OUR COMPANY

Established in 2018, Civil Independence Industries Pty Ltd (CII) specialises in the construction and repair of flexible pavements. Our services include asphalt placement, asphalt manufacture, asphalt testing, bituminous spray sealing, road profiling and crack sealing to a diverse range of clients that include Local and State Government, Civil Contractors and Private Customers. We currently operate three depots – in Toowoomba and Dalby, Queensland and Parkes, New South Wales.

THE DIFFERENCE IS EXPERIENCE.

Rod Martino and Dean Millane bring more than 60 years of combined industry experience to CII - expertise that has helped establish our exceptional reputation.

Rod Martino - Director

Rod's professional life expanding over 43 years includes roles at some of Australia's leading road surfacing companies, and his extensive knowledge of every aspect of flexible pavement operations is an important part of CII's ongoing success.

Dean Millane - Director & Operations Manager

Dean started working in the flexible pavement industry at the age of sixteen and during this time has taken a hands-on approach to his impressive education within the sector. With a Bachelor's Degree in Civil Engineering, Dean has a comprehensive breadth of industry knowledge and experience.

Rob Cooper - Spray Seal Manager

Rob has 15 years of experience in the Spray Seal Industry and brings extensive knowledge across all aspects of spray sealing operations, road construction, and pavement maintenance. His hands-on experience, leadership in the field, and strong understanding of spray seal applications allow him to deliver safe, efficient, and high-quality outcomes on every project.

Bipin Adhikari - Project Manager Asphalt

Bipin is a Bachelor qualified Civil Engineer, with over 2 years of experience in project coordination. He is proactive, detail-oriented, and provides strong technical knowledge and support across Civil Independence Industries asphalt projects.

Alan Tatton - Technical/Laboratory Manager

Alan has over 35 year's experience working as a professional Asphalt, Bitumen, Emulsion, Aggregates and Pavement Material Laboratory Technician. Alan brings progressive knowledge in compliance testing for Asphalt Production and Quarry Laboratory. Alan strongly contributes to quality management, project management, product testing, and development from the Parkes Laboratory.

Helen Lloyd - Administration Manager

Helen is an experienced Administration Manager with a strong background in administration coordination, business, and account management. Helen is highly skilled in managing staff, streamlining processes, maintaining accurate records, and ensuring efficient workplace operations across Parkes and Toowoomba locations.

Darryl Smith - Workshop Manager

Darryl has over 20 years of experience operating and servicing heavy trucks and machinery across the construction and agricultural industries. With extensive hands-on experience operating heavy vehicles and machinery, he has developed a strong understanding of the mechanical requirements needed to ensure equipment runs efficiently and reliably. Darryl also brings extensive experience in boiler making, further strengthening his practical knowledge and technical expertise.

ACCREDITED AND ACCOMPLISHED.

CII is an accredited asphalt contractor with both the Department of Transport and Main Roads (DTMR) and Transport for NSW (TfNSW). CII is a certified contractor on various Local Government Panel Contracts throughout Queensland and New South Wales.

CII operates under a certified Integrated Management System to the following management systems, standards, and guidelines:

- Quality Management Systems ISO 9001:2015
