

Welcome to Applied Level 2

Presented by

Parzival Therapies

*in affiliation with the **HANDLE**® Institute*

This course is for people who want to understand and apply their HANDLE Level 1 & 2 course training more thoroughly. **This course is NOT a Certification Course from the HANDLE Institute.** It is intended for those who are interested in bringing the HANDLE Activities into their current work, be it classrooms or clinics. The level of focus will be intended for those with mild to moderate challenges. It is NOT intended to prepare students to work with significantly involved individuals. The material in this course overlaps with my Level 3, the Screener Certification Course. Upon successful completion of this course, should you decide to take Level 3 and learn additional tools for Screening clients, I will credit the cost of this course to Level 3.

What is covered in this course?

- Further exploration of the concepts taught in Levels 1 and 2.
- Building a deeper knowledge and understanding of the Foundations of the HANDLE Paradigm and the Systems.
- We will work on our powers of observation to see what behaviors may be telling us about which Systems need support. We will also be looking to see which Systems are well established and providing support.
- Review and explore more deeply the activities taught in Levels 1 and 2, that can be applied to enhance functions for those you are working with; as well as how to modify the activities to meet the needs of the people with whom you work.
- Expansion of your capacities to feel, watch, listen and think. To be present.

What does it take to complete the course?

- 100% attendance
- Completion of all Homework assignments (weekly)

Course Schedule:

The Course will begin on **Sundays, August 10th, 2025**. The class will meet every week for 2-hours for 15 sessions. The last class will be November 16th, 2025 All classes will be from 10:00 am – 12:00 pm Eastern USA Time

Applicants must have:

- A computer and reliable internet for Zoom meetings (as reliable as the Universe can provide).
- Completed Levels 1 and 2 sometime within the last two (2) years. You can request

- access to the recordings of Level 1 & 2.
- Read or listened to the Fabric of Autism

Cost:

Course Fee: \$750

Payment options:

1. Pay in full at time of acceptance to the course: total of \$750 (no extra fees)
2. The Course payments can be done in four (4) payments including a non-refundable deposit of \$200 due prior to the 1st class. The remaining three (3) payments will be monthly in the amount of \$197 each. This includes payment service fees of \$40.
3. If you need a different payment plan, please schedule to talk with me
4. I understand that the exchange rate for some countries may make the course fee prohibitive. It is important to me that HANDLE providers exist in countries around the world so everyone has access to this approach. If this applies to you, please contact me to discuss payment options.

Additional Potential Costs:

- You must have a copy of The Fabric of Autism by Judith Bluestone. Sold through www.HANDLE.org in the Resources Section (books). It is available in Print on Demand, PDF and Audio formats. It is also available through Amazon on Audible.
- You will need to have access to a printer (at home or at a print shop).
- Some of the activities require a ball, a hoop, a blow pipe, and a rope. I'll send instructions as needed.

Cancellation Policy: – Due to the limited space in this course (12 students), and individualized attention, the following cancellation policy will be implemented:

More than 30 days before start of course-	No cancellation fee
30 to 14 days before start of course	75% of course fees will be refunded
Fewer than 14 days before start of course	35% of course fees will be refunded
After the start of day 9 of the course	0% of course fees will be refunded
