

# AYAC 2026

*sponsorship*

# JUNE 10 & JUNE 11, 2026

## CALAMIGOS RANCH

# DR. RAY

AYAC is a passion project started in 2017 by the late Dr. Fiona Ray to bring a collection of providers together for two days of education, networking, and fun. It is a non-conference conference, like an adult summer camp, created for clinicians and providers to connect and exchange ideas. Her legacy remains at the heart of AYAC's mission and community.

# WHY SPONSOR

Sponsoring AYAC means aligning with a mission driven event centered on thoughtful care, innovation, and real-world impact while also embracing creativity, connection, and fun.

AYAC is not a traditional conference. Sponsors play an active role through curated vendor experiences and educational programming that contribute to the quality of the event. With CE credits and a collaborative environment, AYAC creates strong opportunities for sponsor visibility and engagement.
