device which will have a wide appeal to Studebaker owners. In operation, it simulates a swinging railroad lantern and is therefore a most effective warning signal since it is an established fact that a light in motion commands attention more effectively than a fixed signal."*

## HISTORIC

**Studebaker Six and The Yellowstone Trail**

By Dee Northington (With inspiration from Steve Ault )

Courtesy of the State Historical Society

May 15, 1915 at 4 a.m. Joseph Parmley of Ipswich, South Dakota started out from Lemmon, South Dakota to make history. Along with a race driver, W.R. Payne from Kansas City drove a Studebaker Six for a trip across the state. The Studebaker Six was borrowed from W.C. Nissen, an Aberdeen Studebaker distributor. The goal was to get to Ortonville, Minnesota at 8 p.m. for a total of 349 miles in 16 hours. Mind you this road didn't have the mile post or interstate signs that we are accustomed to for directions. With few maps available, The Yellowstone Trail was marked with yellow markings on trees and rocks along the wet and muddy road. Parmley wanted to show travelers could go the distance in less than a day. Some thought it would be impossible but as they traveled through towns people cheered for them along the street.

Parmley's goal was to create a high-class transcontinental highway from the east coast to the west coast. This would open the possibilities of tourism for Yellowstone and beyond.

The drivers were followed by their mechanics and newspaper writers. Mechanics adjusted the mud chains and gassed up in Aberdeen just 10 minutes behind schedule. In many places on the road they had to take it slow because of the muddy roads. The weather was not working in their favor.

The Studebaker Six was covered in mud as they arrived in Ortonville at 8:15 p.m. They missed their goal by 15 minutes, however, would have arrived around 2 hours ahead of schedule if not for wet and muddy roads and a stop to drain the carburetor which had filled with water.

Parmley became known as "The Father of the Yellowstone Trail," now U.S. Highway 12.

## Larry's Bean Dip

- |  |                                      |
|--|--------------------------------------|
| 1 (15 oz.) can black beans, drained                      | 1 teaspoon vegetable oil             |
| ½ cup chopped onion                                      | 2 garlic cloves, minced              |
| 1 (10 oz.) can Rotel diced tomatoes<br>and green chilies | ½ teaspoon ground cumin              |
| ½ teaspoon chili powder                                  | ¼ cup habanera or pepper jack cheese |
|  | 1 tablespoon of lime juice           |

- 1) Place beans in bowl and partially mash until chunky. Set aside.
- 2) Heat oil in medium non-stick skillet over medium heat. Add onion, garlic and saute' 4 minutes or until tender. Add beans, Rotel, cumin and chili powder; cook 5 minutes or until thick, stirring constantly.
- 3) Remove from heat; add cheese, cilantro and lime juice, stir well.
- 4) Serve warm with chips.

Larry Northington's take:

This is the best dip I have ever tasted. It does however take a little time to prepare, and it should be served warm for the best flavor. Well worth it. Dee can explain how it got my name on it.
