## WELCOME TO THE 25-26 SCHOOL YEAR

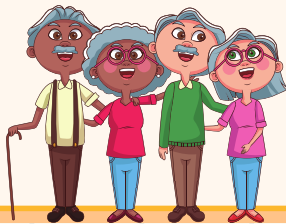

Hello Families! We've had an amazing start, the first few days have been filled with smiles, laughter, and lots of learning! We're so excited for the adventures ahead this school year.

Keep an eye out for our monthly newsletter, packed with details about upcoming events, themed spirit days, special reminders, and all the important info you need to stay connected.

Here's to a year full of growth, joy and unforgettable memories!

## Grandparent's & Friends Day

We love celebrating all of our caregivers! We know not all of our grandparents are close by, so this year we are also celebrating any special friend like an aunt, uncle, grandparent figure or friend!

## Health Reminders

The best way to reduce the spread of germs is to keep kiddos home if they are sick. A child with the following conditions must stay home and rest:

- Fever (100.4 +) within 24 hours
- Medication within 24 hours
- Runny nose or heavy nasal discharge that cannot be contained (except for allergies)
- Rash
- Unusual crankiness
- Vomiting
- Diarrhea
- Ear or Eye Irritation that causes extreme discomfort

Please notify our Director, Lesley Diaz via call, email, or Brightwheel Admin message if your child is diagnosed with any illness, as we must notify other families to monitor for any possible symptoms.

## Sign In/Out iPads

Friendly reminder to sign in and out daily to avoid any fees. Please also remind our little ones that the iPads are just for grownups, signing in and out is a grownup step only.
