Program Cost \$250

Program Dates: 2/20, 2/21, 2/22, 2/23,
2/24, 3/2, 3/3, 3/9, 3/10, 3/16

Program Times: 9:00-11:00 and 12:00-
2:00

Program does not include lift ticket

***Welcome to Junior Alpine!** Our program provides FUN, team-based, age-appropriate training with a focus on mastery of fundamental skiing skills progressing to the development of racing skills over time. We are fortunate to have a long-term, dedicated team of highly qualified coaches, all of whom are expert skiers. Most important, they all love working with kids. Our youngest athletes have zero ski racing experience and for these young skiers the focus is on learning to love skiing all the fun terrain our mountains offer. While some of our athletes go on to successful high school, college, and even international racing careers, our primary focus is on developing a love of skiing and ski racing as members of an energetic and supportive team. Come join us and be part of this terrific winter community of skiers and families!*

WARNING TO RACERS AND THEIR PARENTS: Downhill skiing, as other sports, contains inherent risks, including but not limited to the risk of personal injury, including catastrophic injury or death or property damage, which may be caused by variations in terrain or weather conditions or surface or sub-surface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps or other persons using the facilities; or rocks, branches, forest growth, debris, roots, stumps, or other natural objects or man-made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York State law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing, which are set forth above, so that you may make an informed decision of whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. A complete list of these responsibilities are posted at the area under the New York State Industrial code rule #54 (safety in skiing) If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.

Willard Mountain strongly suggests the use of a helmet at all times while skiing and riding.

Racer's Signature _____ Parent's Signature (if participant is under 18) _____

Racing Development (DEVO) – Birth Years 2011, 2012, 2013

Our Goal is to teach enthusiastic young skiers the ability to reach the next level in the sport by emulating the technique of the best skiers on the hill. All DEVO skiers become proficient enough to have a lifetime of fun in the sport, whether or not they choose to move on to competition as they grow older and stronger.

DEVO is designed for self-motivated young skiers who love to ski, have a solid foundation of skills (turning, stopping, controlling speed) and are eager to do more. Because this is not a learn-to-ski program, participants are required to have at least one full season of skiing experience and should be eager to ski the full variety of terrain. Participants should be ready to use ski poles and must be able to ride the chairlift with minimal assistance. The DEVO ski season includes miles and miles of skiing with coaches, age-appropriate free-skiing drills and introduction to ski racing elements to promote solid technical fundamentals.

The primary goal of the program is to instill a love of skiing in our participants so they will continue skiing in whatever capacity that excites them. In addition, since this program is the entry-level of the Alpine Racing Program, we hope that many children will move on from DEVO and give competitive racing a try.

Note for 2013 Birth Year skiers: Children born in 2013 have the option to enroll in DEVO or the U10 program. Please contact the program heads or head coach if you need input on which choice would be most appropriate for your child. Factors to think about are skiing ability, maturity, and desire to learn to race.

Program Fee: \$250 + season pass

Registration Deadline: Deadline for registration is January 31, 2024

On Snow Training:

(Sun only) at 10:00 am to noon, 1:00-3:00 PM beginning Sunday January 8..
