

SANDBOX NEWS

FEBRUARY

LHP ADMIN

Message

As we enter the fun filled month of February we are so thankful for our preschool community and all of the support our families give us. We have many exciting holidays and events this month, especially our big event, Trike-a-thon! Please be on the lookout for flyers about how to sponsor and support our little ones. We're excited for our classrooms to celebrate Valentine's Day and Lunar New Year parties this month. We're also looking forward to celebrating Black History Month, with all of our classrooms learning about important figures, stories, and contributions that have shaped our world.

| Laurel Hall Preschool
