

LHP April 2026 Sandbox News

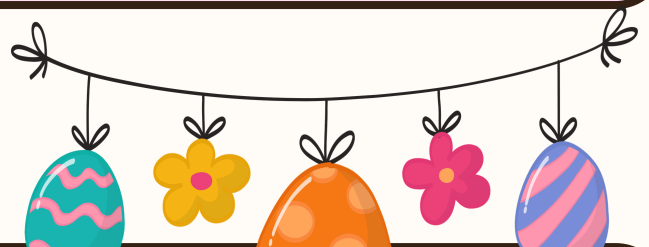

Happy Spring! We are excited for this month of April as we celebrate Easter and the beginning of Spring. We are super excited for our Spring Sing performance coming up along with our PTO auction baskets that you can bid on! The children have been working very hard on their performances and are very excited for the show. Spring break is also around the corner and we are very happy our staff and preschool families can take a break and spend quality time with friends and loved ones. We hope this April everyone can take some time to relax and reflect as we enter this Easter season.

Reminders

The weather is changing! Please make sure to bring in sunscreen, hats, water containers, and bug repellent for your child. Teachers can apply and re-apply sunscreen and repellent at school, however please make sure to fill out our purple medication form first.
